

HOMES IN HERMISTON

Do You Want to Build a Home
or Make an Investment
?

OWING to the urgent demand for homes by the incoming settlers and families desiring to make Hermiston their home on account of excellent school privileges, pure water and healthy climate, the proprietors of the original townsite and the Newport addition adjoining, offer to give a warranty deed to a choice lot in Newport's addition, to any person who will build a house thereon to cost \$400.00 or more.

This addition is part of the Newport Homestead, the land is patented and title perfect, and is only 2 blocks from business center of town, 3 blocks from Post Office, and 1 block from new Public School Building. The streets are 70 feet wide. Water for Irrigation purposes supplied from government canal. Water for domestic purposes from city water works. Some of the best residences in the city are in this addition. Lots are sold from \$100 to \$200 each.

If you cannot spare time to build your own house, we will build it for you.
