## FOURTEENTH BAND

WILL PLAY IN PENDLETON ON THE FOURTH OF JULY

The Committee Has Secured by This Engagement One of the Star Musical Organizations of the United States Army—It Comprises Twenty-five Members—The Eagles' Band Will Also Furnish Music at the Celebration—Full Program Soon.

The Fourteenth Cavalry band of Fort Walla Walla has been engaged to play in Pendleton for the Fourth of July celebration. Justice of the Peace Joe H. Parkes, chairman of the music committee, has just completed arrangements with this excellent band by which its services were secured for the Fourth.

This band consists of 25 members beside the captain and is one of the star musical organizations in the United States army in the Pacific coast states.

In addition to the Fourth Cavalry band, the Eagles' excellent band of this city will furnish music for the Fourth of July celebration and the musical program of the day is thus assured. The Eagles' band is in constant practice for the event and is now playing excellent music.

Other features of the Fourth of July celebration are being decided upon and soon the entire program will be announced. It promises to be one of the best celebrations ever held in the city and the people of Matilla county are cordially invited. In addition to accommodations on the streets, there will be plenty of room and shade in the fair pavilion on Main street where people may rest and enjoy themselves.

It is the intention of business men

**Winslow Bros.**

The Bride's Favorite Jewelers.

to arrange plenty of seats and furnish ice water for the use of visitors. This was a popular feature of the celebration last year and proved to be highly appreciated and will be a prominent feature this year.

It is the intention of the committee on amusements to join with the Eagles' carnival in the erection of a large dance platform in the fair pavilion which may be enjoyed during the afternoon and evening of the Fourth. Last year the platform was built in the street, and while it was well patronized, it is thought the pavilion is a more appropriate place.

**ELEVEN TO FOUR FERNINST.**  
Pendleton's Defeat Due to Several Unfortunate Chances.

Once more the "Boosters" fell in with bad luck yesterday when in the game with The Dalles ball team they were defeated by a score of 11 to 4. However, most of the runs by the visitors were made after the local team had been handicapped through losing some of its best men from the game. In the second inning Graves harnessed his ankle while sliding to second and had to quit the game. Later on Ball, catcher, was kicked in the head by a man trying to reach home, and during the remainder of the game Collins was behind the bat. Strand, Drake and Leonard were placed in the game at different times as a result of the injuries to the regular men.

During the fore part of the game Pendleton led by a score. However, the injury to Graves discouraged the local players and in the fourth inning The Dalles took the lead. In the fifth inning two more scores were made by the visitors and the score continued to pile up until it stood 11 to 4 at the close of the game.

Owing to numerous delays the game was greatly prolonged and was not an exhibition that gratified the fans.

**DOCTORED 124 HORSES.**

Dr. T. J. Lloyd, Veterinarian, Called to Hermiston to Attend Government Teams.

Dr. T. J. Lloyd, the well known veterinarian, has just returned from Hermiston, where he was called by the government officials to doctor a number of teams employed on the irrigation project. The government owns 124 horses which are now employed on the irrigation project at Hermiston and during Saturday and Sunday Dr. Lloyd fitted up the teeth and attended to minor surgical requirements on the entire lot of work horses.

He says the government owns one of the finest lot of work horses he has ever seen together in this section of the country and excellent care is taken of their health.

**DEATH OF MRS. JENKINS.**

At the Home, 609 West Bluff—Funeral This Afternoon.

Mrs. Nora J. Jenkins, wife of W. B. Jenkins of Pilot Rock, died in this city yesterday afternoon after having been ill for some time. Death was due to heart trouble. She was 30 years of age, and had lived in this country all of her life. She was the daughter of Rev. William Ely. The funeral occurred at 3 o'clock this afternoon from 609 West Bluff street, the service being conducted by Rev. Robert Warner, pastor of the Methodist church.

**Circus Car Is Here.**

Advertising circus car No. 3, of the Sells-Floto circus, is in the city today in charge of "Punch" Wheeler, the veteran advertising man of the circus who is known all over the United States for his affability and genial disposition. This car is one of the most complete and typical circus advertising cars on the road, having departments devoted to bill posting, advertising business office and living quarters. The circus is coming from the east and is exhibiting in southern Idaho this week. It will exhibit here next Saturday, June 1, in the afternoon and evening.

**Coming to Pendleton.**

J. A. St. Onge, the genial inspector of steel work for the O. R. & N. company, who had charge of the new steel bridge, is doing a like work for the company at Troutdale and will finish about the end of the month. From there he goes to Pendleton to take charge of the work there. Mr. St. Onge is a good fellow, is up-to-date in his profession and is meeting with the finest of success in his work for the company.—Hood River News-Letter.

**Musical Program Tonight.**

A delightful musical and elocutionary program will be rendered at the Presbyterian church tonight by students of Pendleton academy in charge of Miss Marjorie Lyman, teacher of music in the academy, and Mrs. W. H. Blakney, teacher of elocution. The program contains a number of excellent numbers and will be one of the best entertainments of the close of the school year in the city.

**High School Graduates Take Notice.**

All members of the high school alumni and all graduates of Pendleton high school, are requested to meet this evening at Armory hall at 7:30 sharp for the purpose of electing officers of the Alumni for the ensuing year, and transacting any other business that might come before this meeting.

**Here From Endicott.**

Prof. and Mrs. William How of Endicott, came down last evening to attend the graduating exercises of Pendleton academy in which their niece, Miss Hazel Hamblen, will graduate. They formerly resided in this city, and still own their residence property north of the river.

**Ukiah Assessment Completed.**

J. W. Sturdivant, deputy assessor of Ukiah precinct, has completed his work and turned in the assessment to Assessor C. P. Strain on Saturday evening. He will return home tomorrow with a load of supplies.

## FAREWELL SERMON IN M. E. CHURCH

BUILDING HAS BEEN USED FOR THIRTY-SIX YEARS.

Mrs. Diana Coffman Only Surviving Charter Member of the Church Was Present at Farewell Service—Mrs. N. E. Despain, Who Was Present at First Service in the Old Building, 33 Years Ago, Was Also Present at the Farewell Service Last Night.

The last service to be held in the Thompson Street Methodist church, was held last evening in which a final farewell was taken of the old building, which has served the congregation for 33 years.

Rev. Robert Warner, pastor of the church, preached the farewell sermon and the services were in the nature of a leave-taking and were most impressive.

Mrs. Diana Coffman the only living charter member who joined the new

Mrs. Diana Coffman, Charter Member M. E. Church.

organization in 1871, was present last night and Mrs. N. E. Despain, who was also present at the first service in the building 33 years ago, was present last night at the farewell service.

In the 36 years of the life of the church there have been but four organizations—Mrs. Kate Frazier, Mrs. W. D. Fletcher, Mrs. L. L. French and Mrs. A. J. Owen.

Rev. Warner in his farewell sermon reviewed the past life of the church in a thorough and comprehensive manner, and outlined the prospects of the future with enthusiasm. The dedication of the new stone church building will take place next Sunday and thereafter it will be regularly occupied.

**MOVE TO CONSOLIDATE.**

Also to Prevent Merging of Three School Districts.

A petition has been filed in the office of the county school superintendent's office asking that districts Nos. 12, 18 and 67 be consolidated. There also has been a remonstrance to the petition filed by the residents in district No. 67, objecting to the union on the ground that district 67 will be five miles from the site of the new school and that it is now supporting a school for eight months.

The new school laws are being sent out to the clerks of all the districts of the county today. An appropriation was asked for at the last legislature which would be sufficient to allow each member of the board a copy of the laws, but as the appropriation was cut in half, only one copy can be sent out.

**Hermiston Lost the Game.**

In a baseball game between the Hermiston and government irrigation project team at Hermiston yesterday, the irrigators won from Hermiston by a score of 12 to 4.

The Forward association, a New York city Jewish corporation which publishes the Jewish Daily Forward and the Spirit of the Times, filed a petition in bankruptcy on May 25.

## When Your Food

Is properly digested your entire system is benefited and strengthened, but when the digestive organs are deranged the food ferments and causes untold suffering. In such cases, however, you'll find that a few doses of

**\$300,000 FOR IRRIGATION.**

Bonds of Great Western Sugar Beet Company Sold.

The Mountainhome, Idaho, correspondent of the Boise Statesman says: The most important statement to be made at this time with reference to the irrigation project of the Great Western Beet Sugar company, is that the Virtue-Yerkes company of Seattle has underwritten the bonds of this irrigation company in the amount of \$300,000, thus becoming guarantors of the bonds, and placing this amount at the disposal of the company to be expended in construction work on the dams, reservoirs and laterals, to complete the system inaugurated some time ago.

This statement comes from John H. Garrett, manager of the company, who further says that \$75,000 is to be paid over to the company July 1, with subsequent payments to follow of \$25,000 per month. He says this expenditure will complete the project and provide for irrigating 45,000 acres of land tributary to Mountainhome.

The project involves a system of storage reservoirs, three of which are already built, the combined drainage area of all to be 170 square miles. The larger proportion of this area is north of Bennett mountain and ranges from 5000 to 9000 feet in elevation above sea-level, while the altitude of the territory to be irrigated is in the neighborhood of 3100 feet. The High Prairie reservoir, projected but not yet built, is to be fed from Lime creek; Camas reservoir, 32 miles northeast, made by constructing a dam on Camas creek, near the Bailey ranch, now stores 20,000 acre-feet of water. This reservoir will outlet into Long Tom creek through a 6000-foot tunnel, which is being driven through a mountain spur, the work being nearly

finished. The water is carried from Long Tom to Canyon creek, thence into the canals and laterals that feed into the city reservoir and distribute water to the lands of this section. There are said to be about 100 miles of canals and laterals. The city reservoir stores 10,000 acre-feet of water.

The ultimate purpose is to organize an irrigation district and vest the water rights in the land holders of the district. The streams of the drainage area referred to are swift and torrential and their flow decreases to a low ebb during the dry period of the season and it is, therefore, necessary to place chief dependence in a storage system, if the flood waters are to be utilized.

**Fished on Meacham Creek.**

A large party of fishermen visited Meacham creek yesterday and enjoyed the day of fine sport. Among those who went up to the mountains were J. Clove, Walter Wells, Carl Stewart, Fred Gordon and sons, Chas. Bronson, E. S. Lampkin, Click Humphreys, Boone Watson and son and George Rogers of the Eilers piano house.

**Miss Garfield Returned Home.**

Miss Ethel Garfield, the popular singer who rendered two delightful vocal solos in the graduating exercises of Pendleton high school and who was the honored guest at a delightful party at the home of Mr. and Mrs. William Hilton on South Main street Saturday evening, returned last evening to her home in Walla Walla.

**Special Masonic Meeting.**

There will be a special meeting of Pendleton lodge No. 52, A. F. and A. M. tonight for work in the Master Mason's degree. All brethren are cordially invited.
