

Values, Quality, Styles and SATISFACTION

MOST people like the best for the least cost. If you are one of them the best thing you can do is to make this bright, up-to-date store your trading place if you have not already done so. Those who are regular patrons of this store know what it means when we say, larger stocks, better values and better selections than ever before -- values, quality, styles and satisfaction are the main factors in the store's increased business. We never permit the slightest misrepresentation in our advertisements, our constant aim being to retain the large measure of public confidence which we enjoy. For the month of June this store's offerings, consists of unequalled values in Dependable Merchandise. Every article advertised below carries with it absolute satisfaction.
