

ITCHING ECZEMA FIFTY-FIVE YEARS

Suffered Torments from Birth —
Boils Formed as Big as Walnuts
—In Frightful Condition and Could
Hardly Work — Tried All Kinds of
Remedies to No Avail — At Last

WHOLLY CURED IN 8 MONTHS BY CUTICURA

"I had an itching, tormenting eczema ever since I came into the world, and I am now a man fifty-five years old. I tried all kinds of medicines I heard of, but found no relief. I was truly in a frightful condition. At last my blood was so bad that I broke out all over with red and white boils, which kept growing until they were as big as walnuts, causing great pain and misery. I thought they would take the skin off my whole body, but I kept from scratching as well as I could. I was so run down that I could hardly do my work. Mr. Nelson R. Burnett recommended the use of Cuticura Remedies, telling me he was confident they would benefit me, and in time, cure me. I used the Cuticura Soap, Ointment, Resolvent, and Pills for about eight months, and I can truthfully say I am cured. I cordially recommend Cuticura Remedies to all who are afflicted the same as I was, believing that, if they will use them according to directions, they will find them all they are represented to be. Any one doubting the truth of the above can write to Mr. Burnett, who will cheerfully vouch for my statements."

"Hale Bordwell, R. F. D. 3, Cedar Corners, Tipton, Ia., Aug. 17, 1907."

"I cheerfully endorse the above testimonial. It is the truth. I know Mr. Bordwell and know the condition he was in. He never tires of praising the Cuticura Remedies."

"Nelson R. Burnett, Tipton, Ia."

AMONG THE EXCHANGES OF THE INLAND EMPIRE

Fatally Hurt in Runaway.

When within a mile of his home in the Horse Heaven country, after having driven with his wife and eight-year-old grandson from Kennewick last Friday night, Captain James Nevens met with a serious accident which may cost him his life and deprive the community of one of its most highly respected citizens, says the Kennewick Reporter.

In the darkness the horses strayed from the road and went over an embankment, became frightened and ran away throwing the occupants of the rig out onto the hard ground. Mrs. Nevens and young grandson escaped uninjured with the exception of a severe shaking up, but the aged captain had the bone of his right leg fractured and his shoulder frightfully crushed.

When Mrs. Nevens discovered the serious condition of her husband she walked three miles through the darkness to the nearest house, arriving almost exhausted at the home of L. H. Edwards. Lanterns were immediately procured and the men hastened to the scene of the accident. The injured man was suffering so severely that it was impossible to move him. Fires were built and the captain cared for as well as possible while a messenger was dispatched on horseback for Kennewick.

Farmers Build Phone Line.

This afternoon practically every rancher in the Finley district is at work helping extend the telephone line to the railroad station in preparation of the marketing of the strawberry crop which will be started within the next 10 days.

At a recent meeting of the Development club Manager Rose of the Fruit Growers' association promised the Finley growers that he would put a man at their station to handle their berries and suggested that the telephone line be extended so that communication could be established with this city.—Kennewick Reporter.

New Court House for Crook.

The contract has been awarded for

building the new court house at Prineville, John B. Shipp being the successful bidder, and the contract price for the superstructure being \$87,000, says the Madras Pioneer.

This sum includes the remodeling and re-painting of the basement, rebuilding the steps, relaying the concrete and cleaning the yard. The basement and foundation cost the county something in the neighborhood of \$16,500, but owing to alleged defects in the work and deviations from the specifications, \$2500 was held back out of that amount. The total cost of the building, including basement and superstructure, will be \$73,500, which is considerably in excess of the \$40,000, which it was claimed at the time of the court house agitation was to be the limit on the cost of the new building. The building is to be entirely of gray stone similar to that used in the foundation and it is to be completed within one year.

SPENT LAST EIGHT YEARS IN MISERY

Boston Banker Says His Life Has Been Hopeless for that Length of Time.

Carleton H. Hutchinson, a leading banker and broker of Boston, with offices at 8 Congress Street, in that city, has recently come out with a very strong statement.

In the widespread discussion over Cooper's new theory and medicines which has spread over the country so rapidly, Mr. Hutchinson has taken the side of those who say that Cooper's theory is correct and his medicine all that he claims.

Mr. Hutchinson's emphatic statement is as follows: "Anyone afflicted with chronic ill health and a general run-down condition caused by stomach trouble, who does not try this man Cooper's medicine, is very foolish. I say this after a most remarkable experience with the medicine."

"I heard of Cooper's success first when he was in Chicago, as I have a private wire to that city in connection with my business. Later, when he came East, I learned more of him and his theory that stomach trouble causes most ill health. I have had no faith in anything not prescribed by a physician for each particular case after careful diagnosis, but after eight years of constant suffering, during which

time I spent over \$1,500 with absolutely no relief, I felt that it would at least do no harm to try the medicine which I was hearing so much about.

"During these eight years I have been forced to go without solid food for five and six weeks at a time. I always had a sour stomach, was troubled with formation of gas, and led the usual miserable life of the dyspeptic. I was dull, tired, nervous and gloomy all the time, and was always constipated.

"I have taken Cooper's medicine a comparatively short time. For the past month I have not had the slightest sign of stomach trouble. I can eat anything with no bad effect whatever. I have a fine appetite, am gaining flesh very rapidly, am cheerful, full of energy, and my nervousness has disappeared. My bowels are in perfect condition for the first time in eight years.

"I don't hesitate to say that I would not take \$50,000 and be back where I was. My relief and thankfulness is beyond description."

We sell Cooper's famous preparation described in the above statement.—Pendleton Drug Co.
