"SACAJAWEA DAY"

COMPLETE PROGRAM
NOW FIRST PUBLISHED.

Redmen and Sacajawea Monument Association Arrange the Exercises—Unveiling of This Monument Will Be the Principal Event of July at the Fair—Floral Parade, Distribution of Portland Roses and Literary Exercises at the Grounds.

The East Oregonian presents its readers with the complete program for "Sacajawea Day," July 6, at the Lewis and Clark fair, no other paper in the state having published this program or any part of it before.

The program has been arranged by the Sacajawea Monument association and the state grand lodge of Redmen, and will be highly appropriate to the occasion. It will be one of the principal events of the month of July, at the fair. The following exercises will be carried out in detail:

Forenoon Program.

In the morning, at 9 o'clock, the Redmen will hold an open air meeting or peace talk, at which the Great Inconchonee of the order will deliver an address and the women of the Redmen will distribute Portland roses in profusion.

Following this open air meeting there will be a great parade, the officers of the Redmen and the Sacajawea association in carriages and Redmen in regalia. A part of the parade will be a floral parade consisting of automobiles and carriages decked in flowers. Indians from Chemawa accompanied by the Chemawa band will take part, and the entire parade will be reviewed by Governor Chamberlain, Mayor Williams, officers of the Lewis and Clark fair and other prominent citizens and distinguished visitors.

Afternoon program.

Exercises at the grounds, chairman of the day, H. L. Henderson, great sachem of Oregon.

Invocation—Rev. Anna Shaw.

Five minutes address, "The Pioneer Mother"—Mrs. A. S. Dunlavy.

"The Oregon Country," address—Great sachem of Washington.

Song—Charles Cutler, native Alaskan Indian.

"Our Women," address—Susan B. Anthony.

"The Citizen Indian."—Kap-ka-pelak-in, grandson of the Nez Perce who went to St. Louis in search of the white man's "Book of Heaven," in the early part of the 19th century, from Idaho.

Oration—Great Inconchonee.

Music—Chemawa Indian band.

Recitation in costume, "Sacajawea" (written by Bert Huffman)—Recited by Mrs. G. H. Pattinger.

Unveiling—Mrs. Snook of Coquille.

Presentation of statue—Mrs. Eva Emery Dye.

Acceptance, Mayor Williams.

Benediction—Archbishop Christie.

NO FREE BACTERIA.

Agricultural Department Cannot Supply Demand for Inoculated Soil.

The erroneous statements which recently appeared in the public press regarding the free and unlimited distribution of inoculation material for leguminous crops is likely to cause those who apply for these cultures to be disappointed.

The publication of the results obtained with pure culture in inoculating leguminous plants has resulted in such a demand for this material that the facilities of the agricultural department have been taxed to their utmost and for some time it has been impossible to meet the demand; in fact, the total quantity which could be prepared this season was promised in February.

The patent which the department holds upon the method of growing and distributing these organisms was taken out in such a way that no one can maintain a monopoly of the manufacture of such cultures and so as to permit of its being taken up and handled commercially. The commercial product is being handled quite extensively by seedsmen.

Upon application the department has furnished all necessary information to the bacteriologists representing properly equipped concerns, but it cannot assume to make any statement which could in any way be regarded as a guarantee of the commercial product; nor is it prepared to endorse each and all of the somewhat extravagant claims occasionally made for this discovery.

Those who desire to consult the department's authorized statements should refer to its own publications, the latest of which is Farmers' Bulletin 214.

Frightful Suffering Relieved.

Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at Tallman & Co.'s drug store, guaranteed.

Nine hundred thousand dollars is to be expended upon improvements upon the mouth of the Columbia, divided as follows: For the reconstruction of the trestle work, \$100,000; for labor, purchase of material, repairs to plant, office disbursements, engineers' expenses and contingencies, \$182,500; for the purchase of stone under contract \$617,500. Included in this is the \$300,000, representing a continuing fund contract.

Twenty-five members of company E, 15th cavalry, at Fort Ethan Allen, Vermont, are in the city jail at Burlington, as the result of an attempt to run the town one night.

GIVING OUT.

The Struggle Discourages Many a Citizen of Pendleton.

Around all day with an aching back;

Can't rest at night;

Enough to make one "give out."

Doan's Kidney Pills will give renewed life.

They will cure the backache;

Cure every kidney ill.

Here is Pendleton proof that this is so:

Mrs. L. Hodson, of 717 Aura street, says: "While my kidneys have never caused me any trouble which made itself apparent in the kidneys themselves, nor in the secretions, I have been bothered more or less by an aching across the small of my back, then down and through my kidneys. When I caught cold it hurt me across my loins and made me feel lame and sore. I got a box of Doan's Kidney Pills at the Brock & McComas Co. drug store and used them. While I did not take them according to directions, being a poor hand to dose myself with medicines at all, they benefited me in every way, making my back stronger and toning up my whole system."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Facts About Shellac.

Recent advances in the price of shellac, due partly to its use in electrical works and in making gramophone records, have led to the collection of facts about its production. Lac is an incrustation on the branches of certain trees in India caused by insects. It is found throughout India, but is most abundant in the central provinces, Bengal and Assam. It is collected by natives, who break off the incrustated branches. The gatherers and local dealers sell it in the form of "stick lac" to manufacturers, who turn it into the shellac or "button lac" of commerce. Nearly the whole of the shipment takes place from Calcutta, and the chief markets are the United States and Great Britain. In India lac is made into bracelets, rings and other ornaments.

Old Folks Testify

VINOL WORTH \$1000 TO A. J. BAKER.

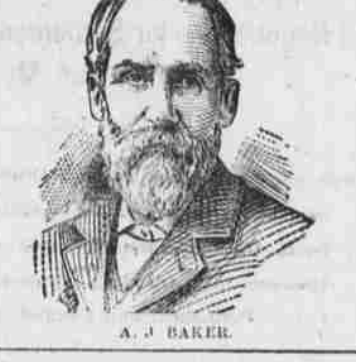

The Aged, and All Sons and Daughters of Aged People in Pendleton Should Be Interested.

Mr. A. J. Baker of 713 Locust street Evansville, Ind., writes: "I believe there is no other medicine equal to Vinol for elderly people. I would not take \$1000 for the good it has done me. It makes strength for the aged as no other medicine seems to do, and invigorates the whole system. Vinol was first recommended to me for a bad cough, which I could not seem to get rid of. Vinol not only cured my cough, but it made me strong and well, and I enthusiastically endorse Vinol."

Mr. Brock, of the Brock & McComas Co., our well known druggists, when interviewed in regard to this matter, said: "We have never sold in our store such a wonderful vitalizer and strength maker for the aged as Vinol; it is nature's remedy for the sick, the weak and the aged. Vinol owes its virtue and great medicinal power to the fact that it contains in a highly concentrated form all the active curative properties of cod liver oil, without a drop of

the nauseating grease, which characterizes old-fashioned cod liver oil and emulsions.

"Vinol acts first upon the stomach, toning it up, and enabling it to obtain from the food eaten the elements needed for rich, red blood, healthy body material and sound, steady nerves. In this way it repairs worn tissues, checks the natural decline of the aged and never fails to replace weakness with strength.

A. J. BAKER.

"In the strongest manner we unhesitatingly endorse and guarantee Vinol to increase the appetite, cure stomach troubles, give strength and renewed vitality to the aged, build up the run-down, tired and debilitated, make the weak strong, cure chronic coughs, colds and build up the enervated, or we will return to the purchaser every dollar paid for it." Brock & McComas Co., druggists.

This seems a strong statement for reliable druggists to make, and we think every person in Pendleton ought to take advantage of the Brock & McComas Co.'s offer; as, of course, they have a very wide knowledge of medicines, and what they will, or will not accomplish.—Editor.
