SCHOOL FIGHT ON AT ATHENA

WATTS WOULD OUST TWO MEMBERS OF THE BOARD.

Principal of School Declares Barrett and Taylor Were Not Regularly Elected—Also Says Jerry Stone, Chairman of the Board, Has Been Acting in Illegal Manner—Complaint Filed.

There is a merry strife on in the Athena school district between Homer I. Watts, principal of the school, and Jerry Stone, chairman of the directors, and it may figure prominently in the race which Mr. Watts is making for the office of county school superintendent.

On April 30 Mr. Watts filed a complaint against Mr. Stone in the office of the county superintendent and the following extracts from the same will show the nature of the case:

"To the County School Superintendent of Umatilla County, Oregon.

Your informant, the undersigned, in this, his information, most respectfully shows:

That the above named school district in Umatilla county, state of Oregon, a duly organized and continuing district, did on or about the last of December, 1907, have three duly elected and acting directors in the persons of A. M. Gillis, M. L. Watts and Jerry Stone.

That on or about the last of December, 1907, A. M. Gillis moved from the district out of the state of Oregon, causing a vacancy in the director's office, and on or about the same time W. L. Watts sent in his resignation, which was duly accepted, thereby leaving only one director, namely, Jerry Stone.

That the said Jerry Stone as director, caused the district clerk, F. Kershaw, to issue notices on December 26, 1907, for a school meeting to be held on January 4, 1908, and the said Jerry

TRACK TEAM IS SECOND BEST

SPOKANE TAKES FIRST IN BIG PULLMAN MEET

Muddy Field and Cold Day Work Hardships on Pendleton Sprinters—Jay and Lester Means Will Go to Seattle—Lewiston and Oakesdale Tie For Third Place—Knapp Wins Individual Cup.

On a muddy field that worked greatly to the disadvantage of the Pendleton sprinters Spokane won the field meet at Pullman Saturday with a score of 43 points, while Pendleton came second with 23. Oakesdale and Lewiston tied for third with 18 points each and from one to eight points were scored by eleven other schools in the meet. Walla Walla took but six points.

Last evening the Pendleton boys, accompanied by Professor Hampton, returned home from Pullman. They say that it had rained hard the night before the meet and as a result the track was very heavy and the day was cold. This was disastrous for Jay, Kimball and the other Pendleton sprinters for they are all light in weight and unused to running with their spikes filled with mud.

But though they were unable to win the meet the local team has the honor of being second in a meet in which twenty-five schools participated and they will have two representatives on the inland empire team that goes to Seattle for the inter-school meet May 23.

Jay and L. Means will be the two athletes to make the trip and they will have the pleasure of seeing the battleship fleet enter the sound.

The following is a summary of the finals:

Final Results of Meet.
50-yard dash—Knapp, Oakesdale; first; Hunter, Spokane, second; Fountain, Clarkston, third; Eckert, Lewiston, fourth. Time, 5.4 seconds.

100-yard dash—Knapp, Oakesdale; first; Eckert, Lewiston, second; Hunter, Spokane, third; Storer, Lewiston, fourth. Time, 10.3 seconds.

220-yard dash—Knapp, Oakesdale; first; Hunter, Spokane, second; D. Cohn, Spokane, third; Storer, Lewiston, fourth. Time, 22 3-4 (breaking record held by Mullane, Seattle, 22 4-5 seconds).

Discus throw—Englehorn, Spokane first; Cagel, Davenport, second; L. Means, Pendleton, third; Meany, Colfax, fourth. Distance, 104 feet 6 inches. (This breaks record of 104 feet 4 inches held by Rowley of Everett.)

120-yard hurdles—Eckert, Lewiston, first; Englehorn, Spokane, second; Jay, Pendleton, third; Jensen, Spokane, fourth. Time, 17 seconds. (This is 3-5 seconds better than the record held by Coyle of Seattle.)

Half mile run—F. Fancher, Spokane, first; Gartin, Wenatchee, second; Luck, Spokane, third; M. Gwin Garfield, fourth. Time, 2:10.

Half-mile relay race—Won by Spokane team, comprised of D. Cohn, Stough, Grieder and Hunter. Time, 1:38.3, being 7-10 second better than the record. Lewiston second, North Yakima third.

Change at The Vogue.
Mrs. L. Daye Idleman has purchased a half interest in the Vogue millinery store, formerly owned alone by Mrs. Harris, and she will have an active part in the business hereafter. It is planned to still further enlarge the establishment, which is already one of the largest and best arranged stores of that kind in the city.

To Attend Funeral of S. L. Morse.
The members of Bushee Chapter No. 19, Order of Eastern Star are requested to meet at Masonic hall tomorrow afternoon at 1 o'clock to attend the funeral of S. L. Morse of Pilot Rock, who was a member of the chapter.

According to Thomas M. Walsh, superintendent of the Washington division of the O. R. & N. that system is employing 15 per cent more men in Washington and Idaho now than it was two months ago. He says there is nothing in the rumors that the road is cutting down its forces and employing Japs in preference to white men. Japanese are only employed in work that white men will not do, according to Walsh.

PORTLAND GREYS EASY VICTIMS

PENDLETON SCORES AT WILL IN SUNDAY'S GAME

Ball Tossers From the Metropolis No Match For the Locals—Conscience Smitten at the Terrible Slaughter Manager Lorrimer Takes Parkes Out of the Box and Gives King Some Practice—Error Column Is Well Filled.

The Portland Greys were "easy picking" for Lorimer's heavy hitters yesterday and those who anticipated a red hot game were disappointed. From start to finish the O. R. & N. boys were outclassed and though they wore pretty blue suits and were nice fellows they could not play ball in the class that is now current here.

Though the score stood 12 to 5 at the finish it really does not tell the story of the game for after Pendleton had secured a good lead the team played tag with their opponents and did not run up the high score they were capable of. In the sixth inning Jerry King, the team's old-time southpaw twirler was put in the box in place of Parkes and he pitched during the remainder of the game in a manner that showed he still remembered how.

Munson, the new catcher, was behind the bat throughout the game and displayed some evidence of league experience, and Houten showed cleverness by getting under bunts and by anticipating things in the neighborhood of third base.

But the star work of the day was by Parkes when he knocked the ball over the fence into the river and scored a home run. Some fine long distance hitting was also done by Baker and other members of the team.

The following was the game in detail:

Pendleton.	A. B. R. B. H. P. O. E.
Van Houten, 3b.	4 2 0 2 2
Conrad, 1b.	5 2 2 4 1
King, 1f-p.	4 1 1 0 1

Parkes, p.	4 1 2 2 0
Lee, ss.	4 1 2 3 0
Baker, rf.	4 2 2 1 0
Munson, c.	3 1 1 12 0
Shockley, 2b.	4 1 2 0 3

Portland G's.	A. B. R. B. H. P. O. E.
Hinkle, 1f.	4 1 3 2 1
R. Karr, ss.	4 1 0 2 5
C. Karr, 2b.	4 1 0 1 0
Murray, cf.	4 0 0 2 3
Moore, 3b.	5 0 2 2 1
Gafney, rf.	3 0 0 0 0
Picard, 1b.	4 0 1 7 0
Severance, c.	4 1 1 5 0
Sullivan, p.	2 0 0 5 0
Landers, p.	1 1 0 0 0

Summary—Earned runs—Pendleton 4, Portland 0. Three base hits—Baker. Two base hits—Baker, King, Hinkle. Home runs—Parkes. Struck out—By Parkes 3, King 2, Sullivan 2, Landers 3. Umpire, Buerstette. Scorekeeper, Rader.

PENDLETON HAS TEAM OF RELIABLE STICKERS.

Tracy Baker Leads the List—Average for Entire Team Is Above .300—Fielding Averages Also Good—Conrad Makes Best Showing in This Particular—Results Tabulated by Rader.

This morning M. A. Rader, scorekeeper for the ball team, tabulated the batting and fielding scores made by the eight regular Pendleton players and the result shows a wonderful high batting average. Tracy Baker, right fielder, now leads the list with an average of .429.

In every game played this season, Lorimer's team has batted well and its victories have been largely due to the ability of every man on the team to "hit the ball on the nose."

The following shows the fielding and batting averages to date for the eight regular players. The other players have been "pick-ups," none of whom have played more than two games. King has played in but five games, Shockley six while all the others have played seven:

	Batting average.	Fielding average.
Van Houten	.346	.857
Conrad	.321	.931
Gray	.355	.800
Parkes	.226	.857
Lee	.267	.878
Baker	.429	.841
King	.348	.500
Shockley	.292	.773

Average batting for the whole team, .315. This is a wonderfully high average for a team. Very few individual batters end a season with their average up to the .300 mark and a team that can average .250 is high, so it will be seen that the Pendleton team is phenomenal with the stick.

Praises Streeter-Bryan Company.

The Freewater Times says of the Streeter-Bryan company. The Orpheum theater in Walla Walla, Wash., has closed for a month, during which time the theater will be thoroughly renovated and seated with opera chairs, making it one of the most commodious little theaters in the northwest.

During their stay in Walla Walla, Miss Bryan and Mr. Streeter have made many friends among the inter-urban people. In addition to their splendid acting, the personality of the actors has added much to the interest of those who have attended the Orpheum, and when they return to Walla Walla they will have an increasing patronage from the Freewater and Milton country.

Shearing on McKay Creek.

Sheep shearing is now on at the John Wynn ranch on McKay creek, a crew being at work with machines on the hands owned by Mr. Wynn.

A few days ago a fisherman near Astoria discovered the body of a man floating in the Columbia river. He made the floater fast to a wharf by tying the coat tails to a piling. When he returned with the coroner, however, all that remained was the rope and the coat tail.
