

BABY'S EYESIGHT WAS THREATENED

By Terrible Eczema—Head Became a Mass of Itching Rash and Sores—Would Scratch Till Blood Came—Much Money Wasted in Fruitless Treatments—Disease Was Soon

CURED AT SLIGHT COST BY CUTICURA REMEDIES

"Our little girl was two months old when she got a rash on her face and head within five days her face and head were all one sore. We used different remedies but it got worse instead of better and we thought she would turn blind and that her ears would fall off. She suffered terribly, and would scratch until the blood came. At night we had to pin her hands down. This went on until she was five months old, then I had her under our family doctor's care, but she continued to grow worse. He said it was eczema. When she was seven months old I started to use Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and in three weeks—what a change! I kept using the Cuticura Remedies for two months and our baby was a different girl. You could not see a sign of a sore and she was as fair as a new-born baby, and all for the small cost of a dollar and seventy-five cents where we had spent ten times the money for doctoring. She is now two years old and has not had a sign of the eczema since. Mrs. H. P. Budke, R. F. D. 4, LeSueur, Minn. Apr. 15 and May 2, 1907."

SLEEP KILLED

By an Itching Humor. Another Cure by Cuticura Remedies.

"I broke out with a humor which spread almost all over my body. The itching would get worse on retiring, so I could not sleep. I tried several remedies but it grew worse until I got some Cuticura Soap and Cuticura Pills which began to relieve me at once. By the time I had used one vial of the Pills, the humor was entirely gone. I wish every sufferer could secure the Cuticura Remedies. Travis Bates, Hamburg, Ark., April 26, 1907."

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults consists of Cuticura Soap (25c) to Cleanse the Skin, Cuticura Ointment (50c) to Heal the Skin, and Cuticura Resolvent (50c) to Purify the Blood. Sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, Mass. Free, Cuticura Book on Skin Diseases.

When you buy Lard you get more than you bargain for—It's heavier in your stomach than on the scales

Lard is a foe to digestion. If you had the stomach of an ostrich you could hardly withstand the ravages of lard-soaked pastry. You have probably found this out and already given up the eating of pastry. 'Tis wholly unnecessary! Anyone can eat and digest food cooked with COTTOLENE, the perfect shortening. It is a pure vegetable product, made from the best beef suet and choicest vegetable oil.

When you buy lard you have no protection as to quality—you simply know you are getting LARD—never mind the grade, it's just L-A-R-D. On the other hand, every pail of COTTOLENE in uniform—the product is guaranteed. You take no chances whatever.

In the face of these facts just ask yourself if you can afford to use hog lard when you can get pure, healthful, nutritious COTTOLENE.

Cottolene is Guaranteed We hereby authorize your grocer to refund your money in case you're not pleased after having given COTTOLENE a fair test.

Never Sold in Bulk COTTOLENE is packed in pails with a patent air-tight top, to keep it clean, fresh and wholesome; also to prevent it from absorbing the disagreeable odors of the grocery, such as fish, oil, etc.

ECHO NEWS NOTES

GOVERNMENT WILL PUT IN THREE MILES OF CEMENT

Will Be Necessary on Account of Water Washing Under Track—Will Be Safe for All Time—Another Teacher Appointed for Schools—Chamberlain Speaks Here Tomorrow Night—Echo Continues to Grow.

Echo, May 8.—The government will soon have a force of men at work to put in about three miles more of cement along the ditch where it will be necessary about a half mile below Echo on account of the water washing under the O. R. & N. track, making the roadbed very soft. There is a piece of the ditch that is very near the track, and the railroad officials state that it has been necessary to bring all trains down to a slow rate of speed as the bed is in bad shape near the ditch, and they have requested the company to make some improvements to avoid this trouble. It is understood that the government will make it safe for all time by putting in the cement.

Besides the three teachers that were appointed by the school board last week to teach at Echo next term, the directors have just appointed one more, Mr. O. A. Cannon, who taught here last year. A meeting will be held in a few days to elect another teacher, which will make the list complete.

Governor George E. Chamberlain will speak at Echo tomorrow evening and the people here will turn out en masse to hear him. He will come here from Pendleton in an automobile.

The Echo country continues to grow, and there are many new people coming in. Crops look good, and the prospects are good for an excellent year.

A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California. "Two 25c boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at Tallman & Co.'s drug store.

Elect Teachers.

Weston, May 8.—Tomorrow the directors of the Weston district will meet to elect teachers for the next school year. T. M. Bowman is not a candidate for re-election as principal, having arranged to engage in the candy manufacturing business at Portland. Miss Eva L. Wood, who has charge of the primary work, is another teacher who will not be an applicant.

A large force of men are now at work crushing rock which will be laid and rolled in the middle of the highway which is being repaired for two miles south from the city limits where the road is in very bad shape. The farmers are donating much of the work being done.

CURE THE CAUSE.

How to Remedy Much of the Suffering in Pendleton.

Half of the sickness and suffering in Pendleton comes from a weak stomach. Cure the cause by using Mi-o-na Stomach Tablets and be well and happy.

Even the most chronic cases yield to Mi-o-na. W. C. Worrell, connected with the Lake Shore railroad for years, says: "For 15 years I had acute stomach trouble and nothing helped me. A friend recommended Mi-o-na and two boxes entirely cured me."

Cure the cause of your suffering and be well and happy. If the stomach is weak and you have indigestion, flatulence, dizziness, headache, etc., get a 50-cent box of Mi-o-na from Tallman & Co. They give an absolute guarantee to refund the money unless Mi-o-na cures.
