I AM A MOTHER

How many American women in lonely homes to-day long for this blessing to come into their lives, and to be able to utter these words, but because of some organic derangement this happiness is denied them.

Every woman interested in this subject should know that preparation for healthy maternity is accomplished by the use of

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. Maggie Gilmer, of West Union, S. C., writes to Mrs. Pinkham:

"I was greatly run-down in health from a weakness peculiar to my sex, when Lydia E. Pinkham's Vegetable Compound was recommended to me. It not only restored me to perfect health, but to my delight I am a mother."

Mrs. Josephine Hall, of Bardstown, Ky., writes:

"I was a very great sufferer from female troubles, and my physician failed to help me. Lydia E. Pinkham's Vegetable Compound not only restored me to perfect health, but I am now a proud mother."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

FREEWATER ADVICES

RAILROAD COMPANY AND TRACTION COMPANY CLASH

Dissatisfaction from Laying of Tracks — Lodge Officers for New Order —Much Interest Being Taken in Columbia College Commencement— —Fruits in Excellent Condition.

Freewater, May 19.—There was a slight crash here Saturday between the Walla Walla traction company and the O. R. & N. company, when the O. R. & N. roadmaster, acting under orders pulled up the Walla Walla Valley Traction tracks in front of the Freewater cannery. The tracks were laid last week over the same ground, each company using their own rails and ties, but the rails of each company being six inches apart, the traction rails being six inches closer to the cannery than the O. R. & N. It is understood that the difficulty has been satisfactorily settled.

Last evening the department of music and elocution gave their recital. The principal feature of this occasion was the "Garden of Singing Flowers." The story of the flowers in song. Tonight a banquet will be given to the graduates of which there are 29 this year.

Weather is fine and all crops are looking fine since the late rains.

EXCURSION TO SEATTLE.

Large Crowd Going from Pendleton to See the Atlantic Fleet.

S. B. Calderhead, general agent for the Northern Pacific railway at Walla Walla, is in town today making arrangements for the special train to run from Pendleton to Seattle on Friday the 22nd, on the occasion of the welcome to the fleet celebration.

The fleet will arrive in Elliott bay, Seattle, on the afternoon of Saturday, the 23rd, and the special train will leave Pendleton on the morning of the day previous in order that the visitors may witness the arrival.

There will be 28 battleships in the fleet, and the chambers of commerce of Seattle and Tacoma have provided special programs for each day.

The fleet will remain at Seattle until the 26th, when it will move down to Tacoma, where it remains until the 28th. The officers of the navy are working in accord with the citizens of the Sound cities, and it is planned to give all visitors an opportunity to inspect the vessels and witness the maneuvers while in the Sound.

The whole fleet will be brilliantly illuminated at night by electricity, and the program for the entertainment of the men and officers is the most elaborate that has ever been undertaken by the two cities.

Special round trip fares have been granted from all points and the tickets bear a limit of 14 days from date of sale, thus giving the visitors plenty of time to visit the outlying points of interest before returning. Seattle is taking this opportunity to do a little missionary work in the interest of the Alaska-Yukon-Pacific exposition, and to create an interest on the part of the people of the interior.

Mr. Calderhead says that the indications now point to a party of from 100 to 300 from Pendleton, and has arranged to open the ticket office on Thursday evening after 4:30, for the sale of the tickets, in order that there may be no delay in starting the train Friday morning at 3:30, on time. It is necessary to leave at the early hour in order that the train reach Seattle early enough in the evening to permit the visitors to secure accommodations before dark.

$100 Reward, $100.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. ALBEE NEWS NOTES

COOL WEATHER AND SHOWERS IN SOUTH END

Much Needed Moisture Arrives—Stock Placed on Range in Forest Reserve —Popular Couple Wed—Horse Business Flourishing—Camas Prairie Has Reputation as Breeding Ground—Sawmill Running Full Time.

Alba, May 18.—Weather cool, with frequent showers, which were much needed to start the crop just seeded after a long, dry spring, although there has been nothing suffering here yet, except the grass, but that crop will accept a little moisture at any time with benefit.

Range and beef stock are now all in Uncle Sam's pacture under the supervision of forest officials. This division is known as the Camas and Hidaway reserve and is mostly occupied by boni fide settlers. The whole pasture extends as far southeast as Sumpter and comprises an area of about 11,000,000 acres. It is in charge of Supervisor Ireland and 14 of Uncle Sam's boys who are watching the gaps.

While the marriage bells were ringing last Thursday at Ukiah, I. R. Laurance led to the alter Miss Lola Sturdevant, one of Camas Prairie's fairest daughters. Miss Sturdevant is the daughter of Mr. and Mrs. Joseph Sturdevant, pioneers of this valley, while Mr. Laurance is a merchant of Ukiah and one of the leading business men of the south end. The young couple will settle in Ukiah and have the best wishes of the community.

The horse business is in a flourishing condition in this part of the county. There are now six stallions and one jack making stands in this valley, this part of the county being considered the best breeding ground for horse flesh in the northwest. The altitude of 3500 feet and the climatic conditions, connected with good hill range grown horses with strong constitutions and good sound feet, which a good horse must have.

Ed Brehm of Weston, is here looking after his stock interests.

Sam Clark of Weston, is rusticating here.

The Alba sawmill is running on full time and making lots of fine lumber. The planing department will soon start and then all kinds of lumber orders can be filled.

A large bunch of leading democrats are billed to speak here tonight.
