DAILY EVENINGEDITION

The prime essentials to success in business are advertising, good goods and courteous streatment.

DAILY EVENINGEDITION

WEATHER FORECAST.

Showers tonight. Friday showers and cooler.

NO. 5368

VOL. 18.

PENDLETON, OREGON THURSDAY, MAY 25, 1905.

FREIGHT RATES

New Oregon Railroad & Navigation's Schedule Will Go Into Effect June 1.

PENDLETON CLASS RATES

WILL NOT BE AFFECTED.

Muny Commodity Rates Are Eliminat-Broducts, Lumber, Conl and Livestock Are Not Clunged-Old Tariff Exceptions to Western Classificamum Weight of Sugar Cars Raised 66000 Pounds -- Shew Switching (Charges.

TE. C. Smith, agent of the O. R. & N. Co., is in receipt of tariff No. L421, naming class and commodity rates between Portland, East Portland, Albins and points in Oregon, Washing-ton and Ideho. The turiff is effect-ive June 1, and supersedes tariff No.

Class rates to La Grando, Baker City and Huntington are reduced, as well as class rates to Lewiston, Spokane and several points in the Palouse country. Rates on grain, flour, pota-toes, onions, armber, sait, hay, conl-ard livestock are not changed. A new provision is made for shipments of hay, the minimum carload weight being based on the length of the car

Under the seld tariff maximum rates were one-half of chass or commodity rates applying from Missouri victor is climinated in the new tariff.
Maximum rate of 80c on agricultural implements and vehicles. implements and vehicles, fess than carload, is also eliminated. Hereafter these rates will be in accordance with western classification.

The old tariff provided for a num-

ber of exceptions to the western classification which are now eliminated. THE DELITIES WAR i. c.: One-half rate on safes returned for repairs, provision for lumber rates to apply on barrel stock, fourth-class rate on beans and peas, less than carload, and first-class rate on ship-ments of clothing in bales, enc-half first-class rate on empty seed boxes returned, less than carload, first-class rate en water tanks for separators, and oil in jacketed cans at same rate as off in cases. Hereafter rates on commodities will be governed by the western classification. Under the Gd tariff grain bags

rated at half of first-class rate, but are now rated as fourth-class. The minimum weight of sugar is advanced from 24,000 pounds to 20,000 pounds Provision is made for exper in mixed fifth-class rate. The rate of 55c, less than carlead, and 25c caroad, on cere als now applies to Baker City amo points west. The rate & Huntington and points east of Baker City on the same commodity are 30c carloads, and 82c less than carloads. The rate on ferniture in mixed carloads re-mains the same, but a rate of 60c cn fron beds, stenight carloads, bed room sets, straight carloads, and chairs, less than regular dariff.

Among the special commodity rates which are now eliminated are the fol-Rate of 30e to Portland or second-hand bags, carloads, special rates on beer from Portland. loads or less than carloads, applying to Arlington, Heppner, Eigin and Huntington; rate of the on blue vitriol, carloads, and 46c rate on tin cense and was found guilty by Pro cans, carloads; 45c rate on nails, epikes and wire; rate of 20c, carloads, on poultry food; rate of \$5c on stoneware, carloads, applying from Fort-county of violation of the recently land to Spokane and Pendleton, and enacted peddler license law, and is pain's north of Pendleton; rate of \$4 of added interest because it involves tone on coke, carloads, Portland construction of the United States ipto Baker City, rate of 50c, less than terstate commerce law. Portland all points; rate of 25c and 59c each on barrels and empty oil tanks, ed to Portland. Hereafter, returned to Portland. nails, spikes and wire will not mix in

for mixed loads of vegetables from Portland to Spokane, Pendleton and points north of Pendleton; also 29c there will be a settlement outside the Portland to Spokane, Pendleton and points north of Pendleton; also 29c courts. rate on carloads of vegetables taking class C rates from Portland to Walla

................ Big May Corn Profits,

Chicago, May 25 .- The corner in May corn said to be engineered by James A. Patton • and William H. Bartlett, ended • today in a settlement by the shorts at 65c. May opened at 68c, and after the settlement dropped to \$1c amid exciting 6 times. It is said the leaders of the corner took big profits on the 12,000,000 bushels

Walla and Pendleton. Both of thes rates have been eliminated.

Under the old tariff there was no switching charge from lumber mills and Standard Oil plants located on Southern Pacific tracks in East Portland. Under the new tariff a switch-ing charge will be made for carloads handled from these industries, in addition to regular sariff.

RUNNING OUT GAMBLERS.

Seattle, May 25 .- Ballard is to have no more gambling. Such is the decision of the chy's mayor and chief of police. For some time the city of smoke-Macks has been overrun with gambling of all descriptions, and even the finditionable ladies of the place were beginning to take the vice up Everywhere betind closed doors poke games were in progress and the young funy Commodity Rates Are Eliminat-men of the place were beginning to cell—Rates on Many Agricultural spend their entire time in the numer-Mayor Zook and Chief of Police C
