Yakima Gets the Rose Fever.

With the approach of the flower season in North Yakima comes thoughts of a rose carnival and general flour tournament, says the Yakima Republic. For years functions of this kind have been held in all leading cities of the northwest, especially in Tacoma, Seattle and Portland. Lovers of flowers in North Yakima feel that this city should not take a back seat in this line any more than any other.

Years ago North Yakima was barren of flowers of any kind and it has not been until recently that they have been cultivated to any extent in the city. Even now there is a noticeable lack of posies around city homes, and those who are interested declare a rose carnival to be a direct means of encouraging interest in the cultivation of flowers.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENNEY & CO., Toledo, O. Sold by all Druggists, 75c. J. M. Ashworth of Athena, was in Elgin recently looking this field over with the idea of building a modern up-to-date opera house here, says the Elgin News. He expressed himself as well pleased with the situation and stated that it was almost a certainty that he would build at an early date.

His idea is to put up a one story building either 44x100 feet or 60x100 feet, either brick or frame, but presumably brick, and finish the interior with a large stage and all the accessories necessary to accommodate the best traveling companies in the way of dressing rooms, scenery, etc.
