TALK OR TALCUM?

If you are buying talk then buy anything the dealer may choose to say is "just as good."

If you are buying talcum, then MENNEN'S BORATED TALCUM is the only preparation which you can buy with satisfaction.

"Talk is cheap," Talcum, however, is not so cheap, because it costs the dealer more and makes his profit less. That's why he'd sooner sell you talk than "talcum" of the Mennen Brand.

Don't be talked out of buying Mennen's Borated Talcum, the only powder which can be used with safety and satisfaction.

Have you tried MENNEN'S VIOLET BORATED TALCUM TOILET POWDER? It's fragrant with the odor of fresh plucked Parma Violets.

GERHARD MENNEN CO., Newark, N. J.

A GIRL LOOKS "FAIRLY IN IT."

when laundry work is suggested, but experience teaches that as a rule, home laundry work is not a success. The average housewife has not the facilities for turning out good laundry work, and it is awfully hard and trying work when done well. We have exceptional facilities for doing quick, clean and thorough work, we never injure fabrics, and we always have work done and delivered on time.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Pendleton People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Pendleton.

Mrs. E. J. Meiners, of 521 Lewis street, Pendleton, Ore., says: "We have used Doan's Kidney Pills in our family for several years. About two years ago a cold settled in my kidneys and back and caused a good deal of pain and backache, as well as annoyance from the kidney secretions. My back and loins were lame and sore, companied by sharp twinges of pain. At this time Doan's Kidney Pills were recommended to me and I began using them. They brought relief at once and banished the entire trouble. Since then when I have caught cold I have felt a slight recurrence, but the use of Doan's Kidney Pills has removed the annoyance promptly. We wouldn't be without this remedy in the home for anything, knowing it to be one that has genuine merit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

PARTISANISM CHARGED.

South Carolina Congressman Says the Northern States Are More Favored.

Congressman Asbury F. Lever of South Carolina, scores the postoffice department for partisanism in the distribution of rural mail routes. In a speech in congress this week he said:

In the 12 so-called southern states, with a population of 21,713,000, in round numbers, there were in operation on January 2, 1906, 8695 rural mail routes, while in the four states of Illinois, Indiana, Iowa and Kansas, with a population of 11,038,000, in round numbers, there were in operation on the same date, 8510.

These four states, with only half the population, have as many routes in operation as all of the southern states combined. In the south there is a rural route in operation for every 2500 of its population, while in the four states mentioned there is a route in operation for every 1400 of population. The state of Kansas, as rock-ribbed and everlasting in her republicanism as South Carolina is in her democracy, and with a population of only 130,000 more than South Carolina, had in operation 1555 routes, as against 532 for South Carolina—a difference of over 1000 routes in favor of republican Kansas.

In South Carolina there is only one rural route for every 2500 of population, while the unit of population for rural service in Kansas is only 950, and the density of population of South Carolina is greater, by far, than that of Kansas. Republican Oklahoma, with a population of only 398,000, has in operation 594 routes—62 routes more than in my own state of South Carolina with a population four times as great.

Human Blood Marks.

A tale of horror was told by mark of human blood in the home of J. W. Williams, a well known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures hemorrhages, chronic coughs, settled colds and bronchitis, and is the only known cure for weak lungs. Every bottle guaranteed by Tallman & Co., and the Pendleton Drug Co., druggists. 50c and $1.00. Trial bottle free.

Boise Has an Experimental Farm.

The dry farming committee of the Board of Trade has appointed Mr. Fred La Pash to manage the experiment farm which the committee will work this season under the direction of Dr. Cooke.

The farm will be seeded to several varieties of small grains, vegetables and forage crops, particularly dry land alfalfa.

The committee has no more seed on hand for distribution to ranchmen throughout the county, but has arranged to fill all orders that may be sent in.—Boise Capital News.

Hand Burned By Alcohol.

While in a scuffle the other day J. L. Ross got his hand hurt and to take the soreness out tied it up with a cloth and saturated the cloth with alcohol. He thoughtlessly struck a match when the flame set the alcohol to burning. Before the cloth could be removed the whole back of his hand and fingers were badly burned, being one solid blister and causing him terrible pain.—Arlington Record.

Woman's Nature Is to love children, and no home can be completely happy without them, yet the ordeal through which the expectant mother must pass usually is so full of suffering, danger and fear that she looks forward to the critical hour with apprehension and dread. **Mother's Friend,** by its penetrating and soothing properties, allays nausea, nervousness, and all unpleasant feelings, and so prepares the system for the ordeal that she passes through the event safely and with but little suffering, as numbers have testified and said, "it is worth its weight in gold." $1.00 per bottle of druggists. Book containing valuable information mailed free.

ATHENA BREVITIES

TWO GREAT GAMES OF BASEBALL SCHEDULED.

Great Interest Is Shown in the Result of the Primaries—North and South Athena the Only Democratic Precincts in the County—Hands Severely Burned by Gasoline—Death of A. C. Russell at Portland—Rev. Ellis and Wife Visiting in Portland.

Athena, April 20.—The Yellow Kids and the Spokane league team will cross bats at Athena Saturday, and Sunday they will meet on the Pendleton diamond. Two first-class games are expected between these two famous teams. A large crowd is expected in Athena Saturday, and hundreds will attend the game at Pendleton Sunday. Bruce Wallace, the druggist in this city, has been elected manager of the Yellow Kid team.

Primary Today.

Considerable interest is being shown in the primary at this place today. The registration books show that North and South Athena are the only precincts in Umatilla county with democratic majorities. There is no opposition to the democratic candidates, but an interesting fight is expected on the republican side.

A number of Athena people are very much worried over the terrible catastrophe which has befallen the people of San Francisco and vicinity, a number of people here having relatives there.

W. L. E. Payson, formerly of this city, passed through yesterday in an automobile selling the Walla Walla Union, which paper was sold between Walla Walla and Pendleton on account of the San Francisco disaster.

Charles Gay, who runs a confectionery store in this city, had his two hands severely burned Tuesday evening by gasoline while he was at work on his peanut roaster. In some way the gasoline exploded and his hands were burned before he could make good his escape.

Death of A. C. Russell.

A. C. Russell died at the Good Samaritan hospital in Portland Friday of La Grippe, aged 71 years and three months. Mr. Russell sold his farm west of Athena to G. W. Hansell two years ago and has since been living at Roseburg. He was born in Ohio and spent about 20 years of his life in Iowa, from which state he came to Oregon. He leaves a wife and three sons. The funeral took place in this city Monday.

Mrs. Alf Johnson, of Pendleton, has been visiting friends in the city for some days.

Last Saturday afternoon the children of the Baptist Sunday school were given a grand treat in the way of a straw ride. A four-horse team was hitched to a wagon on which was a hay rack filled with straw on which were seated the large crowd of happy children. They drove to the home of Mrs. George Foster, where a bounteous lunch had been prepared. Rev. Ellis accompanied the crowd.

Merl Roby, recently of Milton, has accepted a position as salesman in the dry goods department of the Mosgrove Mercantile company's store.

City, where they will visit with relatives.

W. J. Wilkinson has been sued by Worthington & Thompson in the circuit court to recover $650, alleged to be due upon an account for merchan-

M. W. Smith, O. R. & N. agent, is taking a six weeks' vacation. J. S. Dobin is working in his place and is assisted by Telegrapher H. W. Nelson, of Weston.

Interesting Easter services were held at the M. E. church Sunday morning.

Rev. and Mrs. George T. Ellis left the early part of the week for Baker dise. It is thought other actions will follow, as it has developed that since Wilkinson's wife sued him for divorce he was more heavily involved than was at first believed.

BRIEF NOTES MILTON AFFAIRS.

A Wedding, Meeting of Attorneys and Sale of Bankrupt Stock.

Milton, April 20.—A quiet, but happy wedding took place Sunday at the home of Mrs. William Vedder, six miles west of Milton, when Mr. Thomas Owens was united in marriage to Miss Cora Vedder. The groom is the only son of Mr. and Mrs. Owens, who now reside near Helix.

Water Suit.

A meeting of all the attorneys of all parties interested in the Peacock Mill company's water suit will be held in Pendleton Monday next, at which time a motion will be made to set a date for the hearing of the case.

Bee Hive Stock.

The sealed bids for the Bee Hive bankrupt stock was opened Tuesday, six bids being received. Henry Burton, of Portland, whose bid was 67½ per cent of the invoice price, received the stock. It is understood that Mr. Burton will open the store and conduct a general merchandise store. The invoice price of the stock was $10,904.45.

A Food for Both

ADAMS HAPPENINGS

FERGUSON WITNESSED EARTHQUAKE OF 1851.

Two Ladies Were in Serious Runaways—Resumed Her Studies at Whitman College—Fred Blake Has Recovered From Illness—Bringing in Stock for New Lumber Yard—Returned to Canada After a Protracted Visit—Returned From Idaho, Where They Filed on Land.

Adams, April 20.—C. S. Ferguson, postmaster at this place, states that he was in Placer county, California, about 200 miles from 'Frisco in 1854, when one of the first earthquakes known in California, struck that region. He says that it happened at this season of the year at near the same date, when the country was first being settled and very little damage was done. At that time nothing was shipped out of California but gold, and very little was shipped into the country. The next one occurred in 1868.

Runaways.

Mrs. Pierce, who was in the city the early part of the week, met with an accident near Eastland, where her horse became frightened at an automobile. The horse ran and she was thrown out of the buggy and considerably bruised.

Mrs. Ed Redford, who lives near the city, was driving from Pendleton a few days ago, when her horse became frightened, throwing her to the ground. She was found unconscious, but was soon restored by the aid of the city physician, Dr. Todd.

New Buggy.

Dr. Fred Lieuallen, the Helix physician, has received a handsome rubber-tired buggy which he has taken from here to Helix to use in his practice there.

The Easter exercises at the Methodist church last Sunday were well attended last Sunday and were very well carried out.

Mrs. J. H. Ferguson, of Pendleton, has been the guest of Mrs. John Giess in the city for a few days.

Miss Winnie Giess returned to Walla Walla last night to resume her studies at Whitman college, after spending her Easter vacation at home.

John Baker and Mrs. Carpenter have returned from Idaho, where they have been filing on land near Cambridge.

A number of Adams people expect to go to Pendleton next Sunday to take in the ball game between Spokane and the Yellow Kids.

Henry Boyne is again behind the counters at the store after being in Idaho for some weeks on business.

Miss Mary Darr, who has been teaching school in the vicinity of Cold Springs, has returned home.

Miss Pauline Adams, of Walla Walla, has been visiting relatives here for a few days.

Fred Blake is able to be at work again, after being ill for 10 days.

W. W. Richardson, of Pomeroy, a well known wheatgrower of that section, was in Adams the first of the week and went to Helix with his brother Harvey Richardson to visit relatives.

Mrs. Price and Grace Blake were in Athena last Saturday on a shopping expedition.

M. A. Gillis is still shipping in lumber for his new lumber yard at this place.

W. O. Ried and Beda Carlstrom and Mrs. McIntyre and daughter were in Athena last Saturday.

Earl Spencer, Henry Brewster, Ed Whitely and Dr. Todd and wife were among those from here who went to Walla Walla to attend the ball game last Sunday.

Mrs. G. M. Morrison and her mother, Mrs. B. A. Marquis, went to Pendleton Wednesday and returned in the evening.

Harvey Richardson went to Pendleton last evening, where he met his mother and father, who came in from Helix, to take the train for their home in Canada after spending the winter with relatives in this vicinity and at Pomeroy, Wash.

The Yakima Valley Medical association, recently revived, elected the following officers last night: President, Dr. Fletcher; vice-president, Dr. Frank; secretary, Dr. Hilton; treasurer, Dr. Dulin; board of censors, Dr.

CATARRH FIRST A COLD THEN CATARRH THEN CONSUMPTION

A cold in the head is a common ailment, but it rarely ever stops there. It often grows stubborn and protracted, the mucous membranes, or inner lining of the body, become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and soon produces that disgusting disease, Catarrh. Then follow the unpleasant symptoms of "hawking and spitting," ringing noises in the ears, headache, poor appetite, mucus dropping back into the throat, and a feeling of general debility. Every day the blood becomes more heavily loaded with these poisonous secretions, and if the trouble is allowed to run on, the lungs become diseased from the constant passage of poisoned blood through them, and then Catarrh terminates in the most dreaded and fatal of all diseases, Consumption. The only way to get rid of Catarrh permanently is to cleanse the blood, and S. S. S. is the ideal remedy for this purpose. It soon clears the system of all impurities, purges the blood of all Catarrhal matter and poisons, and effectually checks the progress of this dangerous and far-reaching disease. S. S. S. keeps the blood in perfect order so that Catarrh cannot remain; and as this pure, healthy blood goes to every nook and corner of the body, the entire system is strengthened and invigorated, and the symptoms all pass away. Book with information about Catarrh and medical advice free.

I had Catarrh for twelve years and suffered agony with headaches, nose stopped up, appetite poor, felt tired and run-down and unfit for work. I read of S. S. S. and commenced its use, and after taking eleven bottles I found myself a well man. I have never had any return of the disease and I consider S. S. S. the best treatment in the world for Catarrh.
