BALL GAME PLAYED TODAY.

Famous Tryout for Aberdeen Team With Local Players.

This afternoon the long looked for ball game between the Aberdeen team and a nine composed of local players is being pulled off. The game was called today in order to permit the Aberdeen men to depart tomorrow evening. According to Manager Brown, he will very likely be instructed to leave for Aberdeen with his players tomorrow night in order to play there Sunday. That being the case, a mid-week game is all that was possible here, and as many local fans desired to see the visitors tried out, the game was called today.

In the game this afternoon the lineup is as announced for last Sunday. One team is composed entirely of Aberdeen men, while the opposing nine will have four or five local tossers.

During the stay of Manager Brown and the Aberdeen team here they have made many friends and won much admiration not only for their ability upon the diamond, but also for their general clean and gentlemanly conduct. Consequently the departure of the team tomorrow will be regretted.

Thus far little wool has been hauled in from the country tributary to Pendleton, but as some firms have already commenced or finished shearing the hauling will soon commence.
