OLDEST CONDUCTOR.

Henry J. Negus Run Trains 1,500,000 Miles in 43 Years.

The oldest conductor attending the session of the Order of Railway Conductors in Portland, both in point of age and of service, is Henry J. Negus of Brazil, Ind., a member of Terre Haute division No. 92. He is 81 years of age, began railroading March

16, 1853, and ran trains for 43 years. He estimates that his run averaged 100 miles a day, and that he has run trains for a distance of 1,500,000 miles.

Mr. Negus was retired in 1896 because of his advanced age. He has not been actively employed since that time, although he retains his connections with the Order of Railway Conductors, and but for his eyesight would still be able to run trains. He is as active physically and mentally as men many years his junior.

CAUGHT BY WOMAN IS WESTON'S GAME

MRS. LAPHAM STOOD PAT WITH HER RIFLE.

Only a Chance Which Saved the Life of a Burglar—With an Accomplice He Had Stolen \$75 Cash, a Portion of Which Was Recovered—His Pal Made His Escape—The Captive Is in Jail to Await Trial for Burglary and Robbery.

Richard Smith, aged 19, and as youthful-looking as his age would indicate, is now in the county jail for having robbed the dwelling of B. R. Lapham at Umatilla Saturday night.

Young Smith was brought here yesterday morning by Deputy Sheriff Hunt of Umatilla. According to the story told by the Laphams Smith, with an accomplice, entered the rear of their house Saturday evening while both Mr. and Mrs. Lapham were working in the garden. Mrs. Lapham happened to enter the house through the front door and saw young Smith in the kitchen, while the other man was keeping guard just outside the rear door. She immediately picked up a Marlin rifle, and aiming it at Smith, pulled the trigger. However, the loads were all in the magazine of the gun, or the youthful burglar might not now be alive. Mrs. Lapham then called to her husband, and they held Smith a prisoner. However, the man outside escaped and could not be found anywhere in that vicinity.

The appearance of things in the Lapham kitchen showed that the two men had helped themselves to a supper before \$75 in money was taken from the house, and of this amount \$58 is said to have been found on young Smith.

On being examined by Sheriff Taylor this morning Smith admitted his guilt and said he had just reached Umatilla Saturday morning. Nothing has yet been found of the second man in the case. A black mask, such as are worn at masquerade balls, was found on young Smith when he was examined here.

TWO SUSPECTS ARE ARRESTED.

Believed to Be the Parties Who Robbed the Clarke Store.

Pat Kelley and Jack Brenard, believed to be the parties who robbed the Clarke hardware store last winter, are now said to be in jail at North Yakima. They were arrested there for a similar crime, and unless convicted will be brought here for trial. The identity of the men has been proven by pictures, and also by the fact that when caught one of them had a pistol corresponding in number with one that was stolen from Clarke & Co. last winter.

DEATH OF MRS. TACHELLA.

Resulted From Complications Following Typhoid Fever.

Mrs. Maria Tachella, wife of Peter Tachella, of Saxe Station, died at her home at that place at 5 o'clock this morning. Death was the result of complications arising from an attack of typhoid fever.

Mrs. Tachella was 53 years old at the time of her death, and has been a resident of this county for many years, being one of the pioneer women of the county. She is survived by her husband and four children.

The funeral services will be held here tomorrow morning at 10 o'clock from the Catholic church, and the services will be conducted by Father Treveil.

Eighty-five Passengers From Weston.

Eighty-five people came down on the excursion from Weston yesterday which arrived about noon, and left in the evening at 7 o'clock. Quite a number came down for the purpose of attending the Good Roads and Development League conventions, and did not return with the train in the evening.

Four cases came before Judge Fitz Gerald in the police court this morning. They were Tom Farrell and Manuel Allard, drunk on the streets, each fined \$5, and Arch Arnold and Shad Stephens, disorderly conduct, forfeited \$5 bail each.

SCORE STOOD FOUR TO THREE FOR VISITORS.

The Weston Pitcher Won the Game. Being Swift and Skillful—Pendleton's Errors Were the Most Costly—Local Fans Astonished, Grieved and Disappointed.

Once more Weston has won from Pendleton on our own diamond, and thereby again demonstrated that the strength of a ball team is not to be judged by the size of the place from which it comes. After Pendleton had wiped the earth with Walla Walla only a week ago, it seemed to many that surely Weston would be but a plaything for the local team. But it was not so.

The game yesterday was won by Weston simply because the Pendleton batters were not equal to the fast pitching of La Brasche, Weston's new twirler. Time and again good batters went before him and were struck out as though hypnotized. However, it was an interesting game anyway, and it belonged to either side almost to the end. Most of the innings were shut-outs for both sides, and all of Pendleton's three were made in one inning. A few errors were made on both sides, but the more expensive ones were by Pendleton. The last run, and the one which placed Weston in the lead, was made possible by the fumble of a simple infield grounder.

The following is the score in detail:

WHITMAN'S FRIEND DEAD.

Dr. O. W. Dixon, Benefactor of Walla Walla College, is No More.

Dr. Oliver Woodson Nixon, for many years associated with the Chicago Inter-Ocean as literary editor, is dead at Biloxi, Mass., says the Walla Walla Statesman. Dr. Nixon was a member of General Pope's staff, having been medical director of the army of the Missouri. He established the Evening Chronicle at Cincinnati in 1870 and with his brother, William Penn Nixon, consolidated it with the Cincinnati Press. The two brothers in 1878 joined in the purchase of the Inter-Ocean. Dr. Nixon was the author of several books, one of them being, "How Whitman Saved Oregon."

Dr. Nixon was a great friend of Whitman college, and it was through him that Dr. Parsons was induced to endow the college so handsomely. Dr. Nixon has visited Walla Walla several times and on one occasion delivered a lecture at Whitman college.
