SHIP FIFTY CAR LOADS OF SHEEP

OREGON SHEEP TO WASHINGTON RANGES.

Local Flocks Being Depleted by Buyers From Eastern Part of Neighboring State—First Shipment of 20 Cars Goes Out Today—Remainder Will Be Shipped Later.

About 50 carloads of sheep will be shipped out of this city in the next few days over the Northern Pacific, most of this number being destined for the summer ranges of Washington.

Twenty carloads will be shipped out today or tomorrow by T. J. Matlock of Heppner to Otis, Wash., where they will be placed on the summer ranges. They will be driven from Heppner to this city and are expected to arrive this evening to be loaded at the Northern Pacific yards here.

Another shipment of 25 to 30 cars will be made over the Northern Pacific in a few days to Ellensburg, where they will be placed on summer ranges in the Cascade reserve. These will be purchased from different sheepgrowers of this county by G. H. Churchill, of Ellensburg. Cars have already been ordered for the shipment. Shearing is now about two-thirds finished in this county and many will be made within the next month.

other realty men, also spoke freely and urged that the people of this city join in helping them to settle the lands under the different irrigation projects of the county.

R. Alexander, president of the Commercial association, Bert Huffman, G. W. Phelps, T. T. Geer, G. M. Rice and others of this city were also called forth and each man assured the realty men of Pendleton's sincere desire to cooperate with them in their work. Several sought to convince the realty men that the "knocker" does not exist in this city and declared that if he has been at work in the past he will soon become extinct.

At the Banquet.

It was nearly 11 o'clock when an adjournment was taken to the dining room of the Hotel Pendleton, where a banquet had been prepared by the Commercial association in honor of the visiting real estate men.

After a well arranged supper had been partaken of, T. T. Geer arose as toastmaster and spoke in an optimistic mood and at some length concerning the meeting. He then announced that brief responses to toasts would be in order from those present and called upon Attorney N. C. Richards as the first speaker. Mr. Richards responded in an appropriate manner.

James Kyle, fruit dealer and practical farmer on the Furnish project, Dr. I. U. Temple, Lot Livermore, Judge S. A. Lowell, Dr. H. W. Coe, R. Alexander, J. S. Vinson, Asa B. Thompson and others were called forth and all responded with talks that brought forth much cheering.

Freewater Is Willing.

In a clever manner J. S. Vinson spoke of the Freewater-Milton section of the Walla Walla valley and declared that that portion, too, had been overlooked by the people of Pendleton. He said the people of that section desire a closer relation with the county seat and said that they prefer to come this way rather than to cross the state line. But owing to lack of an electric line southward they are at present barred from the pleasure of doing business in this city.

In behalf of Hermiston, Col. H. G. Newport invited all present to attend the opening of the East Umatilla project on May 25 and in turn Mr. Vinson invited Pendleton to attend the strawberry festival to be held at Milton and the peach day to be pulled off at Freewater. In a humorous vein James Kyle declared that Echo is planning a "spud carnival" for the near future and invited all to attend.

It was 12:30 when the banquet ended with a toast to the real estate men and to the movement for developing the county.

FROM WOODMAN MEETING.

Pendleton Delegate Returns Home After an Enjoyable Visit at Ashland.

George A. Robbins, clerk of Tutuilla camp of the Modern Woodmen of America of this city, returned home this morning from the state camp which was held at Ashland this week.

There were 32 delegates present, and the St. Johns brass band accompanied the special party which went in a tourist car from Portland. Ashland gave the state camp a hearty reception and entertained the delegates in a most pleasant manner. Drives and sight-seeing expeditions were enjoyed and the delegates returned home with high praise for the chief city of southern Oregon.

Five delegates were elected to attend the supreme camp which meets in Peoria, Ill., on June 16. Fred Currey, editor of the La Grande Observer, was elected to represent the eastern Oregon district.

CARTER MAY RUN.

Name Placed Upon Official Ballot by Secretary of State.

A certificate of the secretary of state showing the state and district nominees for the coming election has been received by County Clerk Saling and the ticket shows the name of Charles H. Carter as democratic candidate for district attorney for this district.

According to Mr. Carter he is at a loss to understand how his name came upon the ticket but he suspects some of his friends. Whether or not he will now make the race for the district attorneyship remains to be seen.

APHIS DESTROYS PEACHES.

Vinson Says Freewater Country Will Only Have Half Crop.

That the aphid has been causing havoc with the peach crop in the vicinity of Milton this year is declared by J. S. Vinson of Freewater, who was here last evening. According to Mr. Vinson, the aphid, which usually attacks only the leaves of the peach tree, has affected the blossom this year and a large percentage of the crop will be lost.

But while the aphid has done injury the remainder of the crop will be so large that the loss will be made up to a great extent.

T. J. Mahoney Is Here.

T. J. Mahoney of Ione, and republican candidate for joint representative for Umatilla and Morrow counties is now here upon a campaigning trip. He was in attendance at the booster meeting held in the Commercial association rooms and also at the banquet, being called upon to speak at both occasions.

Mrs. C. L. Blakeslee of Union, mother of Dr. Lynn K. Blakeslee of this city, came over yesterday afternoon to visit her son and family for a few weeks. She is now over 80 years of age and has been a resident of the town of Union for almost 50 years.

MUSIC TEACHER HAS RESIGNED

MISS LYMAN TO TEACH AT WHITMAN

Head of Pendleton Academy's Department of Music Will be at Walla Walla Next Year—Miss Harriett Young of La Grande Has Been Secured to Fill Vacancy—An Instructor and Musician of Ability.

Miss Marjorie Lyman, who has been at the head of the department of music at Pendleton academy for the past two years, has just tendered her resignation, the same to take effect at the close of the present school year. She has accepted the position of assistant teacher in the conservatory of music at Whitman college.

Miss Lyman is a daughter of Prof. W. D. Lyman of Whitman college and is herself a graduate of the department of music of that institution.

She is not only an instructor of much ability, but she is an accomplished musician and has placed the music department of Pendleton academy on a self-sustaining basis during her administration.

Miss Lyman has also been organist at the Presbyterian church and will be greatly missed by the members of the church and congregation.

Successor Selected.

Miss Harriett Young of La Grande, also a graduate of the department of music of Whitman college and of the Fischer school of music of Walla Walla, has been selected by the board of trustees as a successor to Miss Lyman and will take charge of the department of music at the beginning of the next school year.

Miss Young is also an accomplished musician and has been offered flattering positions both at Whitman and in the Fischer school of music, but has decided to come to Pendleton academy where the field for a musical director seems to be especially promising.

The department of music of Pendleton academy is now in a flourishing condition and is one of the most important departments and will be enlarged and extended in every way to meet the growing demand for a thorough musical education in this vicinity.

NOELL AND ZIMMERMAN.

Two Prominent Speakers Will Be in Pendleton Sunday.

J. R. Noell and E. C. Zimmerman of Portland, will be in Pendleton next Sunday. They will speak in the churches morning and evening at the usual hours for services and will both be at a big union mass meeting at 3 o'clock in the Methodist church.

In the morning Mr. Noell will address the congregation at the Presbyterian church. Mr. Zimmerman will speak at the Baptist church. In the evening Mr. Noell will be at the Christian church and Mr. Zimmerman at the Methodist church. These well-known speakers will present the questions of local option fairly and plainly and in such a way that the citizens of Pendleton will be glad to hear their positions stated. No doubt a large majority of the people will avail themselves of this opportunity to hear these experts on the question.

SALOON ROBBER HERE.

Albert Murray Occupies Cell—Hadky Released.

Albert Murray, the half-breed, who admits he robbed the Corner saloon at Athena, was brought down from that place last night and lodged in the county jail. As he has admitted that he broke into the saloon and stole \$10, it is presumed that he will plead guilty when arraigned in circuit court and take a sentence in the penitentiary.

Herman Hadky and Andrew Picard who were implicated in the crime by Murray, were released yesterday because there was no further evidence against them and the district attorney did not regard them as guilty.

ON "HONEYMOON" TRIP.

Friends Gave Mr. and Mrs. Metz a Fake Sendoff Last Evening.

Last evening Mr. and Mrs. M. C. Metz, who have had their home here since last fall, left for Chicago where they will spend the summer. At the east bound train last evening a small party of friends gathered to bid Mr. and Mrs. Metz goodbye and they showered them with rice as though they were a newly wedded pair. The scheme worked so successfully that most of the travelers at the depot believed the departing ones were just starting upon their honeymoon.

Mr. and Mrs. Metz will return to Pendleton in the fall.
