For Her Children—Little Girls Suffered with Itching Eczema Which Simply Covered Back of Heads—Baby Had a Tender Skin, Too.

ALL PROMPTLY CURED BY
"WONDERFUL OINTMENT"

"Some years ago my three little girls had a very bad form of eczema. Itching eruptions formed on the backs of their heads which were simply covered. Before I heard of Cuticura, I used to try almost everything but they failed. Then my mother recommended the Cuticura Remedies. I washed my children's heads with Cuticura Soap and then applied the wonderful ointment, Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another baby who is so plump that the folds of skin on his neck were broken and even bled. I used Cuticura Soap and Cuticura Ointment and the next morning the trouble had disappeared. I am using the Cuticura Remedies yet whenever any of my family have any sores, I can never recommend Cuticura sufficiently; it is indispensable in every home. I cannot find its equal. Mme. Napoleon Duceppe, 41 Duluth St., Montreal, Que., May 21, 1907."

PAINFUL ULCER

On Foot for a Year. Healed by Two Sets of Cuticura

"I had an ulcer on my foot for a year or more and it was very painful as it was a running sore. I had a doctor, but his treatment did not heal it. About eight months ago I commenced to use Cuticura Soap, Cuticura Ointment, and Cuticura Pills. I used two sets and it is now all healed up. Mrs. E. F. Ryder, West Brewster, Mass., April 29, 1907."

Hundreds of Pendleton Readers Know What It Means.

The kidneys are overtaxed; Have too much to do. They tell about it in many aches and pains—

Backache, sideache, headache, Early symptoms of kidney ills, Urinary troubles, diabetes, Bright's disease follow.

Mrs. J. T. Galloway, living on C. St., Elgin, Ore., says: "Judging from the benefit I derived from the use of Doan's Kidney Pills I can only speak of them as being a reliable remedy for the kidneys. I used them principally for a severe pain across my back, which had annoyed me for some time. The results that followed the use of the first box were so beneficial that I continued taking them and since that time my back has given me but little trouble. I cheerfully recommend Doan's Kidney Pills."

FREEWATER-MILTON NEWS OF WESTON

BANK OF MILTON WILL BE NATIONAL BANK

All Kinds of Business Growing in Proportion—Milton Will Have Larger Columbia—Money Being Raised for the Purpose of Putting Up New Building—Delegates Appointed to Grand Lodge.

Milton, May 1.—The Bank of Milton, which was incorporated in 1889 as a private bank, has applied to the comptroller of the treasury at Washington for a charter and will soon be converted into a national bank, to be known as the First National Bank of Milton, with a capital of \$50,000. The bank's business for the year closing March 31 shows an average increase over the previous year of 25 percent. The total resources of the bank are \$410,000, of which \$170,000 is cash on hand and sight exchange. The net surplus and undivided profits for the past year were \$25,000, an increase of \$5400 over the previous year. This section of the country is growing so rapidly, that all businesses are being improved in proportion.

The executive board of the Columbia college, the South Methodist college at this place, has secured an option on 20 acres of excellent land just west of the present site of the college, and within less than two blocks of the electric car line, which will be as declared by all the business men the proper location for a new school building, and a greater "Columbia."

In order to raise the \$50,000 now proposed by the board of education, it will be necessary for the citizens of Milton to give at least \$12,500, of which \$5000 has already been pledged by four individuals. The college has many friends in the neighboring states, and it is thought that the balance of the money can be easily raised. A committee is now engaged in raising the funds.

Freewater Notes.

Freewater, May 1.—The newly organized Integrity lodge, No. 175, Rebekahs, which has just been organized at this place, at a meeting Tuesday evening appointed Mrs. George P. Sanderson and Mrs. L. B. Mitchell as delegates to the grand lodge, which meets in Salem in May.

Mrs. M. E. Andrews of Spokane, is visiting with her brother, Jesse Barker, the postmaster.

Petitions are being circulated in Milton and Freewater asking the Pacific Coast Elevator company to remove the old warehouse from near the depot, and they will forward it to the main office in Portland. The building has not been in use for years, and as it is an old frame structure it is considered a fire trap. In case the company does not remove it, the council will probably condemn it.

Debate Cuban Question.

New Haven, Conn., May 1.—Yale and Harvard orators will meet in their annual debate this evening. Harvard will defend the affirmative side of the following question: "Resolved, That it will be for the best interests of Cuba that the United States, before the end of the next two years, cease to have any part in the government of that island, reserving only those rights included in the Platt amendment."

Work Horse Parade.

New York, May 1.—For the second annual New York work horse parade to be held on Memorial Day, entries close today, and competition for all prizes will be limited to horses named before midnight tonight. The parade, which promises to be the greatest of its kind ever held in this country, will be held under the auspices of the Woman's Auxiliary of the American Society for the Prevention of Cruelty to Animals.

The soothing spray of Ely's Liquid Cream Balm, used in an atomizer, is an unspeakable relief to sufferers from catarrh. Some of them describe it as a godsend, and no wonder. The thick, foul discharge is dislodged and the patient breathes freely, perhaps for the first time in weeks. Liquid Cream Balm contains all the healing, purifying elements of the solid form, and it never fails to satisfy. Sold by all druggists for 75 cents, including spraying tube, or mailed by Ely Bros., 56 Warren street, New York.

Unable to sleep, H. G. James, a wealthy rancher residing at Castle Butte near Walla Walla, arose Thursday morning, wrote a brief note to his wife, stating that he had been unable to get a wink of sleep all night, and then went out into the yard and shot himself through the head with a rifle, dying instantly.
