## FIRE IN RESIDENCE

FURNITURE AND INTERIOR CONSIDERABLY DAMAGED.

Much Damage Done by Chopping Through Hardwood Finishing to Reach the Fire, Which Was Extinguished With a Garden Hose Before the Department Arrived—Believed That the Fire Originated From the Steam Pipes—Loss Fully Covered by Insurance.

About 6 o'clock last evening the residence of C. E. Roosevelt, on Jackson street, caught fire, and as a result about \$1000 worth of damage was done to the interior of the house and furniture. According to Mr. Roosevelt the fire evidently caught fire from the steam heating pipes between the walls, for all of the blaze was located between the walls.

As soon as the fire was discovered an alarm was sounded for hose company No. 3, and they responded promptly. However, they were not allowed to use their hose as the flames were extinguished by the use of a small garden hose, operated by several neighbors. In order to get to the fire it was necessary to chop through the hardwood walls, and thus considerable damage was done to the finishing work of the house.

However, the loss was fully covered by insurance. The house had just been remodeled and enlarged by Mr. Roosevelt during the past summer.

### DAMAGES FOR SPITTING.

C. F. McKinney Pays \$1100 for Expediting in the Face of His Neighbor.

Will R. King, the well known attorney of Ontario, who is in the city today, has just returned from Burns, where he conducted a successful damage case brought by C. A. Sweek, against C. F. McKinney, winning the case and securing \$1100 damages from McKinney for spitting in Sweek's face in Harney county a few years ago.

The case is important in Oregon legal circles because it is the first of the kind ever settled by law in the state—such matters usually being settled out of court, especially in Harney county.

Mr. King is pleased with the success of the trial and believes it fixes a precedent in the state. This was the second trial of the case, the first having failed of issue because of a hung jury. It is probable the case will go to the supreme court.

Both Sweek and McKinney are large men, Sweek weighing 320 and McKinney 280 pounds and both men of courage and nerve, but Sweek is

### Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
