The End of the World

of troubles that robbed E. H. Wolfe of Bear Grove, Iowa, of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago kidney trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of general debility. Sure cure for all stomach, liver and kidney complaints, blood diseases, headache, dizziness and weakness or bodily decline. Price 50c. Guaranteed by Tallman & Co.'s drug store."

Baker & Folsom wish to suggest some home improvements for you.

Kidney Troubles

are easily relieved and cured in the beginning, but as the disease grows in severity you must find a more potent remedy. Here is where Dr. Williams' Pink Pills excel as a cure. Of course, they give quick relief, but more than that, they give a sure and lasting cure. They positively purify the blood. Sold at 50c a box by Tallman & Co., 631 Main street, Pendleton, Or.

WEATHER CONDITIONS FINE FOR HARVESTING.

Rounding Up Beef Cattle—Carload of 1200-Pound Horses Bought for the Hawaiian Markets—Returned From Ontario, Dissatisfied With the Climate There—B. B. Lane of Pendleton Has Bought the Blacksmith Shop Here—All Livestock in Fine Condition.

Alba, Aug. 19.—Harvest will wind up in about 10 days. The weather has been favorable with only one slight rain to step the progress of storing and stacking. All crops are in good condition.

The next job is the rounding up of the beef cattle and putting them in pastures and have them handy to look at when the buyers come around. Cattle are in good condition this year and prices a little better than last.

There was a horse buyer here last week who bought a carload to ship to Honolulu. He was a native of that country and stated that if his purchase proved a success he would be back here in six weeks and buy more. He paid good prices for 1200-pound horses.

Jim Huston and family have returned from Ontario, where they moved last fall. They do not like that country well enough to settle down and make a home. He says the weather there is as hot as at Pendleton.

Miss Rhoda Hoover and Charles Semple have returned to Pendleton after a week's outing at Hidaway Springs.

Mrs. Elreth and child of Portland, who have been rusticated at the springs, are now visiting at Alba.

A large number of people went to Hidaway today to spend the day.

When the rush of work is over the harvest dance will take place at Hidaway. It promises to be a large gathering.

The fall races will take place on the Alba track Tuesday and Wednesday. Following each day's races there will be a grand ball at night.

B. B. Lane of Pendleton, has bought the blacksmith shop here, and is doing a good business.

FIGHT WITH BEAST.

Occurred at Rock Creek Near Camp of Judge Currey.

What is believed to have been the biggest wrestle with a bear since the days of Jacob and the angel took place Friday night on Rock creek in the vicinity of Judge Alf L. Currey's camp. Exact particulars are difficult to obtain but the story is something like this, with Judge Currey as the hero:

A man named Ilerton has a small cabin on Rock creek near the camp of Judge Currey and other flakerites who are enjoying the scenery of the mountains. Shortly before daylight on Saturday morning Ilerton awoke with the conviction that there was a bear in his cabin. He got up and ran against the bear. The bear was very hungry and tried to eat Ilerton. Ilerton protected himself with a shovel and yells. The yells awakened Judge Currey who was camped nearby and he came to the rescue. With a shovel and a pick the two men made enough noise to awaken every man on the mountain from the Maxwell mine to Haines.

In the morning when the smoke of battle had cleared away all that was discernible were the bare foot prints of Judge Currey hitting a hot foot down the creek road toward Haines. That is why Judge Currey came to town Saturday afternoon. He returned today with a gatling gun and a whale harpoon. Ilerton has a rifle but no cartridges.—Baker City Herald.

FAY LEGROW, STOCK KING.

Owms, in Conjunction With Drumheller, Immense Stock Farm.

Fay LeGrow, cashier of the First National Bank of Athena, is one of the principal owners in one of the largest stock ranches in the northwest, says the Athena Press.

The big cattle ranch is situated in the Crab Creek country up in Washington. Last year Mr. LeGrow and the Drumhellers of Walla Walla purchased the lands and hundreds of head of Hereford cattle of an English lord. An idea of the magnitude of this great ranch may be had when it is learned that 15 sections of land are under fence, in addition to thousands of acres of outside range which the company controls by virtue of water rights.

Several thousand head of cattle forage on this excellent range, for the Crab Creek lands are noted for succulent grass and plenty of it. Nearly all of the stock ranging there is owned by the company, and nearly every head is marked with the white foot of the Hereford.

This year in that portion of the range under fence, 1100 head of little white-faced Hereford calves sport and play on the hillside, and next year there will be a greater number, for only barren calves and heifers are being sold out of the cow herds. An interesting sight it is to see 1100 calves in one bunch, and more interesting still, when you cannot tell "one from another," for with their well known Hereford characteristic, they all look alike to you.

Over 800 head of beef cattle have been sold from the ranch this season the greatest number being purchased by Walla Walla buyers.

One Fair for Round Trip to Irrigation Congress.

An exceptionally low rate of one fare for the round trip has been granted by the O. Selling dates of tickets, September 1 and 2. For further information call on E. C. Smith, agent, Pendleton.
