

## BRIEF RECORD OF COUNTY EVENTS

Special Correspondence

### HERMISTON NOTES

#### CENTRAL TELEPHONE STATION BEING INSTALLED HERE.

Many Improvements Under Way This Spring — Presiding Elder Will Preach Here Tonight—Many Land Sales Being Made by Different Dealers — Cold Storage and Ice Plant.

Hermiston, April 13.—W. W. Pankey, manager of the Eastern Oregon Telephone company, states that Hermiston will be supplied with a central office which will be ready for use next Sunday, April 19. The switch board and all equipment has arrived, and will be installed as rapidly as possible. There are about 50 subscribers listed with the company, and the people of this section are glad indeed to be able to have telephone connection with the outside world.

Lands are rapidly being improved, and people are very optimistic over what will be done in this vicinity in the next year. Buildings will go up, lands will be settled upon and Hermiston will grow wonderfully in the next several months.

Messrs. A. W. and E. J. Prann of Ridgeway, Iowa, have been here visiting with R. E. Allen, who is an old friend of theirs. They will probably locate here, as they were very favorably impressed with the conditions.

People are taking interest in the special train which will be run to Echo next Friday the 17th, the date of the primary election.

Rev. Walton Skipworth, presiding elder of The Dalles district of the Columbia River conference, will preach at the Skinner Newport hall this evening.

A number of tracts of land have been purchased from the different real estate dealers of late. All purchasers expect to improve and build at once.

A number of Hermiston people have been county seat visitors of late.

The ladies of the Baptist church are arranging to serve an Easter supper Friday evening, April 17, in the basement of the new church.

**Cold Storage.**  
Hahn Brothers and W. E. Goodwin have purchased a site for the erection of a suitable building for a cold storage and ice plant at this place. It is the intention to have the machinery installed and the plant ready for operation by the first week in May.

The "pure food law" is designed by the government to protect the public from injurious ingredients in both foods and drugs. It is beneficial both to the public and to the conscientious manufacturer. Ely's Cream Balm, a successful remedy for cold in the head, nasal catarrh, hay fever, etc., containing no injurious drugs, meets fully the requirements of the new law, and that fact is prominently stated on every package. It contains none of the injurious drugs which are required by the law to be mentioned on the label. Hence you can use it safely.

#### Boise to Have \$100,000 Park.

Within a short time by special election, to the voters of Boise will be submitted the proposition of voting \$100,000 in bonds for a city park, says the Boise Capital News. The ordinance calling for the election is already being prepared by the city attorney and the matter is causing considerable comment. A short time ago the city was presented with 40 acres along the banks of the Boise river extending from the Eighth street bridge to the Broadway bridge on the north.

The property is centrally located and is an excellent site for a park, but for a city, which in a few years, will have over 50,000 inhabitants, the tract was not considered large enough and negotiations were made for the purchase of two tracts on the north, one known as the Broadway park consisting of 54 acres, which can be purchased for \$25,000, and the Brock tract adjoining it, consisting of 40 acres, which can be had for \$12,000. The owners of these tracts have agreed to accept city bonds for all but \$4000 of the purchase price, and the interest on \$100,000 bonds, counting the inhabitants of Boise at 20,000, would amount to less than 25 cents each per annum.

The matter of purchasing this land has been taken up and discussed by the Columbia club and practically received the indorsement of that organization.

DeWitt's Little Early Risers, the famous little liver pills. Sold by Tallman & Co.

Petition Blanks for Candidates. "Petition of Candidate" and Elector's Nominating Petition" blanks for either party, are now printed and on sale at the East Oregonian office.

### NEWS OF MILTON

#### LANDS SELL WELL IN THIS SECTION

Some Good Sales Made in Last Few Days—Fruit Trees Are Looking First Class—Candidates Come in Thick and Fast — Beautifying Places and all Looks Like Spring.

Milton, April 13.—Land continues to sell in this vicinity, and sales will go on, as this is one of the most prosperous farming sections of the northwest. A. M. Elam has just disposed of a portion of his fruit tract west of town. Ten acres went to H. M. and J. C. Couch for \$1800, and 10 acres to J. S. Long for \$1350.

O. L. Fields has sold 20 acres north from Milton to A. Hill of Walsburg for \$3000.

Matt Mosgrove, the well known Milton merchant, has gone to Portland upon a short business trip.

T. G. Conrad purchased from L. T. Harmon 160 acres on Pine creek for which he paid the sum of \$5000.

B. E. Harder was a recent business visitor to Baker City.

Professor R. J. Davis, who now has charge of the Nyssa public schools, has been here upon a short visit to friends.

O. M. Smith, a recent arrival from Montana, has bought out the dray business of Abe Hudson.

Mrs. Temple Jolly of Denver, has been the guest of her sister, Mrs. Bennie Osborne, for a few days.

The fruit trees are looking fine in this section of the county. Peach trees are in bloom, and the country is looking very beautiful at this time.

Mrs. Charles Barr, formerly Miss Jennie Dykes, has been here from Pasco visiting relatives for some days.

Candidates come in thick and fast and politics continues to be the main topic of conversation.

#### Death Was On His Heels.

Jesse P. Morris or Skipper, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Tallman & Co.'s drug store. 50c and \$1.00. Trial bottle free.

#### GOOD CROP PROSPECTS.

Canada Man Is Visiting With a Brother Here.

Helix, April 13.—The Helix country is looking very fine at this time, and the farmers think the wheat is in excellent condition, though a little rain would be appreciated, as some of the land is quite dry. A dry spell at this time is better than later on, however.

A. B. Montgomery recently purchased a fine Maxwell runabout. A number of the farmers in this section expect to invest in automobiles this year.

Mr. and Mrs. John King of Ritzville, Wash., have been recent visitors here.

Mrs. Frank Myers has been displaying a fine line of spring millinery here this spring.

Wm. Bayne of Canada, has been here visiting with his brother, Henry Bayne, for some days. He likes this country very much.

#### \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

#### Williamson Shearing Plant Burned.

J. N. Williamson's shearing plant, which is about six miles above the C. Sam Smith ranch, on the Ochoco, was burned to the ground this week by some unknown person. The house on the ranch and a camp were also burned. A fire was started in the barn, but it did no damage as it soon went out after being started. A kerosene bottle was found near the ruins, which goes to show it was done by some person who went there for the purpose of doing the work. Mr. Williamson estimates his loss at \$2500.—Prineville Review.
