MORSE HELPED MOVE RECORDS

PIONEER WAS CONNECTED

Ex-Sheriff Thomson Gives Some Reminiscences—Moving of Records From Umatilla to Pendleton When County Seat Was Changed Was Time Affair—Wagons, Not Sleds, Were Used, and No Guards Were Necessary.

An interesting reminiscence concerning the late S. L. Morse, who died in this city this week was related to the East Oregonian last evening by the well known pioneer and ex-sheriff of Umatilla county, O. F. Thomson, of Butter creek.

Mr. Thomson was sheriff of Umatilla county in January, 1869, when the county seat was first moved from Umatilla to Pendleton and at that time he employed S. L. Morse and "Jim" Jacobs who still lives in the county, to haul the county records from Umatilla Landing to this city.

According to Mr. Thomson, the records were loaded into two wagons one evening in January, 1869, and the wagons were run into the Stanfield feed yard at Umatilla, where they stood for the night. There was no snow on the ground and sleds were not used, as has been commonly reported. Neither was there any attempt on the part of the people of Umatilla to prevent the removal of the records.

Mr. Thomson says that he left no guards with the records over night, but left the wagons standing in the feed yard among scores of other wagons.

As it was desired to get an early start with the precious freight, Mrs. Thomson arose at about 3:30 next morning and prepared breakfast for Mr. Morse and Mr. Jacobs, who start-

the present condition in the wheat section of the state to a disease.

C. F. Vandewater, O. R. & N. official of Walla Walla, also contributed to the occasion with a good talk, and after him R. B. Miller delivered one of the best speeches of the evening. He was warmly cheered, for the general freight agent is well known and popular, with the people of this city.

TWO PENDLETON MEN PASS BAR EXAMINATION.

C. J. Ferguson and E. A. Johnson Will Practice Law.

Eight of the nine applicants who took the bar examination during the supreme court session held here have successfully passed the test and will now be admitted to practice. Those passing are Charles J. Ferguson and Everett A. Johnson of this city, and the following men from Portland: L. W. Humphreys, Luther D. Mahone, William C. Reimer, C. A. Sheppard, A. A. Anderson and Frederick Stelwer.

C. J. Ferguson will take up the practice of law in this city, and with the wide acquaintance he has with the people and conditions in this county his friends believe that he will prove successful in the profession.

According to Mr. Johnson he will not take up the practice of law at once but will leave for the east during the summer or early fall to enter one of the large law schools. After a year's work there he will return west to practice.

Maurice Fitzmaurice, the traveling lecturer, was the ninth man that took the examination and he evidently failed to pass the test to the satisfaction of the supreme court judges.

EDITOR STILL MISSING.

Elgin Journalist Cannot Be Found by Family.

Editor H. H. Palmer, who mysteriously disappeared from La Grande Wednesday night, and whose weekly paper is now at a standstill at Elgin, is still in the unknown regions, says the La Grande Observer. As it is believed that he purposely left this neck of the country to avoid some obstacle—no one knows what—little effort is being made to find him.

O. A. Coffin of this city, has been engaged as temporary manager of the Elgin Leader and will look after affairs until a purchaser is found. He will not attempt to publish the weekly.

Mrs. Palmer, wife of the missing man, left last evening for Portland. Naturally, she is in a state of nervous collapse over the mysterious disappearance of her husband, who heretofore has been a steady, consistent business man.

TURN HOME INTO HOUSE OF ILL FAME

Husband Induces Wife to Consort With Other Men.

William Quinn, who has been living at Hermiston, is now locked in the county jail and he faces a very unusual charge. At present the charge is that of conducting a disorderly house but under the law he may be open to conviction for an offense that will send him to the penitentiary.

The wife of Quinn was also brought to this city by the officers and she is now at the county hospital. According to the woman's own admissions the family became destitute and at her husband's instance consorted with other men for hire. Just what action will be taken against Quinn is not known now, as District Attorney Phelps is at Heppner.

Bishop Paddock to Weston. Bishop Robert L. Paddock of the eastern Oregon diocese of the Episcopal church, will go to Weston tomorrow at noon to confirm a large class in the Episcopal church at that place tomorrow night.

VOTING TRUST DISSOLVED.

Holders of Voting Certificates Given Railroad Stock.

Baltimore, May 14.—As a result of the decision of the voting trustees of the Seaboard Air Line, made at a meeting last March, the existing voting trust of the road will be formally dissolved tomorrow. Holders of voting trust certificates have exchanged them for actual stock of the railway company, arrangements for such an exchange having been made by local trust companies.

Practically the entire capital stock of the railway, including \$25,000,000 of preferred stock and about \$37,000,000 of common stock, has been held since the organization of the Seaboard system about eight years ago by eight voting trustees. These trustees are: John Skelton Williams of Richmond; S. Davies Warfield of Baltimore; Thomas F. Ryan, James A. Blair, John B. Dennis, T. J. Coolidge, Jr., B. F. Yoakum and H. C. Pierce.

Elections in Japan. Tokio, May 14.—Following the most heated campaign in the history of Japan, in which the question of maintaining and increasing the expenditures for the army and navy has been the principal issue, general elections will be held tomorrow. A close struggle is anticipated. Liberal leaders are claiming a large majority, but the opposition, by appealing to the growing anti-military sentiment and urging a revision of the budget and financial methods, has gained a large following.

Swindler Caught. Los Angeles, May 14.—Wanted in half a dozen cities of the United States on swindling charges, James T. Mulhall, part proprietor of the Ship hotel at Venice, was arrested last night by United States Marshal Youngworth and locked up.

TIMELY HITTING WINS THE GAME

LA GRANDE AND PENDLETON
AGAIN DIVIDE HONORS

Locals Are Defeated for Second Time This Season—Baker Swats Ball Over the Fence for Home Run in Vain—Fair Crowd Witnesses Contest—Taliaferro Touched for Ten Hits While Kotteman Allows But Six.

La Grande 5; Pendleton 2. For the second time this season the Pendleton ball team was defeated yesterday and the score was a soothing balm for the La Grangers who had been taken down to the tune of 18 to 5 the day previous.

With the stores closed yesterday afternoon a fairly good crowd was out to see the game, but at no game this season has the crowd been what the present team deserves.

Once more Baker raised his batting average yesterday by sending the ball over the fence into the river. But for some reason Lorimer's men did not wield the stick as they have been doing in the past. Perhaps Kotteman was hard to hit, the detailed score indicates as much.

Taliaferro was in the box for Pendleton and he has a wonderful speed. But his pitching does not get the effective results that Parkes does and the man from The Dalles is considerably behind Parkes in fielding his position and backing up first base.

The following was the game in detail:

	P	A	B	R	H	P	O	A	E
Pendleton	5	2	0	1	1	0	0	0	0
La Grande	2	5	1	1	1	0	0	0	0

	P	A	B	R	H	P	O	A	E
La Grande	5	2	0	1	1	0	0	0	0
Pendleton	2	5	1	1	1	0	0	0	0

Two base hits—Fushel.

First on balls—Off Kotteman 2.

Struck out—By Taliaferro 6; by Kotteman 2.

Left on bases—Pendleton 6, La Grande 7.

Double plays—Beck-O'Brien-Lodell.

Passed balls—Munson 1.

First base on errors—Pendleton 1.

Hit by pitcher—By Taliaferro 4, by Kotteman 2.

Home run—Baker.

Graduates in San Francisco.

Claud J. Engle, well known in this city, will graduate from the College of Physicians and Surgeons of San Francisco, Calif., this evening, May 14, one of a class of 16 young men to finish the course in that school. Mr. Engle is a son-in-law of Mrs. L. F. Lamplin of this city, who is at San Francisco to attend the graduation exercises tonight. Mr. Engle visited here last summer and fall and made many friends in the city during his stay here.

Many Plant Specimens Secured.

The graduating class of Pendleton academy, accompanied by Prof. W. H. Bleakney and Miss Bessie Porter, has just returned from Pilot Rock where they secured about 25 new specimens of plants and flowers from that section of the county for study in the academy.

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair. The only way in the world to cure dandruff is to kill the dandruff germ and there is no hair preparation that will do that but Newbro's Herpicide. It kills the dandruff germ, leaving the hair free to grow as healthy. Nature intended. Destroy the germ you remove the effect. Kill the dandruff germ with Herpicide. Send for leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
