there was but standing room only. If the first night's attendance is to be taken as a criterion, the stay of the Empire company in Pendleton will certainly be successful. They will be here for eight nights, concluding their stay next Monday.

The company is a large one of its class and for a 10, 20 and 30-cent attraction it is certainly an exceptionally good one. Tonight the sensational comedy drama, "The Diamond Neck-lace Robbery," will be played.

C. L. Hunt, chief quartermaster's clerk at Vancouver barracks, is the guest of Judge and Mrs. Thomas Fitz Gerald. However, on reaching San Francisco he found other orders awaiting him and he did not go to the islands. His position is under civil service rules and he practically has charge of the quartermaster's department at the barracks, the officer detailed as quartermaster being but nominally in charge.
