### NUMBER REAL ESTATE DEALS MADE LATELY

Young Man Meets With Serious Accident—Young Women Awarded Medals in Contest—Woman Lectures to Interested Audience—Good Prices Received for Lands.

Milton, May 21.—Several real estate deals have been made in Milton of late, among them being the following:

G. W. Rexroth, of Baker City, has purchased of Mr. Lloyd 16 acres north of Milton for \$1000; O. L. Fields sold to William Elliot 80 acres north of Milton for \$6400; Jonathan Talbert has recently sold a 10-acre fruit ranch in section 36 to Luther T. Maxwell for \$6000; Michael Estoup sold two acres northwest of the city to R. S. Herndon, for a consideration of \$400.

Earnest Whitely, who is employed by C. E. Spencer, met with a serious accident Tuesday. He was running a race with a dog, when his horse stumbled and fell over a calf that chanced to be in the road at that time. The young man was rendered unconscious and for a time his condition was very serious. The doctors have slight hopes for his recovery at this time.

**Medals in Contest.** As a result of ability shown in a musical and elocutionary contest during commencement of Columbia college, Tuesday, medals were awarded to the Misses Gay, Anna McEwen and Rowe Canfield. The Garden of Singing Flowers was especially enjoyed.

Mrs. Ada Morris, national lecturer and organizer of the W. C. T. U., spoke here Monday night, and her lecture was much enjoyed. Miss Lois Smith of Echo, sang a solo which was highly enjoyed.

**Freewater Notes.** Freewater, May 21.—D. C. Kirk of Athena, addressed a republican meeting in Badger's hall Wednesday evening in the interest of H. M. Cake, nominee for United States senator. A large crowd attended.

A number of the ladies from here went to Athena Monday and Tuesday to attend the W. C. T. U. convention at that place.

A number of the people about here will take in the Caledonian picnic at Athena this week.

**Chronic Constipation Cured.** One who suffers from chronic constipation is in danger of many serious ailments. Foley's Orino Laxative cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it today and you will feel better at once. Foley's Orino Laxative does not nauseate or gripe and is pleasant to take. Refuse substitutes. Pendleton Drug Co.

**ANNUAL RECEPTION.** Weston People Will Turn Out to Picnic at Athena.

Weston, May 21.—The freshman class will hold its annual reception at Normal hall next Saturday evening. The invitations are in the most unique style, and it promises to be one of the events in the history of the school.

Student A. G. Seales has been summoned to his mother's home at Roseburg, Ore., on account of her dangerous illness.

Weston people will turn out in great numbers to the Caledonian picnic at Athena.

This section of the country was favored with a shower Tuesday night which was not general. It rained here quite hard and also at Athena.

### DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable. Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital and in private practice, and has worked so successfully in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### EVERYTHING READY FOR CALEDONIAN PICNIC

Recent Rains Have Been Beneficial to All Crops—W. C. T. U. Convention—Big Tent Is Erected—Prestons in Town on Way from Portland—Graduating Exercises.

Athena, May 21.—Everything is being put in readiness for the big Caledonian picnic tomorrow. Large crowds are expected in Athena Friday and Saturday. On the latter date candidates of both political parties will be in attendance when speeches will be made on current issues.

The recent rains were of great benefit to the wheat crops in this section. The grain is now above the extraordinary weed growth, and the fields present a thrifty appearance.

The county convention of the W. C. T. U. held in this city Monday and Tuesday was well attended. The addresses delivered by Mrs. Unruh, national organizer, were of interest and were greatly appreciated. The declamatory contest for a gold medal closed the convention sessions at the Christian church Tuesday night. Miss Crigler of Freewater was awarded the medal by the judges.

Born in this city, May 19, to Mr. and Mrs. Jesse Moore, a daughter.

The Shamrocks, Athena's fast amateur ball team, were victorious in their game with Pendleton Sunday, the score resulting 12 to 9.

The big tent under which the program for the Caledonian picnic will be carried out has been put up, and if the weather remains nice this will be the best picnic in the history of Athena.

Mr. and Mrs. D. H. Preston were in the city yesterday on their way from Portland to Waitsburg. Mr. Preston recently drove his new Corbin from The Dalles to Walla Walla, a distance of 221 miles in 10 hours and 5 minutes.

Lawrence Lluellen and family of Adams were Athena visitors yesterday. Henry Keene, the barber, is figuring on buying a new automobile. Several demonstrators have been here of late to interview him.

**Graduating Exercises.** The graduating exercises of the Athena public school will take place next Monday evening at the Christian church. There are four graduates this year, Maurice B. Hill, Cecil A. Boyd, F. Bennie Gross and Martha J. Gerking. The program is as follows:

Song—"America."  
Invocation—Rev. Ellis  
Music—Kershaw Orchestra  
Duet—"Village Chimes"  
Misses McIntyre  
Music—Pinkerton Orchestra  
Oration—"International Arbitration"—Maurice B. Hill  
Instrumental solo—Vienna Waltz.  
Music—Kittle Gholson  
Music—Pinkerton Orchestra  
Essay—"Life of Edgar Allen Poe"—Cecile A. Boyd  
Address—H. I. Watts

It is a pity to see a person neglect indication of kidney or bladder trouble that may result in Bright's disease when Foley's Kidney Remedy will correct irregularities and strengthen these organs. Take Foley's Kidney Remedy at the first sign of danger. Pendleton Drug Co.

### NO COLOR LINE IN BRAZIL.

Interesting Features of the Land of Coffee and Sunshine.

Henry Ruhl writes entertainingly of Brazil in the June number of Scribner's Magazine. He says of the colored population of that country:

Of the various manifestations of atmospheric laxity none is more interesting to a North American than the haziness of the color line.

This land of coffee and sunshine is a land tinged with African blood. Of the seventeen and a half millions of people in the country only six millions are whites.

There were 750,000 slaves in Brazil when the princess regent emancipated them in 1887, and there are neighborhoods where the negro problem is a problem only in so far as life may be a problem to Africans in their native jungles.

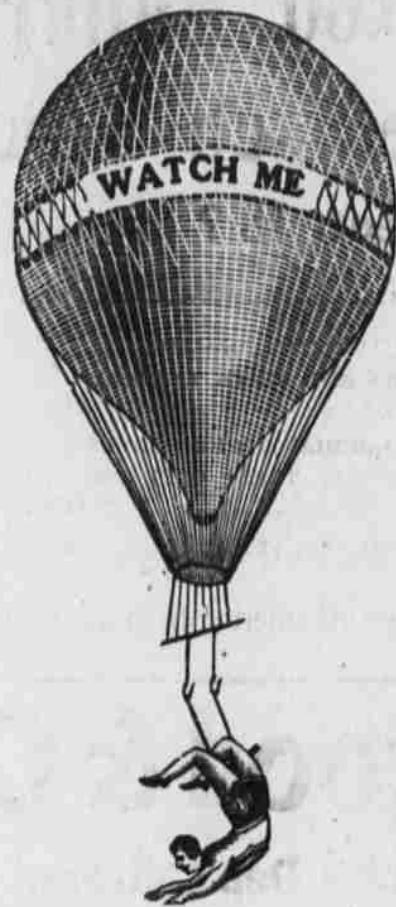

You go ashore, for instance, to buy cigars at Bahia. It was a great place in the old slave days, before the center of industry moved down to Sao Paulo. It is a fine place still with its tall stage-scenery buildings, painted white or pinkish or pale blue, the fronts—each of the Dutch visitation of long ago—often decorated with tiles.

You climb the narrow winding streets to the upper town, looking out on the turquoise sea. Everywhere are negroes—huge women, with enormous chocolate-colored arms, in white cotton wrappers and turbans. They come swinging down the cobblestones, squat beside their fruits and green parrots, lean out of ground-floor windows smoking flat black cigars.

Try to take a photograph of one and her broad, shining face clouds over with fear of the unknown and up goes her apron over her head. In the cool interiors of these houses with spotless patios and doorways, white folks doubtless must be hiding from the sun, but one scarcely sees them.

Eighty per cent of the inhabitants are negroes. You feel as though you were walking through a deserted white man's city held by a black army occupation.
