### Flynn Is State Deputy.

Baker City has again been highly honored in Oregon by the selection of one of its leading citizens to a high office in the national councils of the fraternal order of Eagles.

Notice was received yesterday from Hy D. Davis, grand worthy president of the order, Kansas City, of the appointment by him of Mr. Charles I. Flynn to the position of state deputy grand president.—Baker City Democrat.

### Only 8000 Shares Sold.

The sale of stock in the well known Jumbo mine at Buffalo Hump took place yesterday and less than 8000 shares were offered, which were taken by an Iowa man. The Jumbo stock totals 1,500,000 shares and the assessment made of three cents reached an aggregate of \$45,000. That only 8000 shares went to sale shows the confidence the stockholders have in the mine.—Lewiston Tribune.

### North American on its Feet.

The North American Mining company is again on its feet. It will be remembered that the company passed into the hands of a receiver some four months ago as things were pretty well muddled up. Last week claims against the company amounting to \$23,000 were settled by D. W. C. Nelson, the assayer of this city. Mr. Nelson was subsequently elected secretary and general manager of the company and he reports that the mine at Burckmont will be started up again soon with plenty of money to back it.—Baker City Herald.

### Smut Fire on the Cowiche.

Smut caused the explosion of a threshing machine on the Cowiche last Friday. The machine was on the Lesh place and had just started to thresh the Lesh crop. The loss is not heavy. The machine belonged to a company of Cowiche farmers.—North Yakima Republic.

### Title Is in Dispute.

Attorney Charles H. Carter left for Milton this morning to make investigations in a case that has been brought against one of the school districts of that section by a man who claims title to the school property.

Speaking of Preston W. Search, who will lecture at the Christian church next Monday evening, the Lewiston Daily Tribune says: "Music in the Fatherland" was presented last night in a manner surpassing the highest expectations of his audience. An analysis of the lecture cannot be given here. His audience sat thoroughly entranced. His interpretation of Wagner's Meister-singer and Tannhaeuser was a revelation."  
Mr. Search's subject here will be "An Evening with the Master Musicians."

### "THE CHAPERONS" COMING.

Miss Floyd, With the Company, Has a Reputation as a Swimmer.

While "The Chaperons" was filling its opening week engagement at Atlantic City, Miss Ruth Lloyd gained an enviable distinction and the promise of a government life-saving medal when she rescued a young boy from drowning.

Miss Lloyd is an expert swimmer and has won many long-distance and speed matches, and created something of a sensation last summer by saving the proprietor of a New York

Hudson river bathing establishment for \$5000, because he requested her to retire to her dressing room on the ground that the skirt of her costume was too abbreviated. The suit never came to trial, because the proprietor of the bathing place made a public apology which was printed in all the New York papers at the time.

"The Chaperons" will appear at the Frazer next Sunday, September 24.
