## NEW INSTRUCTOR FOR HIGH SCHOOL

FRANK D. CARRUTH TO  
BE COMMERCIAL TEACHER

Graduate of University of Oregon—  
Later Took Post Course at Wash-  
burn—Musician of Ability—In-  
structors Preparing Final Reports  
—Students Will Meet Tomorrow for  
Last Time—Class Day Program.

Frank D. Carruth, graduate of the  
University of Oregon, and now of To-  
peka, Kansas, has been chosen to  
the position of instructor in the com-  
mercial course at the high school and  
has accepted the same. He will fill  
the place that has been made vacant  
by the resignation of Prof. Wick.

After graduating from the univer-  
sity of Oregon the new instructor  
took one year of post graduate work  
at Washburn university, Kan. As a  
result he is well qualified for the post  
to which he has been selected.

While at the U. of O. Mr. Carruth  
was a member of the glee and man-  
dolin clubs and he is a musician of  
considerable talent. He is a violinist  
of ability and is experienced as a  
band and orchestra leader. This fact  
will make him an appreciated addition  
to the high school faculty for he  
will be of much assistance in the mu-  
sical work of the school.

Today the high school instructors  
are engaged in preparing their re-  
ports and all students of the school  
are requested to be at the high school  
at 9 o'clock tomorrow morning for  
the purpose of securing the same.

At the meeting at 9 o'clock  
night will be held tomorrow. In the  
evening the class day program will  
be given at the M. E. church and on  
the following evening the commence-  
ment program will be given at the  
same place.

## ONE GAME FOR WALLA WALLA

PENDLETON TEAM GREW  
CARELESS YESTERDAY

New Pitcher Nervous, Catcher Off  
Color and Some Others Listless—  
Umpire Worse Than Any of the  
Players—Sloppy Exhibition of Na-  
tional Game Enlivened by Attempt  
of Boy to Steal Ball—Disgracefully  
Small Crowd.

	Played	Lost	Won	P. C.
La Grande	4	0	4	1.000
Pendleton	2	1	1	.500
Walla Walla	2	1	1	.500
Baker City	4	4	0	0

Lorimer's players were badly ratted  
yesterday afternoon and they put  
up a very poor exhibition of ball for  
the second game with Walla Walla.  
Cross, the new pitcher, made his de-  
but under unfavorable auspices. He  
was seemingly off color yesterday  
and did some wild throwing.

Munson was likewise rank behind  
the bat, dropping balls or allowing  
them to go by while his throwing to  
bases was of the order that makes  
the local rooters swear.

Though the contest yesterday was  
of the heart rending kind there  
came a few sensations just before the  
close. One of these was the attempt  
of Ben Gerking to make way with a  
ball which had been sent over the  
fence on a foul. It soon became evi-  
dent that the doughty little mascot  
was not speedy enough to catch the  
young thief so Dean Tatum started  
in pursuit with a burst of speed that  
would make Dan Kelley's best record  
seem slow. He was followed by an  
auto and last but not least, Audrey  
Graham with his speedy trotter, tore  
up the dust in mad pursuit.

Young Gerking was overtaken by the  
auto and the ball taken from him  
but not until he had left the ball  
ground about a quarter of a mile in  
the rear.

But if the players were off color  
yesterday they were not lonesome for  
Umpire Buerstette outdid them all.  
His calling "ball" when the batter  
swung at it, was only one of several  
raw decisions he announced yester-  
day.

Unless Pendleton people turn out  
in larger numbers than they did yester-  
day it is evident that the league  
will be a failure from a financial  
standpoint. It was a disgracefully  
small turnout.

Manager Lorimer is fast getting to-  
gether a bunch of real ball players  
and with the proper encouragement  
they will put up the right kind of a  
game. The team is unquestionably  
better than Walla Walla's lineup and  
is probably the best in the league.

Deputy Game Warden Here.  
Frank C. Brown of Portland, chief  
deputy fish and game warden of the  
state of Oregon, is in the city today  
on a tour of the eastern Oregon coun-  
ties, and finds conditions excellent. He  
has visited most of the counties and  
will spend several days in Umatilla  
and Morrow this week. While in this  
county he will look into the reports  
coming from the Irrigon dam concern-  
ing the destruction of young sal-  
mon by being carried into the irrigat-  
ing ditches.

More Scarlet Fever.  
Two more cases of scarlet fever  
were quarantined here today. One of  
the patients is the 3-year-old daughter

case is in the family of Fred Ray-

## ECZEMA NOW CURABLE.

All Itching Skin Diseases Which Are  
Not Hereditary Instantly Relieved  
by Oil of Wintergreen.

Can Eczema be cured?  
Some physicians say "Yes."  
Some say "No."

The real question is, "What is  
meant by Eczema?" If you mean  
those scaly eruptions, those diseases  
which make their first appearance,  
not at birth, but years afterward, and  
perhaps not until middle age—then  
there can no longer be any question  
that these forms of eczema are cur-  
able.

Simple vegetable oil of wintergreen  
mixed with other vegetable ingredi-  
ents, will kill the germs that infest  
the skin. Apply this prescription to  
the skin and instantly that awful itch  
is gone. The very moment the liquid  
is applied, that agonizing, tantalizing  
itch disappears, and continued applica-  
tions of this external remedy soon  
cure the disease.

We carry in stock this oil of win-  
tergreen properly compounded into  
D. D. D. Prescription. While we are  
not sure that it will cure all those  
cases of skin trouble which are in-  
herited, we positively know that D.  
D. D. Prescription, whenever rightly  
used, will cure every last case of gen-  
uine eczema or other skin trouble,  
which did not exist at birth.

We know this. Anyway you, your-  
self will know that D. D. D. Prescrip-  
tion instantly takes away the itch  
the moment it is applied to the skin.  
The Pendleton Drug Co., Stop that  
itch today—Instantly. Just call at our  
store and try this refreshing and  
soothing liquid; also ask about D. D.

## WIFE OF DISAPPEARED MAN BRINGS SUIT.

Mrs. Maria Stranberg Wants to Get  
Husband's Farm.

An unusual suit is that which has  
been filed in the circuit court by Ma-  
ria Stranberg and her daughter, Jen-  
nie Stranberg, against R. F. Johnson.  
The suit is brought to force the de-  
fendant to carry out a contract which  
he made in 1903 with John Stranberg,  
husband of the plaintiff. The contract  
was for the sale of 10 acres of land in  
section 8 township 3, north range 56.

According to the plaintiff's allega-  
tions, her husband was carrying out  
his part of the contract when he sud-  
denly disappeared in 1907. Since that  
time no trace whatever has been had  
of him and the wife now seeks to  
force the defendant to complete the  
terms of the contract. S. A. New-  
berry is attorney for the plaintiffs.

Hon. H. M. Cake, candidate for

ing held in the opera house the same  
evening, Mr. Cake's meeting will open  
promptly at 7:30. A special invita-  
tion is extended to the ladies to attend.  
The meeting will close in time for  
those who wish to attend the com-  
mencement exercises. Mr. Cake will  
have something of especial interest to  
say to the citizens of La Grande, and  
all who can should hear him.

quarter sections of land in Malheur  
county, near Vale, and will become  
permanent residents of that county.  
Fifteen teachers of Malheur county  
have just filed on land and will be-  
come farmers under the irrigation  
projects of that section.

Miss Grace Crockett Ill.

The information was received here  
last evening of the serious illness of  
Miss Grace Crockett, sister of Mrs.  
Otto E. Dillon, at Spokane. Miss  
Crockett had just finished a term of  
school in Northern Washington, and  
was on a short visit to Spokane when

she was stricken with smallpox. Her  
home is at Pendleton.—La Grande

Painted Christian Church.

The Christian church of this city  
has just been painted and now pre-

\$20,000.

Miss Davis Is Ill.

school faculty, is ill with a fever and  
is confined to her room at the Moor-  
house residence.

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind,  
discourages and lessens ambition; beauty,  
vigor and cheerfulness  
soon disappear  
when the kidneys are  
out of order or dis-  
eased.

Kidney trouble has  
become so prevalent  
that it is not uncom-  
mon for a child to be  
born afflicted with  
weak kidneys. If the  
child urinates too often, if the urine scalds  
the flesh, or if, when the child reaches an  
age when it should be able to control the  
passage, it is yet afflicted with bed-wet-  
ting, depend upon it, the cause of the diffi-  
culty is kidney trouble, and the first  
step should be towards the treatment of  
these important organs. This unpleasant  
trouble is due to a diseased condition of  
the kidneys and bladder and not to a  
habit as most people suppose.

Women as well as men are made miser-  
able with kidney and bladder trouble,  
and both need the same great remedy.  
The mild and the immediate effect of  
Swamp-Root is soon realized. It is sold  
by druggists, in fifty-cent and one-dollar  
size bottles. You may  
have a sample bottle  
by mail free, also a Home of Swamp-Root  
pamphlet telling all about Swamp-Root,  
including many of the thousands of testi-  
monial letters received from sufferers  
cured. In writing Dr. Kilmer & Co.,

this paper. Don't make any mistake,  
but remember the name, Swamp-Root,  
Dr. Kilmer's Swamp-Root, and the ad-
