

Bankrupt Sale of the Lee Teutsch Stock Will Continue

Owing to the fact that this stock was bought at 56c on the dollar the management has decided to continue the same prices quoted the past two weeks since the opening of the store. It is needless to say the prices are right, that has been proven by the enormous business done since the first day the doors were thrown open. We can afford to sell at actual wholesale price and make money. We have done this and in many cases marked good saleable merchandise far below cost. **What other store can do this and live?**

WE KNOW THE PEOPLE WILL APPRECIATE OUR EFFORTS IN GIVING VALUES NOT OBTAINABLE ANY OTHER PLACE, AND WE LOOK FOR AN ENORMOUS VOLUME OF BUSINESS IF PRICES ARE AN OBJECT TO YOU.

EACH AND EVERY DAY YOU WILL FIND EXTRA SPECIALS PRICED WAY BELOW COST JUST FOR ONE DAY. TAKE ADVANTAGE OF THESE OFFERS. IT WILL PAY YOU.

NEW MILL FOR WESTON.

Walla Walla People Said to be Backing New Enterprise

The leader is reliably informed that plans are under way for the erection of a large flour mill in this city, situated near the O. R. & N. depot grounds, says the Weston Leader. The power will probably be electricity and the concern will be backed by prominent Walla Walla and Weston people.

Mills of large capacity have flourished in Weston in the past and there seems no good reason why history should not repeat itself in this instance.

It is known that a Walla Walla miller of capital and experience has visited Weston on two occasions to look the proposition over and that he is favorably impressed with the outlook. The same gentleman is identified with the car line enterprise.
