### MEETING FOR WESTERN DIVISION OF BIG RESERVE.

Stockmen and Forest Officials at Canyon City—Allotments in the Western Division Are Adjusted—In That Portion of Blue Mountain Reserve 240,000 Sheep and 28,000 Horses and Cattle Will Be Grazed Next Year.

Umatilla county stockmen range exclusively in the eastern division of the Blue mountains forest reserve and their range meeting was held at Sampter on November 8, at which time the question of range allotment was adjusted for next year. Subsequent to the meeting on November 8 another meeting was held at Canyon City for the purpose of allotting the range in the western division which extends from Mt. Vernon, in Grant county, 150 miles westward, to a point near the base of the Cascade mountains. Of this meeting the Grant County News says:

The preliminary steps in the allotment of granting areas in the western division of the Blue mountain forest reserve have been taken by stockmen and departmental officials. The newly organized body of stockmen was thrust into the breach between the officials and growers, and did heroic service. The step was approved by the officers and the action of the stockmen commended.

The representative of the government in attendance at the meetings of stockmen were as follows: A. F. Potter, chief of the range and grazing service, of Washington, D. C.; M. I. Ericson, assistant forest inspector, Washington, D. C.; D. B. Sheller, superintendent and acting supervisor of the western division, Washington, D. C.; A. S. Ireland, forest supervisor of the western division, Prineville; Henry Ireland, deputy forest ranger, Prineville; Arthur Bennett, forest guard, Prineville; and Monte Pearson, forest guard, Prineville. Mr. Potter was introduced to the stockmen's association and gave an address replete with information and recommendation. He incidentally complimented the stockgrowers on their new association and said that governmental officers would far rather transact business through representatives of such bodies than with the individual direct.

As an indication of the future course of the government in allotting grazing privileges to stockmen, he said that many difficulties were in the way of satisfactory adjustment and of the two claims for privilege, residence and steady use, the former would grow stronger and the latter of less importance as the system became better established. His remarks were well received by the great delegation of growers who heard them.

The western division had been divided into 10 grazing districts, and representatives of both the cattle and sheep industry were appointed or selected committees to adjust the lines within each district. During next grazing season there will be permitted 240,000 head of sheep, not counting lambs, and 28,000 head of cattle and horses. Last season there were 275,000 sheep and 22,000 head of cattle and horses furnished range.

The fee for horses from June 1 to October 21 is 20 cents per head; for cattle, for the same period, 20 cents per head; for sheep from July 1 to October 21, 10 cents per head. Forest officials say that all allotted and reserve areas will be properly protected next season, and that sufficient rangers will be on duty to insure proper administration of the law.

### Long Tennessee Fight.

For 20 years W. L. Rawls, of Belle Tonn, fought nasal catarrh. He writes: "The swelling and soreness inside my nose was fearful, till I began applying Fucker's Arnica Salve to the sore surface; this caused the soreness and swelling to disappear, never to return." Best salve in existence; 25c at Tallman & Co.'s, druggists.

### Dinner and Sale.

On Tuesday and Wednesday, December 4 and 5, the women of the Presbyterian church will give a chicken pie dinner and sale at the Bowman building.

It is worth considerable to any citizen of Pendleton to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itchingness of the skin, for piles, eczema, etc. One application brings relief and soothes. Read this testimony of its merit:

Rudolph Martin, of 500 Mill street, Pendleton, Ore., says: "No one can realize the exasperating itching day and night arising from itching hemorrhoids, unless they have been in that condition, trying one remedy after another without getting relief. I finally got a box of Doan's Ointment at Pendleton Drug Co.'s store, and one application brought most grateful relief. Less than one box cured completely. The curative properties of Doan's Ointment are most wonderful."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## A LADY'S \$25 Tailor Made Suit Free For a Good Guess

### Four Other Valuable Prizes Free

The object is to get you in the habit of reading Crank's ads. They'll keep you posted on what to wear and where to buy it.

Here's the Plan---Try it:

Guess the number of words that will be used in CRANK'S ads as published in the Daily East Oregonian from the third day of December, until the 24th, the day before Christmas, making it just the time to use these prizes as Christmas presents. You can have the first 15 days of the month to size up the advertisements and count the words. But we might suddenly use a half page advertisement—no one can foresee—even we don't know whether they will be long or short.

• Make your guess on a card of any kind, put your name and address on, and seal it, write on the outside: "For guessing contest," and bring it to the store on or before December 15th.

The 24th day of December, in the evening after supper, the contest will be decided.

The envelopes will all be thrown on a big table and one envelope at a time will be taken out at random from the heap and opened. The name of the person in the first envelope containing the correct guess will receive the **\$25.00 Tailor Suit** (or their choice of any in the house to fit them.) If no one makes the correct guess the suit will go to the nearest guesser.

The second nearest guesser will receive a **\$10.00 Fur**.

The third nearest will receive a **\$7.50 Waist**.

The fourth will receive **\$5.00 Shopping Bag**.

The fifth will receive a **\$2.50 Sterling Handle Umbrella**.

The editor of the East Oregonian will keep a correct count of the words, and his decision will be final.

Every word in the signature will be counted, compound words as one word. Prices also count as one word.

Each member of the family is eligible to enter this contest—one guess only to each. No one connected with the store allowed to guess.

If everything isn't absolutely clear to you, come in and ask about it, or write.

### Grand Christmas Opening All this Week.
