

Nervous women should profit by Mrs. Barton's experience with Lydia E. Pinkham's Compound.

Mrs. Helen Barton, of 27 Pearson Street, Chicago, Ill., writes to Mrs. Pinkham:

"I was all run-down, and on the verge of nervous prostration from overwork and worry, and ill in bed, when I began taking Lydia E. Pinkham's Vegetable Compound. After I had taken it a week I commenced to get better. I continued its use, my nervous trouble disappeared, and I am completely restored to health. I hope Lydia E. Pinkham's Vegetable Compound will benefit other women as it has me."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

WANTED

I want to hear from owner having
GOOD FARM or
BUSINESS

for sale, any size and any locality. Not particular about location. If you want cash for your farm or business it will pay you to write me today. I only want to hear from owners who are willing to sell direct to buyers and without paying a cent of commission to anyone. I am not a real estate agent and I don't accept properties for sale on a commission basis. Agents need not answer. If your farm or business is for sale write me at once and I will send you free full details of my new plan of putting you in touch with hundreds of people anxious to buy. I must hear from you quickly, as I have more buyers than I have properties to recommend. It costs you nothing to write to me and I may have someone who wants your place and will pay your full price. In writing give price and description and state how soon possession can be had. Lark, Dryshire, Drawer 984 Rochester, N.Y.

ATHENA BREVITIES NEWS OF MILTON

PROSPECTS FOR WHEAT WERE NEVER BETTER.

Expect More Rain in May, Which Will Insure Good Crop—Contract for More Potatoes for Seattle Market—Interesting Ball Game Played Last Sunday—Market Day Saturday Promises to Be Success.

Athens, April 30.—Wheat never looked better in the Athens country at this season of the year, according to the old settlers. There is some complaint of it being dry, but it has not been dry long enough to hurt the wheat, and it will not suffer unless it remain dry some weeks longer. The growers are sure of more rain in May, and this will insure a good crop. In some localities the growers complain of weeds, but with the exception of a very few instances there will be no damage from them.

Mrs. Charles Brotherton, who has been critically ill with pneumonia, is better. Sunday her life was despaired of, but now chances for her recovery are considered favorable by Dr. Sharp, the attending physician.

M. L. Watts and Attorney S. F. Wilson have purchased 160 acres of land on the reservation foothills from Mrs. F. P. Page. Consideration \$39 per acre. It is wheat land.

Lawrence Llewellyn was in the city Sunday from Adams.

Marshal Gholson and a force of men are engaged in putting down new crosswalks in the city.

The Misses Grace and Lula Ray visited friends in Athens Tuesday. The meetings being carried on at the M. E. church by the Evangelist Carradine of St. Louis, are being well attended, and they will continue indefinitely.

Mr. and Mrs. Henry Schmidt were in from their ranch yesterday in their automobile to meet Mrs. Welshart of Pendleton, who will visit them for a few days.

A number of people from here went to the ball game in Walla Walla Sunday, and many will go to Pendleton on the excursion next Sunday.

The Caledonian picnic will take place May 22 and 23. The committee is now engaged in arranging the program and this promises to be the most successful affair of the kind yet given here.

Ten additional carloads of potatoes have been secured by Seattle buyers, on the mountain ranches east of town. This additional purchase brings the total up to 40 carloads, which have been purchased in the last 10 days. The big shipment will be made from Athens over the Northern Pacific. Delivery of the potatoes commenced yesterday, and will be rushed from now on.

Athens and Adams played a splendid game of ball on the Athens diamond Sunday afternoon. Athens won by the close score of 3 to 2. Dave Stone pitched for Athens, and Dr. Fre Llewellyn for Adams. The Athens team plays Pilot Rock at this place next Sunday.

Market Day Saturday. Over \$4000 worth of property, a goodly portion of it being horses and cattle, has been listed for sale on Athens's first market day, which takes place next Saturday. Two auctioneers will be employed, and no charge will be made for selling property. A large number of people from the country surrounding are expected to be here for this sale.

Will Build Line. The company which is now operating an electric line between Walla Walla and Milton, and which has secured a franchise to build through Weston, is investigating conditions here. They are in correspondence with influential men of the city for the purpose of securing right of way in the Athens country, and it is believed that it is the intention of the company to build on to this place as soon as possible, though there is no certainty as to when it will be run from Milton this way, though all of the right of way has been secured to Weston, and through the town. It is believed that if Pendleton will make the proper effort the company can be induced to build on to the county seat before many months.

NORMAL PLAY.

Believe That Good Will Result from
Booster Meeting.

Weston, April 30.—The Junco club of the Weston Normal will put on the play, "The Old Maids' Convention," the last of the week. This promises to be one of the best productions put on by the Normal this year.

The Pythian Sisters held a most interesting session Monday evening. Mrs. Wm. Cogswell of Freewater, worthy grand matron, was present and the team work was executed to perfection, after which an elegant banquet was served.

Mrs. Bert Winn has returned to Helix after visiting with relatives here for a time.

Those from here who attended the booster meeting in Pendleton Monday night are of the opinion that the meeting will yet result in much good in the county. All parts of the county should be with Pendleton in the booster cause.

Jesse Llewellyn has just gone out on another sheep shearing expedition after spending a few days in the town.

Wheat is looking fine in this section of the county and the growers are looking forward to one of the best crops in the history of the county, unless something very unusual happens.

CONTRACT FOR FRUIT HOUSE IS AWARDED.

More Property Sales in Milton—Council Adopts Resolution Whereby City Will Undertake to Provide for Maintenance of Library—Spring Work Being Completed—Fruit Prospects Are Excellent.

Milton, April 30.—W. A. Hannister was awarded the contract yesterday by the Milton Fruitgrowers' union, for the construction of their new fruit packing house. It is to be a two-story frame building 40x100, and the contract price is \$3125.

J. B. Baldwin has sold to J. A. Martin 20 acres of land west of town for \$1000.

Charles Albright, who recently purchased four dwellings in Milton, has such faith in the future of Milton that he has purchased from Mrs. M. J. Moss property for a home, paying \$250 for it, and he has let the contract for a cottage to cost \$1000 to W. A. Hannister.

J. B. Frazier has sold 40 acres of wheat land east of town to W. H. Frazier, for \$3000.

The city council has adopted resolutions whereby the city will undertake to provide for the maintenance of the library at this place, as soon as a suitable building can be provided. Efforts will now be made to get in touch with Andrew Carnegie for the purpose of getting aid from him.

The fruitgrowers have their spring work under way, and everything looks fine in this section of the county for a bumper crop. The late frosts did no damage in this section of the country, though some was reported in the vicinity of the state line.

Mrs. A. S. Pearson, who has been quite ill for some days is considerably improved, and it is believed that she will be entirely well in a few days time.

Prospects are good for a strawberry crop in this section of the country this year.

How to Avoid Appendicitis. Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Pendleton Drug Co.

Keep the Kitchen Cool

Why swelter over a glowing range in a stuffy kitchen, when a new Perfection Wick Blue Flame Oil Cook-Stove will do the family cooking without raising the temperature enough to be noticeable?

By putting a "New Perfection" in and allowing the range fire to go out, you may make this summer's kitchen work not only bearable, but actually a pleasure. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

produces an intense heat under the kettle or in the oven, but does not radiate heat in all directions as a coal range does—hence is used with comfort on the hottest summer day. Made in three sizes, and warranted. If not with your dealer, write our nearest agency.

The Rayo Lamp

comes as near lamp perfection as is possible to get. Gives a clear, bright light that reaches the farthest corner of a good sized living-room. Well made throughout of nickel-plated brass; perfectly safe and very ornamental. Warranted in every particular. If not with your dealer, write our nearest agency.
