

ATHENA BREVITIES

ARRANGE FOR CALEDONIAN SEVENTH ANNUAL PICNIC.

Portland and Walla Walla Caledonians Will Participate in Program—Milling Wheat Grown Elsewhere—Marriage of Former Athena Boy—Forty-Three Attended Ball Game at Walla Walla—Five Baptized Into Baptist Church—Fruit Prospects Not Affected by the Frost.

Athena, April 26.—A great portion of the milling now done at the Preston-Parton plant here, is from wheat in transit, most of the home product having been ground up. Wheat shipped in from the north over the O. R. & N. one day is sent out in flour the next day in the same cars. Most of this flour is shipped to oriental markets.

Mrs. Adah Thompson, of Pendleton, is visiting at the home of Mrs. Wm. Pinkerton.

Misses Eva Froome and Elizabeth Foley of Pendleton, visited with Mr. and Mrs. J. E. Froome over Sunday last.

A large number of Athena people went to Walla Walla Sunday to attend the ball game between Pendleton and Walla Walla teams. Forty-three tickets were sold for this occasion. Many have signified their intention of attending the game at Pendleton next Sunday.

At the Baptist church Sunday night five submitted to the ordinance of baptism. The meetings will continue during the present week, and possibly longer. The church has been filled every evening.

Dr. Plamondon took an automobile ride to Walla Walla yesterday.

Arranging For Caledonian Picnic.

Committees having in charge the arrangements for the holding of the seventh annual picnic of the Caledonian society, in this city, May 24 and 25, have the work well in hand. Members of the Portland and Walla Walla Caledonian societies will take part in the literary and musical program. The Scottish dances will be an attractive feature, and the Highland games and sports will be open to all in competition for prizes offered.

Marriage Announced.

Announcement is made that Lee Hiteman, formerly of this city, but now residing at Berkeley, Cal., and Miss Ray Jacobs of San Francisco, will be married May 1.

Crop Prospects.

Crops in this section are looking exceptionally fine, though warmer weather would materially assist in rapid growth. Two quite severe frosts here did not injure fruit prospects in the least.

DON'T DIE AT 45.

Cure the Indigestion Which is So Liable to Lead to Apoplexy.

Rush of business, eating too fast and too much, excesses of any kind, soon result in indigestion. Then when the digestive organs cannot care for the food properly the coats of the blood vessels in the brain get little nourishment, become brittle, and finally yield to the fierce blood pressure. One is then said to have a "shock," to be paralyzed, or to die from apoplexy.

People suffering with headache, giddiness, palpitation, sleeplessness, bad taste in the mouth, drowsiness, coated tongue, distress after eating, specks before the eyes, and any other of the many distressing results of a weakened stomach, should profit by the discovery of Mi-o-na stomach tablets.

In recent years the greatest advance in medicine has been in the study of diseases of digestion and nutrition and no other prescription has proven itself of as much value as Mi-o-na. It is relied upon as a certainty today in relieving the worst troubles of digestion and assimilation and making a complete cure.

The strongest proof that can be offered in substantiation of the claims that Mi-o-na will cure the worst forms of stomach trouble, cancer, excepted, and give immediate relief in indigestion is the guarantee that Tallman & Co. give with every 50-cent box of Mi-o-na to refund the money unless Mi-o-na cures. A guarantee like this must inspire confidence in Mi-o-na. Tallman & Co. take the whole risk and the remedy will not cost you a penny unless it cures.

NEWS OF WESTON

JUSTIN READ'S WOUND CAUSING HIM TROUBLE.

Must Undergo an Operation—Brick-makers Have Been Granted an Increase in Wages—Moses Taylor's Pardon Pleases the Large Number of His Friends in This Vicinity—Prof. French Will Conduct Teachers' Institute in Wheeler County.

Weston, April 26.—Justin Read, the young man who was shot some days ago by Marshal D. F. Lavender while attempting his arrest, has been sent to Spokane to undergo an operation. It was thought a few days ago that the young man was out of danger, but he seems to be suffering considerably from the effects of the wound, and some fears are entertained that he may not be near so well as was hoped.

The friends of Moses Taylor in this vicinity who had been working earnestly for his pardon for some time, were pleased to see the dispatch from Salem in the East Oregonian to the effect that he had been pardoned.

President French, of the Weston Normal, will leave in a few days for Wheeler county, where he will conduct the teachers' institute at Fossil on May 2, 3, and 4.

Farmers are busily engaged with their spring work.

Mr. and Mrs. Coffin, of Portland, are visiting the latter's mother, Mrs. Emery Saling.

Louis Reynolds, who has been quite seriously ill with typhoid fever, is able to be out again.

Increase in Wages.

The Weston brick yard management has granted an increase in wages, which has already taken effect. The minimum wage hereafter will be \$2.50 a day. Brick setters will earn \$5 a day or better, and the molders will average about \$3.50 per day under the new arrangements. The average increase in all kinds of work is about 10 per cent, and 25 wage earners are hereby affected. The yard will soon be working a full crew.

All the news all the time in the East Oregonian.

SPECIAL SUIT SALE

For One Week We are going to make sensational reductions in tailormade suits.

You may wonder why we do this, so we explain right here: We aim to make prices on the suits, to beat the prices of the materials used in making the suits. Owing to the fact that our McCall patterns are so popular, and so easily used, many women have been buying the dress goods and making their suits and skirts over McCall patterns, and they have had such good success, they have turned toward making their suits rather than buy them ready made. Our large stock of dress goods has also aided them in doing this, and while we appreciate the pattern business, and are greatly pleased at our fine business in the new spring dress goods, we want to see the SUITS move too, and there is every reason why they should do so this week, for we have placed the prices so low that the materials will cost as much as we ask for the suits, and you are saved the worry and expense of dressmaking.

Every Suit is Reduced this week.

- We will sell you a fine Chiffon Panama suit, Taffeta trimmed, plaited skirts, worth \$30, this week, for **\$23.95**
- 10 Suits in plain Panama and fancy checked and plaid Panama cloth, Eton jackets, and wide girdle belts, also several other new style suits, worth \$20, \$22.50 and \$25, this week all go at one price of **\$16.95**
- 5 fine Silk Suits, the very latest styles, and splendid values at our regular prices, \$20, but we are going to stimulate the suit business. **\$16.95**
- \$22.50 and \$25, but this week you get your choice for **\$16.95**
- All fancy plaid and check Suits, \$17.50 to \$20 values, this week **\$13.95**
- Several \$15 Suits in the latest styles will sell this week for **\$11.95**
- 10 Suits of several styles, longer jackets, worth from \$10 to \$20, your choice this week for **\$7.95**

a half more than the price mentioned on them, and we think the above prices will do the business.

Don't fail to see these bargains this week.
