Among the Exchanges of the Inland Empire Klamath Canal Land Flooded. The first serious break in the main canal of the Klamath project occurred Sunday night about 11 o'clock, when about 50 feet of the canal bank was washed out. The break occurred near the residence of Frank Ira White, who resides on the old Mitchell ranch, east of Klamath Falls. He was awakened by the sound of rushing water, and the whole country round about seemed to be flooded. The headgates of the canal are closed at night, but enough water remained in the canal to cause considerable damage. Nearly all of the east Klamath Falls district is flooded, and whether the wash from the banks covered up much alfalfa land cannot be determined until the water subsides. The water spread over the land, only stopping at the macadam road, which leads out of Klamath Falls to the east. About 50 acres of alfalfa were destroyed, as the washing down of the alfalfa will prevent not only the present crop but succeeding crops of this year from being harvested. It will take at least two weeks to repair the damage, and meanwhile farmers below the break are praying for rain, for the growing crops are in need of water. Considerable trouble has been experienced with the irrigation ditches on account of gophers digging into the banks, also the soil is of such composition that it is loose and does not easily weld together. The reclamation officials are doing their utmost for the farmers, who need water so badly, and a large force is at work on the break.—Klamath Falls Empire. Whidby was acquitted in the face of probably the most direct evidence ever produced in these cases of illicit whisky selling, while the case against Jordan was based on the prima facie evidence of the United States license, found in the establishment and issued in his name, and the fact that he had been seen on the premises by several of the witnesses. It was also shown by the testimony of George S. Vance, of the North Yakima & Valley railway, that quantities of beer had been shipped Jordan from this city every week—about five barrels of beer every five or six days. The verdict in this case, whether appealed or not, is likely to have a wholesome influence upon those who are inclined to indulge in the "blind pig" industry in this country.—Yakima Republic. Lewiston Has \$35,000 to Loan. Forms of proposals for bids for the use of the city's money are now being prepared and it is expected the bids will be opened on August 2. The city's money will be deposited in two classes, one fund of \$11,000, which is the sinking fund, will be deposited on the basis of monthly balances with the interest payable quarterly and the current fund approximately \$22,000 be deposited on the basis of daily balances with the interest payable on the first day of each month. The current fund will be leased for a period of from one to two years, while the sinking fund can be secured from one to four and one-half years.—Lewiston Teller. Man Zan Pile remedy comes put up in a lozenge-like tube with a nozzle. Easy to apply right where the soreness and inflammation exists. It relieves at once blind, bleeding, itching or protruding piles. Guaranteed. Sold by A. C. Koepfen & Bros. Mrs. Street Badly Tied Up. Link Stiver, of the Matoles, is in the city on business. Mr. Stiver says nothing has yet been discovered of the body of Rev. H. M. Street, and that all attempt to find it has been abandoned. The widow with her children are in straitened circumstances, for though the Street prop-

ty is worth considerable it requires a man to run it. Under the circumstances she can neither run the ranch herself nor can she dispose of it until the body of her husband is found. Neither can she collect his insurance. A more desirable combination of untoward circumstances it would be hard to find.—Prineville Review. Pineules are for the Kidneys and Bladder. They bring quick relief to backache, rheumatism, lumbago, tired worn out feeling. They produce natural action of the kidneys; 30 days' treatment \$1.00. Money refunded if Pineules are not satisfactory. Sold by A. C. Koepfen & Bros. Ticks Worse Than Scabies. Western sheep men, and sheep raisers of the entire country for that matter, are now confronted by a new enemy, or rather an old enemy who has grown in strength in recent years. We refer to the tick, which has come to be regarded as a more serious menace to the welfare of the industry than scabies. Sheepmen everywhere report that ticks are rapidly increasing in spite of efforts to eradicate the pest, and that unless there is a general movement against the enemy, there will be serious losses. Indeed, the losses are already considerable, for it is well known that ticky sheep do not do as well or produce as much wool as animals that are free from the pest.—Prineville Review. If you are troubled with Impure blood, indicated by sores, pimples, headache, etc., we would recommend Acker's Blood Elixir, which we sell under a positive guarantee. It will always cure Scrofulous or Syphilitic poisons and all blood diseases. 50c and \$1.00. Council Endorsed Carnegie Library. A meeting of the city council held Monday night was one in which the entire community were much interested. The Carnegie library question, which resulted in a tie vote at the city election several weeks ago, was voted upon again by the members of the council and six were in favor while three were against the offer of Mr. Carnegie to give \$10,000 for the erection of a library in our city.—The Dalles Optimist. Beehive Inside of House. Mrs. Jerome Butler came into the city Monday with a quantity of honey to market from Smith Hollow. She relates an interesting story illustrative of the queer and freakish acts of honey bees in the selection of their abode. In this instance, she says she noticed the bees going in and out of

a small crevice in the side of the house and after they had been at work there for about 30 days the removal of a few boards of the house disclosed about 50 pounds of excellent honey. This had been stored between the outer and inner walls of the building. The bees were taken out and given a home in a modern hive.—Dayton Courier-Press. The bites and stings of insects, sunburn, cuts, burns and bruises relieved at once with Pinesalve Carbollized. Acts like a poultice. Draws out inflammation. Try it. Price 25c. Sold by A. C. Koepfen & Bros. New Ties and Heavier Rails. A big gang of laborers are at work on the O. R. & N. line this side of Bolles putting in new ties and working this way. It is said to be the intention of the company to replace the present rails with much heavier ones. Some consider that this means a step toward the extension of the Turner branch to Delaney on the Starbuck-Pomeroy branch, but railroad men do not think so.—Dayton Courier-Press. Dades Little Liver Pills keep the system clean, the stomach sweet. Prompt relief for headache and biliousness. Good for all the family. Sold by A. C. Koepfen & Bros. Rudolph Gurtelschmidt was loading iron railings into an elevator of the new Y. M. C. A. building at Spokane when one of the pieces came in contact with an electric light wire. Gurtelschmidt was so badly burned that the amputation of both legs and both hands was necessary. He has brought suit against the city for \$50,000, claiming inexcusable negligence in stringing the heavily charged wires. N. B. Atkinson has threshed 4,000 sacks of barley from 115 acres, near Watsburg, Wash. TALK ABOUT SLEEPING. Women are like men, when it comes to sleeping. Plenty of restful sleep makes a man strong and vigorous, and it makes a woman happy and beautiful. But both women and men can procure restful sleep by using Sexine Pills. It is well known that nervousness and overwork prevent sleep. It is equally well known that Sexine Pills produce that delightful relaxation that folds one's tired limbs in Nature's arms while the unconscious body draws new life and vigor. Sexine Pills are the perfect tonic. They are guaranteed for all forms of weakness. They cost \$1 a box, six boxes for \$5, with full guarantee included. Address or call the Pendleton Drug Co.
