FINEST EVER MADE

SOFTNESS OF SEALS KIN.

Is Rivalled by Human Hair Where Dandruff Is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. A. C. Koeppen & Bros.

Ben Gifford, the well-known photographer of The Dalles and they have been on exhibit here today.

One of Mr. Gifford's views is of the city of Pendleton and it shows the town from above the hospital to the extreme lower edge of the city. The view is 70 by 16 inches and the detail is strikingly clear.

The other view shows the Presbyterian church on the reservation, surrounded by tepees erected there during the revival meeting that is now on. This picture is large and is one of the most lifelike things ever taken in the photograph line.

The photographs were taken by Mr. Gifford with a monster panoramic camera he secured not long ago and the pictures displayed are just as taken by the machine, there being no enlargement.

For some time past Mr. Gifford has been in the service of the O. R. & N. company and his pictures are used for advertising purposes all over the country. It is likely that the two views taken here will be used for that purpose.

REMAINS OF WILLIAM BRANDT LAID TO REST.

Many Friends Pay Last Respects to Unfortunate.

At 3 o'clock this afternoon the funeral of William Brandt was held from the Baker & Folsom parlors and a large crowd of friends of the dead man were out to do his memory honor. The funeral expenses were paid by the saloonmen of the city and a beautiful casket was secured. The service at the undertaking parlor and also at the cemetery was conducted by Rev. Charles Quinney, rector of the Church of the Redeemer.

The following friends of the de-

ceased served as pallbearers: Tom Ainsworth, P. Corrigan, J. H. Doty, William Clancy, Dee Matlock and Ed Thompson.

According to those who knew Brandt well, he was a likable fellow and there is genuine regret over his death, though in view of his misfortune they do not blame him for ending his life.

Years ago the deceased became addicted to morphine through an accident. While a bystander at a fight in Portland he was struck upon the head by a policeman and a trepanning operation was necessary to save his life. He was given morphine by the surgeon and it is said became a victim to the drug habit without knowing what he was using. Though he was unable to shake off the habit he abhorred it and never associated with others who were "dope fiends."

PENDLETON VS. PORTLAND GREYS

FANS LOOKING FOR

BEST GAME OF SEASON.

Parkes Will Be in the Box and Strongest Team City Has Had for Years Will Be Out to Win—Lorimer Has Strong Line-up—Game Called Early—Two Contests With La Grande Next Week.

Having already won from all the ball teams of this section, the Pendleton team will play the Portland Greys here tomorrow and the fans are looking forward to the game with interest.

Though the visiting team is a strong one, the local rooters are now willing to back Lorimer's stickers against anything that may come down the line and they declare that after the game tomorrow the color of the visiting team will have an autumnal hue.

In the game tomorrow Parkes will be in the box for Pendleton, a fact that shows that the team will be out to win. Munson, a new man from Alameda, will be behind the bat, while Conrad will again play first.

Shockey will hold down the second bag, Van Houten, third and Lee will play short stop.

In the outfield King will play left, Gray center and Baker right. Collins and Lorimer will be on the bench.

The game tomorrow will commence at 2:30 sharp as it is necessary for the visiting team to leave for Walla Walla on the evening train.

Week Day Games.

On next Tuesday and Wednesday, La Grande will be here for two more games and other week day games have also been scheduled.

The soldiers from Fort Walla Walla will be here a week from Sunday and an effort will be made to have them here on Saturday also. Later on games will be played with Baker City.

According to Manager Lorimer, a regular league will not likely be formed owing to the failure of Walla Walla to line-up in the same. But nevertheless, many week day games will be scheduled and in reality league ball will be played regardless of the failure to organize.

Lorimer's team is now the strongest local line the city has had in years and with the success it has had so far players are flocking to the team from all sides.

TAFT AND BRYAN SAY BIRDS, INSECTS, SNAKES.

Management of Sells-Floto Circus Makes Extraordinary Claims for Some of Their Exhibits.

It is claimed that the celebrated trained and talking parrots, "Abe Martin," so-called to honor Ken Hubbard, the Indiana cartoonist, and "Ella W.," named after Ella Wheeler Wilcox, of literary fame possess the power of prophecy to a remarkable degree. These autocratic birds abide with the Sells-Floto circus, and are the only breeding parrots in captivity. The other day to their nest in the winter menagerie of the show at Venice, "Abe" carried and deposited a small quantity of tea. "Ella" in turn brought 12 inches of a tape line (a ft.) The seers with the circus immediately put the two together and announced that "Taft" would be the next president.

The Sells-Floto shows have a spider circus in the menagerie—spiders that do acrobatic stunts, cake walk, and feature themselves in various ways. One big fellow named "Jeff," after Jeffries, the prize fighter, a few days ago spun a web and in it caught and placed side by side a honey bee and a grain of rye. The web was in the shape of the letter "N." The circus seers thereupon made out from this that Bryan will be nominated by his party for president.

Last year a snake with the Sells-Floto circus shedded and with the cast-off skin made letters that form the name of "Bryan," and the same snake with its second shedding drew a running horse and two small money banks, meaning, according to the seers, a prediction for Fairbanks.

The Sells-Floto circus with "Abe" and "Ella," and "Jeff," and their prophecies will be at Pendleton, Saturday, May 30, rain or shine.

Fishing Party to McKay.

A fishing party will leave this evening for the headwaters of McKay creek 30 miles from the city and expects to spend the day there tomorrow. Those who expect to go in the party are L. G. Frazier, Mark Moorhouse, Clark Nelson, W. G. McKinney, Win Stewart, Roy Ritner, Allie Knight and Fred W. Lamkin. They will go out to the Ritner farm for supper this evening and will drive from there to the home of Dave Horn where they stay all night, going up the creek tomorrow morning. A delightful time and a big catch are expected.

Recalls "The Huskin' Bee."

Miss Clara Louise Thompson, who put on "The Huskin' Bee" for the high school in this city two years ago, arrived this afternoon from North Yakima and has been visiting friends this afternoon. She is now engaged in conducting newspaper contests and left this afternoon for Baker City in hopes of taking charge of a contest there. Miss Thompson is well known here and made many friends while in the city two years ago.
