THE CHANGE OF LIFE

Sensible Advice to Women from Mrs. Henry Lee, Mrs. Fred Certia and Mrs. Pinkham.

MRS. HENRY LEE

MRS. FRED CERTIA

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

This is the most critical period of her whole existence and every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition or she is predisposed to apoplexy or congestion of any organ, the tendency is at this period likely to become active and with a host of nervous irritations make life a burden. At this time also cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, melancholia, dread of impending evil, palpitation of the heart, irregularities, constipation and dizziness are promptly heeded by intelligent women who are approaching the period of life when this great change may be expected.

Mrs. Fred Certia, 1014 So. Lafayette Street, So. Bend, Ind., writes:

Dear Mrs. Pinkham:—

"Lydia E. Pinkham's Vegetable Compound is the ideal medicine for women who

are passing through Change of Life. For several months I suffered from hot flashes, extreme nervousness, headaches and sleeplessness. I had no appetite and could not sleep. I had made up my mind there was no help for me until I began to use Lydia E. Pinkham's Vegetable Compound, my bad symptoms ceased, and it brought me safely through the danger period, built up my system and I am in excellent health. I consider Lydia E. Pinkham's Vegetable Compound unsurpassed for women during this trying period of life."

Mrs. Henry Lee, 60 Winter Street, New Haven, Conn., writes:

Dear Mrs. Pinkham:—

"After suffering untold misery for three years during Change of Life I heard of Lydia E. Pinkham's Vegetable Compound. I wrote you of my condition, and began to take Lydia E. Pinkham's Vegetable Compound and followed your advice, and to-day I am well and happy. I can now walk anywhere and work as well as anyone, and for years previous I had tried but could not get around without help. I consider your medicine a sovereign balm for suffering women."

When a medicine has been successful in restoring to health, actually thousands of women, you cannot well say without trying it, "I do not believe it will help me." It is your duty to yourself and family to try Lydia E. Pinkham's Vegetable Compound.

CHARGED WITH ADULTERY.

William Prall and Mrs. Oliver the Defendants.

Charges of adultery have been made against William Prall and Mrs. Clody Oliver by District Attorney Phelps, and warrants for the arrest of the two people are now in the hands of the sheriff. When last seen both Prall and Mrs. Oliver were headed for Spokane, and they are believed to be there now.

On Monday morning Prall and Mrs. Oliver were found occupying a room in the Multnomah lodging house and were placed under arrest by Marshal Tom Gurdane. In the police court they were fined \$10 each.

However, yesterday Mrs. Prall appeared before the district attorney and swore to a complaint charging her husband and Mrs. Oliver with the crime of adultery. Under the law it is required that one of the injured parties, to wit, the wife or husband of one of the guilty parties, shall swear to the complaint, which was done in this case.

If captured and convicted on the charge against them Prall and Mrs. Oliver will be subject to penalties ranging from a fine of \$200 to \$1000, or from imprisonment for from three months in the county jail to two years in the penitentiary.
