CLUB NOTES.

Thursday Afternoon Club.
 "Old California Missions" was the subject of a delightfully interesting meeting of the Thursday Afternoon club at the home of Mrs. A. J. Owen Thursday.

Mrs. Bert Huffman and Mrs. Owen were the entertaining hostesses.

Mrs. John Hailey read a magazine article on "The Early History," which contains the most interesting chapters in the annals of California.

The romantic and interesting story of the missions which have braved the storms of two centuries was given in an excellent paper by Mrs. C. F. Colesworthy, who traced the history from the founding of the first mission at San Diego by Father Junipero Serra through their palmy days, their decades of neglect until the "landmarks" association of southern California took up the work to arrest the hand of vandalism and decay. She also read the poem "The Bells of Monterey."

Mrs. J. S. Owen gave a brief sketch of "Missionary Work in Old Oregon," the pictorial remains of the former grandeur and beauty as well as the crumbling walls of these religious sanctuaries were shown in a number of beautiful photographs illustrative of the subject.

Reminiscences of visits to the missions in California and Mexico were given by Mrs. M. J. Lane, Mrs. E. P. Marshall, Mrs. Alice Sheridan and Mrs. T. C. Taylor.

Mrs. J. S. Landers beautifully sang Schubert's "Ave Marie," "The Monk" and Mendelssohn's spring song.

Delicious refreshments were served and a number of guests were present.

Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

Home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, not remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
