SCHOOL ELECTION

TWO DIRECTORS TO BE CHOSEN ON JUNE 17.

Terms of Lee Teutsch and J. W. Maloney Will Expire—One Director to Be Elected for Five and One for Three Years—Both Mr. Teutsch and Mr. Maloney Will Succeed Themselves on the Board.

The regular annual school election of this district will be held on June 17, and today District Clerk H. E. Bickers posted notices for the same.

Two directors will be elected at that time, one for five years to succeed Lee Teutsch, and one for three years to succeed J. W. Maloney, who was appointed a few months ago to fill the unexpired term of T. G. Halley.

As both of these members of the school board are active and well qualified and have taken great interest in the welfare of the schools, there will be no opposition to their re-election. Mr. Teutsch is at present president of the school board and both Mr. Teutsch and Mr. Maloney have served the district well in the management of the public schools.

The other members of the board are Dr. C. J. Smith, E. L. Smith and J. V. Tallman. The office of school clerk now filled by H. E. Bickers, is filled by appointment.

DESPAIN & BEAN

HEPPNER WOOL BRINGS 20 CENTS

HIGHEST PRICE TWO CENTS LOWER THAN HERE

First Days Sales Were Satisfactory, About a Half Million Pounds Being Sold at Prices Ranging from 17 1-2 to 20 Cents—Not a Single Lot Withdrawn on First Day of Sales.

Prices for wool in the Heppner sales this week did not range as high as they did in Pendleton sales held 10 days ago.

Practically the same quality of wool was offered for sale at Heppner as here and the same buyers were present, but the highest price paid at Heppner was but 20 cents, or two cents lower than the highest price paid in Pendleton sales.

A Heppner correspondent says of the sales:

The wool sales at this place were a success as to prices, and both buyer and seller seem to be satisfied. About 20 buyers were present, the total sales for the first day being 583,000 pounds.

The highest price paid was 20 cents, and the lowest was 17 1-2 cents. At Heppner & company's warehouse, the following amounts and prices prevailed:

H. J. Matlock, 31,000 pounds, at 18 7-8 cents; Ike Howard, 17,000 pounds, at 19 3-8 cents; J. L. Howard, 17,000 pounds, at 18 3-4 cents; Molaban & Burne, 16,000 pounds, at 19 1-4 cents; Elder & Gentry, 27,000 pounds, at 19 3-4; Charles Underwood, 14,500 pounds, at 19 1-2 cents; George Perry, 21,000 pounds, at 19 cents; D. O. Justus, 53,000 pounds, at 19 1-2 cents; J. H. Wyland, 15,700 pounds, at 19 1-4 cents; Mills & Co., 25,900 pounds, at 18 1-2 cents; W. Bennett, 6,400 pounds, at 18 1-4 cents; Mike Kenny, 14,900 pounds, at 18 3-4 cents; F. M. Rounds, 13,500 pounds, at 17 3-4 cents.

At Morrow Warehouse & Milling company, the following sales were made:

A. Neel, 18,700 pounds, at 19 cents; J. Spray, 13,950 pounds, at 18 1-4 cents; L. D. Swick, 11,750 pounds, at 20 cents; N. A. Kelly, 17,500 pounds, at 19 1-4 cents; H. Scherzinger, 13,900 pounds, at 18 3-4 cents; A. G. Devore, 11,600 pounds, at 19 5-8 cents; W. B. Barratt, 15,500 pounds, at 19 1-4 cents; J. W. Beymer, 19,750 pounds, at 19 3-8 cents; Swick & Wilcox, 37,500 pounds, at 19 3-4 cents; J. C. Owens, 990 pounds, at 18 7-8 cents; Jack Hynd, 21,150 pounds, at 19 1-8 cents; W. G. McCarty, 13,100 pounds, at 19 1-4 cents; A. Williams, 21,950 pounds, at 17 1-2; Emmett Cochran, 33,550

pounds, at 18 1-2 cents; M. Curren, 12,800 pounds, at 18 1-2 cents; M. J. Deven, 12,350 pounds, at 18 3-4 cents.

Kuhn, Bigham & Ellery were the principal buyers. Sales will continue tomorrow, and if the present good feeling continues there will not be a pound of wool unsold in either warehouse tomorrow at the close of the sales. Not a single lot was withdrawn today.

Osteopathy. CONSTIPATION AND ITS CURE.

The causes of constipation are improper diet, lack of exercise, pernici- cious drugs and pressure of bones, muscles or ligaments on the nerves to the digestive tract.

The treatment in the first three instances is evident. Correct the habits. Just as evident is it in the last. Remove the pressure from the nerves. This is accomplished by the osteopath through the replacement of slightly displaced vertebrae, ribs or pelvis bones; by relaxing contracted muscles and stretching thickened ligaments. The nerves are then free to carry the normal nerve force to the intestines. The glands resume their secretions for the digestion and moistening of the food; and intestinal motion is regained, propelling the contents onward. This is a natural state and consequently a permanent state. If your body was once right it will now be right again. Nature's way is the only way. Osteopathy's success in curing this trouble certainly makes modest any claims it may advance.

What is here said of constipation is applicable to all digestive disturbances. The causes are similar and the treatment is always remove the cause.
