A BAD DISORDER

In the fall of 1895 I contracted that fearful disease, Blood Poison. It gained such headway that I was forced to resign my position and seek relief at Hot Springs. After spending all the means I had I went to Memphis. In less than three weeks I was in a hospital, and after nine weeks of suffering I was discharged as cured. In less than a month every bone in my body seemed to be affected and felt as if they would break at the least exertion. Again I was compelled to resign, and I returned to the hospital for a seven weeks stay. When I came out I was advised to try farming. When I first went on the farm I prevailed on the only firm who handled drugs to get me one dozen bottles of S. S. S. At that time both of my hands were broken out with blisters and I was covered with boils and sores. In the meantime my druggist had gotten two dozen bottles of S. S. S. for me and I began its use, and after taking the thirtieth bottle not a sore or boil was visible. R. B. POWELL, East 9th St., Little Rock, Ark.

Of all human diseases, Contagious Blood Poison is the most hideous and hateful. The victim is tortured with eating ulcers, sores and abscesses, unsightly blotches, eruptions and other symptoms of the miserable disease. S. S. S. has been used successfully for nearly fifty years for Contagious Blood Poison. It contains no mercury, potash or other mineral. Our home treatment book gives all the symptoms of this disease. Medical advice free.

HERE AT HOME.

Pendleton Citizens Gladly Testify.

It is testimony like the following that has placed "the old Quaker remedy" so far above competitors. When people right here at home raise their voice there is no room left for doubt. Read the public statement of a Pendleton citizen:

J. W. Horn, stone mason, living on Webb street, near Lillieth St., says: "Reading an advertisement about Doan's Kidney Pills led me to procure a box at Brock & McComas Co.'s drug store. Some three years ago I strained my back lifting, and ever since then any extra work, lifting or colds which settled in my back affected the kidneys. I tried a great many different remedies but obtained little, if any benefit from them. The first dose of Doan's Kidney Pills helped me. I used in all three boxes and they cured me. I shall always recommend this remedy to others as I know it can be depended upon."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Why Not in Umatilla County? Some time ago we saw a statement from Mr. Cummings, our Morrow county nurseryman, relative to the growing of almonds on Willow creek. He had been exhibiting some of the nuts grown by B. M. Boehr of Lexington. Cummings sold the tree to Mr. Boehr four years ago when it was planted and has made a good growth ever since. The crop of almonds on the tree amounted to about one-half bushel and the nuts are of good size, well matured and of good flavor. The success of this tree seems to be complete. Well, why not? Last fall we saw a number of trees loaded with these nuts, the finest kind, away up on the Columbia in the state of Washington. Why should they not grow successfully here on Willow creek?—Ione Proclaimer.
