Among the Exchanges of the Inland Empire. Interesting Land Decisions. Decisions of the secretary of the interior in three land contests, appealed from the local land office, have been received by Register Z. Y. Coleman. The cases were those of Peter Maccari vs. Charles T. Dulin, Levi L. Yoder vs. Robert J. Fisher and Charles H. Barnes vs. Pietro Bertoglio. In the Maccari-Dulin case, Maccari claimed land in 2-20-15, Yakima district, on homestead entry, and Dulin set up a claim to it under the timber and stone act. The secretary of the interior upholds the decision of the commissioner of the general land office in favor of Maccari's claim, contrary to the decision of the local office. The secretary is not satisfied with Dulin's testimony and points out that his witnesses are residents of North Yakima who testify on the strength of one or two visits made to the land in dispute, while Maccari's settlement on the land, building of a cabin and other improvement work, cannot be denied. Dulin made proof in September, 1905, and Maccari in March. The same decision, upholding that of the commissioner and reversing the decision of the local office, is made in the case of Pietro Bertoglio vs. Charles Barnes. The latter sought to make proof on timber land in 4-2-15, Yakima district, and the land is awarded to Bertoglio, a homesteader. Mr. Barnes is manager of the Boston Store.—Yakima Republic. Three Lives Lost to Save One. In an effort to rescue their co-laborers three loggers working on the Barber log drive at Krall's bar leaped into the swift current of the Boise river and were drowned, while the man who rescued them attempted to no was saved by his own efforts. The drowned are George Corack, an Australian, and Fernim Austabe and Francisco Yriondo, both Spaniards. Many of the logs had piled up on the bar which is about four miles above the headgate of the New York canal, and the loggers, all of whom were experienced men, were working them off into the current of the stream. The men had scarcely got warmed up to the work Monday morning when one of their number fell into the stream beside a log. When he sunk out of sight five of the loggers jumped into the water to rescue him. Where the man fell the river is about 20 feet deep and very swift and turbulent. The loggers found that instead of being able to assist their comrade a fierce battle for their own lives was facing them. They fought desperately and many times struggled to the surface from

has sold like wild fire, \$1750 worth of shares were sold in one day.—The Dallas Optimist. FEEL EVERY CHANGE OF THE WEATHER. A Bad Back Is Always Worse During Wet or Changeable Weather. Is your back like a barometer? Does it foretell every change of weather? Does every cold settle on your kidneys? Bring aching, throbbing pains? Does it disorder the urine? The kidneys are calling for help. Use Doan's Kidney Pills. Guaranteed by Pendleton testimony. Mrs. E. J. Melner, of 512 Lewis street, Pendleton, Ore., says: "We have used Doan's Kidney Pills in our family for several years. About two years ago a cold settled in my kidneys and back and caused a good deal of pain and backache, as well as annoyance from the kidney secretions. My back and loins were lame and sore, and stooping or lifting would be accompanied by sharp twinges of pain. At this time Doan's Kidney Pills were recommended to me and I began using them. They brought relief at once and banished the entire trouble. Since then when I have caught cold I have felt a slight recurrence, but the use of Doan's Kidney Pills has removed the annoyance promptly. We wouldn't be without this remedy in the home for anything, knowing it to be one that has genuine merit." For sale by all dealers. Price 50 cents.
