MERCHANT MARINE

UPBUILDING IS TO BE ACTIVELY PROHIBITED.

An Organization Effected Called the American Maritime League—It Will Be Entirely Non-Partisan and Not Committed to Any Definite Policy Except to Educate the People Upon the Subject.

New York, April 13.—The new campaign organizing to secure from congress in the next session action toward the rehabilitation of the American merchant marine will be started in earnest tomorrow when a meeting will be held at the Waldorf-Astoria to effect permanent organization and discuss plans.

The new organization is called the American Maritime League, and the president is former Senator John M. Thurston. The organization is thoroughly non-partisan, and comprises men of all business pursuits and every shade of political opinion. It does not favor any definite policy, either of subsidies, discriminating rates, port charges or tonnage taxes, but interests the public in the general subject of upbuilding the merchant marine of the United States.

An advisory board has already been selected, with one or more representatives from every state. President Roosevelt has signified his interest in the organization by accepting an honorary membership and on the advisory board are former Secretary of War Root, Secretary of the Navy Morton, Attorney General Moody, Secretary of War Taft, Charles M. Schwab, M. E. Ingalls, President Schurman of Cornell university, President Harper of the University of Chicago, and Governor Bliss of Michigan.

It is proposed that the members of the league shall press the subject of building up the merchant marine, especially on commercial clubs and organizations. A magazine will be established in Washington, whose columns will be open to a non-partisan discussion, and prior to the assembling of congress meetings will be held in this city and in other parts of the country.

DEMOCRATIC ORATORY TO FLOW

Occasion is Anniversary of Jefferson's Birth.

New York, April 13.—There will be a great flow of democratic oratory in the grand ballroom of the Waldorf-Astoria tonight, when, in response to the invitation of the Democratic club, leaders of the party from all parts of the country will gather to celebrate the anniversary of Thomas Jefferson's birth.

Prominent among those who have accepted invitations, and the majority of whom have already reached the city, are Governor Douglas of Massachusetts, former Governor Francis of Missouri, Senators Carmack, Rayner and Daniel, John W. Kern of Indiana and Congressman De Armond of Missouri, and Rainey of Illinois. Alton B. Parker will head the list of speakers, taking as his subject, "The Future of the Democratic Party."

WILL FIGHT TUBERCULOSIS.

Medical Men at Atlanta From All Over America.

Atlanta, Ga., April 13.—Preparations for the meeting of the Anti-Tuberculosis league, which is to be held in Atlanta next week, are practically completed, and the indications are that the convention of distinguished medical men will be one of the most successful conventions ever held in the South.

Prominent physicians and health authorities from all sections of the country will attend the meeting, and the local medical fraternity is making arrangements to receive and entertain them in a becoming manner. The convention will be held in the hall of the house of representatives, and Governor Terrell will deliver the address of welcome.

NORTHWESTERN STOCKMEN.

Holding Largely Attended and Profitable Meeting.

Belle Fourche, S. D., April 13.—The Northwestern Stockgrowers' association began its annual convention here today. Representative stockgrowers are present to a total of several hundred from nearly all parts of this and neighboring states. The program is one of the best ever arranged for a meeting of the association. In addition to routine business it provides for numerous addresses and discussions on practical topics relating to the stock growing industry.

The large attendance and attractive program combine to give promise of a meeting that will go on record as one of the most successful of its kind ever held in this section.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." Tallman & Co., druggists, guarantee them at 50c.

Notice to Debtors.

All persons indebted to me will please call and settle at once, as I have sold my butcher business and need the money.

CONRAD PLATZOEDEER.
