That is what some say of any new thing. We have a new line of "Pre-cut" glass. This glass might indeed be called a "fake," for it resembles cut glass so closely that even experts are puzzled.

Ask for our little booklet entitled, "Crystal Facts." It tells you all about it.

would not be greater bargains than "Mother's Pride" coffee for 25 cents. Do you know that you are getting greater value than some coffees at 35 cents? If you don't, we do. Try it and see. We cannot praise it enough. It will stand more—and then some.

## NEW EAGLE AERIE

WILL BE ORGANIZED AT ECHO JUNE FIRST.

Will Be Followed by a Record-breaking Picnic Later in the Month—The Petition for an Echo Aerie Contains the Names of Nearly All the Leading Citizens of That Portion of the County—A Special Car Will Be Run to the Picnic.

Plans are now being made for the organization of an aerie of the Eagles at Echo on June 1, and for the holding of a grand Eagles' picnic at that place some time during the month of June.

This morning J. T. Hinkle, state deputy for Oregon, stated to the East Oregonian that 100 charter members for the aerie have been pledged, and that signers to the petition are now being secured. The list is headed by L. A. Esteb, mayor of Echo, and is also signed by the members of the city council and the marshal of that place. Besides those at Echo, it is said that many prominent residents of Butter Creek, Umatilla, Hermiston, Foster and Maxwell will join the aerie to be instituted at Echo.

On the evening of the organization a special car will take the Pendleton Eagles to Echo, and the initiatory work will be put on by the Pendleton team.

Following the organization of the Echo aerie it is the intention to hold an Eagles' picnic there some time during June. The plans are to make this a monster affair, having visitors present from all over eastern Oregon and from Portland. J. F. Pelletier, of Kansas City, grand worthy president for the United States, will be in the west upon a tour at that time, and arrangements are being made to have him present on the occasion.

Pendleton aerie will attend with a uniformed brass band, the Eagles' orchestra and the Eagles' quartet. Also one of the plays which were presented here during the past winter by the Eagles will be repeated there in the evening, followed by a ball.

Large delegations are also expected from Baker City, The Dalles, La Grande, Walla Walla and other points in the Inland Empire.

The entire arrangement of the affair will rest with a committee from the Echo aerie, and all money derived from the sale of booth privileges

## FOR COUNTY EXHIBIT

UMATILLA'S BOOTH WILL BE BUILT AT ONCE.

Judge H. J. Bean Leaves for Portland Tonight and Will Let Contract for Construction of the Booth—Style of Umatilla County's Booth Will Be Massive Roycroft—Moorhouse Photos Will Adorn the Heavy Pillar Supports—Mantle of Weston Brick and Indian Robes in Profusion.

County Judge H. J. Bean will leave for Portland tonight to make arrangements for the construction of the Umatilla county exhibit booth to be erected in the agricultural building at the Lewis and Clark fair.

The exhibit committee from the Commercial association met with Judge Bean last night and drew final plans for the booth and contract for its construction will be let at once.

The booth will be 20x35 feet in size, 12 feet high, with a table 18 inches in width around the three outsides of the booth, and exhibit shelves arranged through the entire length of the structure. An open passageway 30 inches in width will be left inside the booth for the convenience of the superintendent and those who may be needed to place the exhibits on the shelves.

On this outside table will be placed plates of fresh fruit and other delicate exhibits, while the heavier exhibits will occupy the elevated shelves in the interior. At the top of the elevated shelves will be a top shelf, two feet in width running the entire length of the booth, on which will be placed sacks of flour, sheaves of grain and other exhibits for ornamentation and exhibition purposes.

The booth will be constructed on the massive Roycroft plan, the 12 pillars supporting it to be 10 inches square, and other framing timbers in proportion. On top of the booth, which will be substantially built, will be placed an Indian tepee, to be secured by Major Moorhouse for exhibit purposes. This tepee will be a smoked, grimed, real tepee from the reservation, and it is thought that it will be a very attractive feature, placed on top of the booth in full view of every visitor to the agricultural pavilion.

On the massive pillar supports, Moorhouse photographs will be placed in profusion, the entire pillars to be covered with them if possible and in a convenient corner Indian robes, Umatilla county newspapers and other exhibits will be used.

A mantle of Weston brick will also adorn one corner of the booth, and the resources of the county will be fully and tastefully arranged for display.

Collector of Exhibits S. H. Forshaw will be in the field continually until the fair opens, and an excellent agricultural exhibit will be in place by the opening day. A superintendent will be placed in charge of the exhibit and Umatilla county will enter the contest of counties with a view to securing a prize, also with a view to securing a return of one-half of the cost of the exhibit, as offered by the management of the fair, where the exhibit reaches \$1000 in cost and is in charge of a superintendent.

### DIED FROM OPERATION.

Miss Dora V. Adams of This City Succumbs to Appendicitis.

Miss Dora V. Adams of this city, died at 11:15 last night at St. Anthony's hospital, following an operation for appendicitis, which was performed three weeks ago yesterday.

Miss Adams was 21 years of age and was born at Helix. Her mother is dead and her father, W. H. Adams, now resides at Weiser, Idaho. She leaves a brother, B. C. Adams of Odessa, Wash., who is here attending the funeral, and a sister, Mrs. M. L. Morrison, of this city.

The funeral was conducted at the Rader undertaking parlors at 4 o'clock this afternoon. Rev. N. H. Brooks, of the First Christian church, officiating, and interment took place in Olney cemetery.

up the Umatilla diversion would probably prevent any further consideration of the John Day plan," said Mr. Whistler.

According to Mr. Whistler, not over 70,000 acres could be reclaimed by water from the Umatilla river, while 200,000 could be watered from the John Day; and it is the intention at present to look forward to the time when there will be sufficient money to carry out the John Day scheme.

### POOL TOURNAMENT.

Series of Five Games to Be Played at Merchants' Cafe Friday and Saturday Nights.

George Froome, proprietor of the Merchants' Cafe, has arranged a pool tournament to consist of five games, between Chris Lange, of San Francisco, and Frank Leonard, of Spokane, for a purse of \$50, the winner to take three games in five.

The games will be played on Friday and Saturday evenings, beginning at 8:30 p. m., and as both are expert professional pool players, great interest is being taken in the series of games. Mr. Froome has just added a high-priced pool table to his club room and will make a specialty of pool and billiards hereafter. Practice games are played each evening, large crowds witnessing the remarkable playing of these professionals.

Pamphlet copies of the state game and fish laws can now be secured by applying to State Game Warden J. W. Baker, of Cottage Grove.

## CUT WITH A RAZOR

THE ASSAILANT AND HIS VICTIM WERE PARTNERS.

Three Razors Had Been Taken From the Batch of Prisoners, But One Had Been Overlooked—Rodgers, Who Did the Cutting, Was in For Giving the Others Liquor After Their Imprisonment—Bradford, Who Was Cut, Is in Hospital.

As a result of a murderous attempt on his life made by his partner, John Rodgers, J. F. Bradford is now in the hospital with his head badly slashed and the end of one finger gone.

Rodgers and Bradford were both prisoners in the city jail, having been run in last night. Bradford and J. M. Black were arrested early in the evening for peddling jewelry, and Rodgers was locked up later on, being caught in the act of giving alcohol to the other two inside the jail by means of a tin funnel.

All parties were searched by the night officers when they were locked up, and among the articles found were three razors and four watches. In the box with the latter was an invoice for the stuff made out to J. F. Bradford, La Grande. Consequently, it is presumed the men had purchased the jewelry from some jobbing concern and were peddling without a license.

The story of the Indian prisoners is that the two men first became engaged in a quarrel and a scuffle over some difference between them. They then lay down to sleep, and soon thereafter Rodgers is said to have gotten up and attacked his former partner with a razor which he took from his high top shoe. In the mix-up Bradford was cut from the left eye back through his left ear, along the top of his head, and the end of his right middle finger was cut off. A slash down his back cut his clothing, but made only a scratch on his body.

No outcry was made by any of the prisoners, and that the fight had occurred was first learned by some boys who looked into the jail as they passed. They then saw Bradford covered with blood, and immediately told Officer Coffman of the fact. The latter with Deputy Glenn Bushie, at once went to the jail and removed the injured man. Dr. Cole was summoned and with the assistance of Dr. Lieutenants Bradford's wounds were dressed, and he was taken to the hospital.

Rodgers and Black were taken from the city lockup to the county jail for safer keeping. Rodgers is said to be a hard looking citizen, and it is the belief that he intended to kill his partner.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick. Backache and many kidney ills follow;

Urinary troubles, diabetes. Doan's Kidney Pills cure them all. Pendleton people endorse our claim.

W. Wells, residing at the Palace Lodging House, Main street, says: "Doan's Kidney Pills are a most excellent remedy for the back and kidneys and I heartily recommend them to anyone in need of such a medicine. For more than a year I suffered heavy aching pains across my joints and back. When I stooped I had to be very careful in straightening up if I did not want to suffer severely. When I caught the cold it invariably settled in my back and kidneys and aggravated the complaint. I had little faith in Doan's Kidney Pills when I went to Brock & McComas Co.'s drug store for them, but they helped me from the first and a continuation of their use corrected the kidney difficulty and relieved the aching in my back and joints. I have recommended this remedy to others and know of several who have used them with the most satisfactory results."
