**THE WOMEN'S CLUBS**

**Thursday Afternoon Club Banquet.**  
Brilliant and sparkling was the twelfth annual banquet given by the Thursday Afternoon club on Thursday evening, at the home of Mrs. A. D. Stillman on Water street, to the members of the club and their husbands.  
The affair took the form of a "Colonial High Tea," of ye olden time. The club members were arrayed in colonial gowns, with powdered hair and tinted cheeks. The menu was tastefully chosen from the favorite dishes of ye olden time and was prepared and served with excellent skill and grace.  
The beautiful dining hall was decorated in potted palms and ferns, the tables were decked with hooded candelabra, whose softened lights added delicacy and sweetness to the scene. Forty-two plates were laid, and when all was ready for the banquet to begin, a Boston roast pig, presented by T. G. Halley, was brought in on a platter, and after an invocation by Rev. Henry Dixon Jones, Mr. Halley carved the pig and ye olden guests partook of the repast.

Mrs. T. G. Halley gracefully and ably acted as toastmistress, and introduced the speakers, who enlivened the banquet by appropriate addresses and readings.  
Each person present was presented with a card, bearing the name of one of the distinguished colonists, and it was a pleasant and unique scene, when "Col. Greene" and "Gen. Washington" were called upon to search out "Lady Greene" and "Lady Washington" from among the guests. Roy Raley enjoyed the distinguished honor of assuming the title of "General George Washington," and Mrs. T. G. Halley proved to be the modest and retiring "Martha Washington," of the evening.

During the entire program Professor McMinn at the violin, and Mrs. William Krassig at the piano, played delightful music of ye olden times, and the guests arose to sing "America," "The Star Spangled Banner" and to toast President Roosevelt, "Our Teddy."  
The program was delightful, and in addition to the prepared speeches and readings, was made bright by repartee and impromptu remarks by Judge Lowell, T. G. Halley and Dr. C. J. Smith.

The program as rendered was as follows:  
"The Well of St. Kyne," by Rev. Henry Dixon Jones.  
"George Washington," Judge Stephen A. Lowell.  
"The Simple Life," Dr. C. J. Smith.  
"Race Suicide," T. G. Halley.  
Old Time Song, Mrs. Mary J. Lane.  
"Hit the Trail," Dan F. Smythe.

**THE LAXATIVE OF  
KNOWN QUALITY**

There are two classes of remedies; those of known quality and which are permanently beneficial in effect, acting gently, in harmony with nature, when nature needs assistance; and another class, composed of preparations of unknown, uncertain and inferior character, acting temporarily, but injuriously, as a result of forcing the natural functions unnecessarily. One of the most exceptional of the remedies of known quality and excellence is the ever pleasant Syrup of Figs, manufactured by the California Fig Syrup Co., which represents the active principles of plants, known to act most beneficially, in a pleasant syrup, in which the wholesome Californian blue figs are used to contribute their rich, yet delicate, fruity flavor. It is the remedy of all remedies to sweeten and refresh and cleanse the system gently and naturally, and to assist one in overcoming constipation and the many ills resulting therefrom. Its active principles and quality are known to physicians generally, and the remedy has therefore met with their approval, as well as with the favor of many millions of well informed persons who know of their own personal knowledge and from actual experience that it is a most excellent laxative remedy. We do not claim that it will cure all manner of ills, but recommend it for what it really represents, a laxative remedy of known quality and excellence, containing nothing of an objectionable or injurious character.

There are two classes of purchasers: those who are informed as to the quality of what they buy and the reasons for the excellence of articles of exceptional merit, and who do not lack courage to go elsewhere when a dealer offers an imitation of any well known article; but, unfortunately, there are some people who do not know, and who allow themselves to be imposed upon. They cannot expect its beneficial effects if they do not get the genuine remedy.

To the credit of the druggists of the United States be it said that nearly all of them value their reputation for professional integrity and the good will of their customers too highly to offer imitations of the

**Whiskey and Beer Habit**  
PERMANENTLY CURED BY

**ORRINE,**  
ABSOLUTELY SAFE, SURE AND HARMLESS.  
Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupifies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membrane. ORRINE permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. Can be given secretly if desired.

**Cure Effect or Money Refunded.**  
Ask your druggist whom you know what he thinks of ORRINE; he will endorse our statements as truthful in every respect. If ORRINE fails to cure we will refund you every penny paid for it as cheerfully as we took it.

**No Sanitarium Treatment or Publicity!**  
No Absence from home or loss of time!  
Mothers, wives and sisters, you cannot cure those who are afflicted with this most terrible of all diseases by your fervent prayers, or eyes red with tears, nor by your hope that they may stop drinking. It can be done only with ORRINE. You have the remedy—will you use it? If you desire to cure without the knowledge of the patient, buy ORRINE No. 1; if the patient desires to be cured of his own free will, buy ORRINE No. 2. Full directions found in each package. Price \$1 per box.
