

**Thousands Have Kidney Trouble and Never Suspect It.**

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

**PLEASED WITH HIS LANDS PURCHASED IN ALBERTA.**  
Dutro Family Have Removed to Kettle Falls—Many Attended Old Settlers' Picnic—Gas System is Proving Entirely Satisfactory—All Crops Are in Fine Condition—Returned From Extended Tour Through California and Washington.

Helix, June 8.—Prof. and Mrs. Dutro and family have gone to Kettle Falls, their future home. Mr. Dutro has been principal of the Helix schools for the past two years and the many friends of the family regret to have them leave.

A large number of Helix people have gone to Weston to take in the annual pioneers' picnic. Miss Della Bott has returned from Spokane, where she had been spending several months.

The Decoration Day exercises, which were held here, were all that could be desired and were largely attended. The gas lights which were recently installed in Helix are proving entirely satisfactory.

W. P. McWilliams has returned from Pomeroy, Wash., where he has been for some months. He was in San Francisco part of the winter.

Crops never looked better and wheat is heading fine in many places. The farmers are working hard to exterminate the white mustard and other obnoxious weeds.

Those from Helix who attended the carnival and circus at the county seat last week expressed themselves as being much pleased and saw many attractions at the circus that they had not seen before.

**Returned From Alberta.**  
F. M. Smith, who left a short time ago for Alberta, has returned entirely satisfied with the Alberta country. He secured 150 acres of fine land and he will return there in the fall to take up his home there.

**Remarkable Rescue.**  
That truth is stranger than fiction has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed for coughs and colds. 50c and \$1.00 at Tallman & Co.'s drug store. Trial bottle free.

Athena, June 8.—Rev. Harry Benton of Pomeroy, Wash., will exchange pulpits Sunday with V. E. Hoven, of the Christian church in this city. Mr. Benton is a son-in-law of J. B. Daisley, who resided in Athena about 15 years ago.

A number of the baseball enthusiasts are talking of going to Walla Walla Sunday to take in the game between Walla Walla and Pendleton. The Athena Colts will play with the Peacock nine of Freewater, on the Freewater grounds Sunday next. Crops continue to look first class, and the wheatgrowers predict one of the best harvests in the history of the country.

**Cured Hemorrhages of the Lungs.**  
"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. Koepfen's Drug Store.

**FELL INTO THE ANTI-SCAB VAT.**  
Balfour, Guthrie Company Hauling Lumber to Pilot Rock.  
Pilot Rock, June 8.—Balfour, Guthrie & Co. have had a large amount of lumber hauled here—175,000 feet. The building will soon be under course of construction.  
**Joe Dipped Also.**  
After 3000 head of sheep belonging to Julius Wagner, had passed through a vat, "Joe" the herder, fell into the anti-scab solution, which was 110 degrees Fahrenheit. His hands were badly blistered, but otherwise he did not suffer.

**Will Cure Consumption.**  
A. A. Herron, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied. Koepfen's Drug Store.

At a balloon ascension at Barcelona, Spain, an entire stranger seized a dangling rope as the balloon shot upward. He was invisible to the occupants of the car and the balloon went up so rapidly the people below could not make themselves understood. The man hung to the rope till the balloon had reached about 3000 feet, when he let go and was dashed to pieces.

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. Koepfen's Drug Store.

**SECURITY**

**Even if your head feels As if it was in a vice**

It's better to keep your headache than use a dangerous remedy. To cure it with some dangerous powder brings after effects which are far worse. Many headache cures kill the pain by some powerful drug which if used too often finally enervates and breaks down the system. That's why you should be very careful what you take to cure a headache.

**HEADACHE WAFERS**

Are a simple and positive cure for headaches, absolutely harmless, especially suited to women. Guaranteed to be free from Antipyrin, Opium, Morphine or Chloral.
