A VALUABLE CONVENTION.

Judge Bean Is Enthusiastic, Declaring It Has a National Significance on Account of Its Character and the Reputation of the Experts Who Will Attend-State Development League May Be Held in Pendleton at the Same Time-Representative Men From the Valley Expected to Be Present.

A convention of the Oregon Good Roads Association will be held here on May 15 and 16. Such was decidconsidered by Japan, but this, it is ed at the meeting of the Developnounced by County Judge H. J. Bean, who returned from Portland this morning.

> "It will be a state convention, but will be one of national significance on account of the fact that Col. R. W. Richardson, secretary of the national association, will be present and will assist in the session," said Judge Bean this morning.

It is also possible that a session of the State Development League will be held in Pendleton at the same time with the roads convention. Such was suggested at the recent meeting in Portland, but no definite action was taken on the matter, as it was not known what rates could be secured for the delegates from the railroad Polley of the Department Will Be to company.
