The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Girl Gets Verdict.

The case of Mamie Redfield against the Ellensburg school district has finally been settled in the superior court of Kittitas county, the little girl getting \$2500 damages, which the school district paid immediately upon hearing the decision, says the Spokane Chronicle. Two years ago Mamie Redfield, 6 years old, was badly burned about the limbs by the overturning of a pail of hot water which was kept on the radiator in the schoolroom.

This is said to be the first case in the United States where a school district has ever been held liable for such damages. The case was fought with vigor by C. B. Graves and C. Hovey as attorneys for the school district, and by Henry J. Snelvy of North Yakima as attorney for the little girl.
