

# \$909.<sup>80</sup> gain in 11 days

The last two weeks' business has been by far the largest in the history of our Pendleton business career, and it is our aim to make the month of November the banner month of any since we started, the first 11 day of this month we had an INCREASE IN OUR SALES OF \$909.80 over the same month of last year. There must be a cause for this marvelous growth. Yes, there is; and a good one, too. When you compare our prices with those of our competitors, you will at once understand why our business is increasing so rapidly. Below we give you a few specials for MONDAY, TUESDAY and WEDNESDAY:

### Lilliputian Sisters Friday Night.

These little people, only 46 and 49 inches in height, about the size of an 8-year-old child, will give an entertainment consisting of song, recital and tableaux at the Thompson street M. E. church. Dr. House of the First Congregational church, Portland, says of them: "The Lilliputian sisters gave a very fine and most unique entertainment in our church and delighted all our people. From beginning to end the interest increased and all hope they may come again." The children are delighted; everybody is instructed and amused.

### Baptist Church Tonight.

The pastor will preach again this evening. Subject is "The Christian's Burden." Let all save the evening for this service. We want others to join the chorus choir. Come and give your voice to the Lord in loving service.

**KILLED BY POLICEMAN.**  
Robbing Mill to Relieve His Family's Hunger.  
The Dalles, Ore., Nov. 21.—Charles Jones was killed instantly by Police-man Ralph Gibbons at 9 o'clock last night while resisting arrest for stealing flour at the Diamond Flour mills. He leaves a wife and several children in destitute circumstances.  
For several years the manager of the Diamond mills has known some one was stealing flour from the mill, and three weeks ago put the case in the hands of the officers. Last night Gibbons learned Jones had been seen on a back street going toward the mills, and he hastened to a place of hiding in the rear of the flour house.  
Scarcely had he secreted himself when he heard some one pass through a narrow alley between the mill building and a feed yard, then enter the flour room by a rear door. Soon Jones came out, and when within a few feet of where Gibbons was secreted the officer threw a flashlight on him and commanded him to throw up his hands. Jones obeyed, and Gibbons, holding his dark lantern and pistol in his right hand, proceeded to search his prisoner for weapons, as Jones was known to go armed.  
**Desperate Battle.**  
As the officer was searching him Jones seized Gibbons' pistol and tried to turn it on the officer.  
A fierce struggle ensued, Gibbons all the while trying to keep the gun pointed toward Jones and pulling the trigger whenever the pistol was pointed toward his antagonist. Two balls took effect in Jones' body, one in the breast passing through his heart, and the other in his hip.  
At an inquest before Coroner Burget this forenoon the verdict was justifiable homicide. Jones was about 40 years of age.

### THEATERS ARE DANGEROUS.

Held That Children Should Be Attended by Guardians.  
Los Angeles, Nov. 21.—The annual session of the federated child study circles is in session today. Mrs. W. W. Murphy, president, recommended city ordinances to prevent children attending theaters without guardians. It was argued that cheap theaters are the greatest cause of the deteriorating of homes. Mrs. Murphy, the president, and all the officers were re-elected.

### Declared Out of Order.

Pittsburg, Nov. 21.—The Federation of Labor this morning heard introduced a resolution denouncing the Western Federation of Miners. It was declared out of order.

### NEW FOOTBALL TEAM

TO BE ORGANIZED FROM THE COMMERCIAL CLUB.

Provisional Lineup Is Subject to Amendment After a Thorough Try-out Under Director Wilson's Supervision—Meeting for Organization and Discussion Will Be Held in the Gymnasium Tomorrow Evening—Good Material Is in Sight.

Arrangements are now being made for the formation of a Commercial association football team, and from present indications an eleven will be secured that will reflect credit upon the club. For several days past Director Wilson has been consulting with prospective players, and he has been very successful in lining the mup.

Among those who are being proposed for the different positions are Coon for center, Knight and Halley for guards, Harris and Kelly for tackles, Hupps, Minkley and Finch for ends, Henshaw for quarter, Goodman and Wilson for halves, and Lytle for full-back.

However, when practice commences the men will be given a good tryout, and whoever shows up the strongest will be given places on the team. All club members are invited to take part in the practice, and it is probable that quite a number aside from those named above will don suits. Practically all of those named have had football experience, and it is thought a good team can be selected. Among others who may join in the game are Cooley and Baum, both of whom have played good ball in the past.

Tomorrow evening a meeting of the squad will be held in the gymnasium and arrangements will be made for practice. It is the intention to arrange for a game with the high school, and if sufficient interest is aroused challenges will be sent to La Grande, Baker City, The Dalles and other towns of eastern Oregon having teams.

**New Student for College.**  
Earl Camp, of Galloway, Morrow county, Ernest Guesey, a former Weston Normal school student, and Bert Whitman, formerly in the office of Assessor Strain, have entered Pendleton Business college. All are taking the full course.

An effort is being made to erect a \$20,000 monument over the Confederate veterans buried in the National cemetery at Arlington.

**New Hospital Apparatus.**  
F. M. Oliver, who has been engaged in the construction of a patent device for lifting patients at hospitals, has just completed one of the machines, and will install it in St. Anthony's hospital in a short time. It promises

to be a great convenience in hospitals and sick rooms and Mr. Oliver has applied for a patent upon it.

The exchange of the ratified treaty between Russia and Japan will take place November 22, in Washington.
