NEWS OF WESTON

MANY ATTEND CALEDONIAN PICNIC AT ATHENA

Pioneer Picnic in Weston Will Be Event of Season—Domestic Science Class Shows Skill in Cooking—Socialist Will Speak at Weston—Will Benefit Pioneers.

Weston, May 23.—The people of Weston have turned out to the Caledonian picnic in great numbers. The two great events of Weston and Athena country are the annual picnics of the Caledonians at Athena and the pioneers at this place. Elaborate preparations are being made for the latter event here next week, Thursday, Friday and Saturday.

The domestic science class of the Normal tendered a dinner to the rest of the members Wednesday evening. The young ladies are proving themselves adepts in the art of cooking and the affair was a most pleasant one.

Paul Bullfinch of the Farmers' Bank of Weston, is among those from here who are viewing the fleet.

President French of the Normal has been at Wasco for a few days to officiate as one of the judges at the field day declamatory contest of Sherman county.

The Juanitac lub gave a formal reception last evening, which was a most enjoyable affair.

Walter Thomas Mills, the celebrated socialist, author and orator, will speak in Weston the last day of the pioneers' reunion, May 30.

The Women's Civic Improvement club of Weston is making great preparations to entertain the pioneers at a big banquet May 28. Covers will be laid for 75 at the Normal school gymnasium for this occasion.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have offered One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

AGAINST GRAIN GAMBLING.

T. B. Wilcox Says He Will Withdraw If Board of Trade Plunges.

In an emphatic statement today Theodore B. Wilcox, president of the Portland Flouring Mills company and a member of the Portland board of trade, declared himself strongly opposed to the establishment of trading in grain futures on the floor of the local exchange, says a Portland item.

In the event that the management of the board of trade a committee of which is now considering the matter, decides to engage in the trade in futures, Mr. Wilcox says positively that he will withdraw from all participation in the affairs of the exchange.

When the board of trade was organized as a commercial exchange one of the tentative plans of the promoters was to make it a commercial exchange in the full sense of the term, like those of most of the other great grain centers of the country, where dealing in futures is one of the regular features of the trade.

At the last regular meeting of the directors of the local exchange a committee was appointed to investigate the feasibility of trading in futures here. That committee has not yet reported.

Milton, May 23.—Strawberry picking is in full blast in the Milton and Freewater country at this time. Now that the commencement of Columbia college is over the students are beginning to leave for their various homes.

Prof. Felix Moore of Columbia college, left yesterday for Eugene to spend commencement at the Alma Mater, after which he will go to his home in Astoria.

CAVALRY HORSES FOR STAGE.

Real Live Horses Used in the Production of the "Ku Klux Klan."

New York, May 23.—George H. Brennan has completed the purchase from the government reservation at Fort Reno, Oklahoma, of a troop of cavalry horses which will be used as mounts for the members of the Ku Klux Klan in "The Clansman," on its coming tour of the Pacific coast.

The animals have seen hard service on the western plains, particularly in connection with the Indian troubles in New Mexico and Arizona.

The troop will be brought east and thoroughly drilled for three months to accustom them to stage work. The night riders known as the Ku Klux Klan who flourished during the reconstruction period in the south, were daring horsemen, and their exploits of chivalry and heroism are famed in song and story.

In the third act of the play the Ku Klux Klan appear fully armed, robed and mounted and gallop to the rescue of the Cameron family whose home has been invaded by the carpet baggers and their negro allies.
