RAIN OF GREAT BENEFIT IN THIS SECTION

Crops Are Looking Good—Considerable interest in coming primary—Hermiston voters here tomorrow—Man interested in furnish lands is very enthusiastic—Erecting cabins on homesteads.

Echo, April 16.—The rain was of great benefit in this section of the county. This country is considerably advanced over some sections of Umatilla county. All sorts of crops never looked better at this season.

Primary Tomorrow.
Much interest is being taken in the primaries tomorrow, and Echo will do all in her power to royally entertain the voters from Hermiston, who will come in on a special for this occasion.

Dr. H. W. Coe, who is interested in the furnish lands at this place, was here yesterday looking over the project in company with friends from Portland. The doctor has much faith in this section of Umatilla county, and says that great developments will be made in the next year. He was pleased, indeed, when he saw the crops getting along so well, and especially when he realized that there would be strawberries early in May.

Mrs. L. A. Esteb, who has been quite ill for several days, is improving.

A number of cabins are being erected on homesteads in this vicinity at this time, and many Echo people have arranged to locate on lands in this vicinity.

Politics grow more interesting every day, and candidates seem to be coming in thicker and faster.

He Got What He Needed.

"Nine years ago it looked as if my time had come," says Mr. C. Farthing of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee at Tallman & Co.'s drug store. 50 cents.

RAIN PLEASES.

Arrange Signals to Easily Locate Fires in Future.

Milton, April 16.—The farmers and fruit growers of this section were pleased over the rain which fell yesterday.

At the last meeting of the city council a recommendation was presented to divide the city into wards, so that signals from the fire bell would enable citizens and the fire department to easily locate the fire. The plan was adopted and signals will be made public in a short time.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Notice Taxpayers.

Whereas, before you go to the polls on the 17th inst., you will undoubtedly receive a letter of Mr. Joe Bailey and friends recommending him for county commissioner. Upon its fact this letter would impress you as though I was an unknown quantity in the "west end." Now, if my friends and I had thought best, we would have sent you the same reason mentioned in my favor. I wish to be fair in all matters pertaining to the public good and therefore wish to make this statement to you. Also, you may ask why don't one of us draw out of the race. My reasons are these: My petition came out first. I am paying in this county and Union county \$200.00 taxes, as the records will show, and have have a quarter section under the Hinkle ditch, and a residence in Pendleton and 14,400 acres in Union county. Mr. Joe Bailey, according to the records, pays no taxes, therefore which of us is entitled to your vote?

Respectfully yours,
A. H. SUNDERMAN.

WELL KNOWN WESTON MAN PASSES AWAY

Funeral Held Yesterday Largely Attended—Domestic Science Class at Normal Receives Compliments on Cooking—Bishop Paddock Makes Many Friends During His Stay Here.

Weston, April 16.—Wm. Gould, one of the well known residents of this section, died Tuesday night, after an illness of several weeks resulting from an attack of paralysis. He was nearly 70 years of age, and his death was not unexpected. The funeral was held yesterday and was largely attended.

Mrs. Maud Scott, daughter of M. J. Cockerline, submitted to an operation yesterday at the Walla Walla hospital. Her home is in Condon, Oregon.

The prohibition rally which was conducted at the Weston normal Tuesday evening, by L. C. Brown, traveling organizer of school associations for the temperance cause, was listened to by an enthusiastic crowd and was much enjoyed.

Domestic Science.
The Domestic Science class served a fine banquet Tuesday evening at the normal, to which the investigating committee of the school and Bishop Paddock were invited. The young ladies received many compliments on their cooking.

The Right Reverend Bishop Paddock left last evening for Pendleton after spending a few days in Weston. He preached several times while here and made a host of friends in the normal town. The bishop says he is delighted with this section of the west.

Wm. Gerking is quite seriously ill. He has been here for some time from Connell, Washington.

The farmers in the Weston country were a broad smile to see the rain of yesterday, and they expect a great deal more during the month of April, which will insure good crops.

Born, to Mr. and Mrs. P. T. Harbour, April 13, a daughter.

"The People's Candidate"

To Name Walla Walla Pen.

One matter which, it is understood, has been a topic of discussion by the state board of control of the penitentiary at their meeting this week, has been the naming of the prison, says the Walla Walla Statesman.

Heretofore there has been no special name for the designation of the penitentiary, other than the Washington state penitentiary. It is thought by many that it would be well to have some special name for the prison, such as, for instance, Sing Sing or San Quentin—a name which would at once designate the place and be distinctive. None of the suggestions have been given out concerning the proposed name, but with its situation on the hill, it would be easy to give it a title.

Howard Whiting

Candidate for Railroad Commissioner

Making Many Friends

ALL THE CANDIDATES for the commission have visited our city. The real live one seems to be Mr. Whiting. In commercial circles Mr. Whiting is no stranger, as he is in business in the city of Portland, his candidacy came about largely through the commercial interests there, who desired that a business man and a man who was in sympathy and knew the needs of the commercial world be selected for this important position. Mr. Whiting is in no sense of the word a politician, but purely a business man.

He is entirely free and independent of all railroad companies or railroad influences and all transportation or other corporation, and if nominated and elected will see that the rights and interests of the people are properly protected from any unjust burdens and enactments of railroad companies, and will do what is right and just to all parties concerned. Being an active business man, his years of experience will be especially helpful to him if elected.

Mr. Whiting is a pleasant gentleman to meet, and if chosen the people will find him always willing to lend a helping hand toward securing justice.
