PENDLETON WINS IN HIT AND RUN GAME

Swiftest Results in Retirement of
Three Pitchers and Score of 17 to
15 in Favor of Pendleton—Walla
Walla Scores Seven Men in First
Inning—Last Part of Contest Is
Good—Dean Shows What He Can
Do.

Played	Won	Lost	P. C.
La Grande	4	4	1.000
Pendleton	4	3	.750
Walla Walla	4	1	.250
Baker City	4	0	.000

It was a real old fashioned hit and
run game yesterday in which Walla
Walla's league team went down to
defeat before the local aggregation
by the score of 17 to 15.

The game was called at the close
of the seventh inning in order that
the visitors might return home on the
evening train. But for the untimely
interruption it is probable the scorer
would have been compelled to secure
an additional book in which to record
the number of times in which each
side circled the bases.

The Garden city ball tossers start-
the run, getting in the very first
canto when a big figure seven was
chalked on the board opposite the
word "visitors."

Not to be outdone, Pendleton
sounded the gong five times when the
grey suits came to the bat. Walla
was allowed to send six of her men
across the plate in the second and
then their run getting was stopped,
while Pendleton negotiated seven in
the third, making the score 14 to 13.

Some Ball Was Played.

The status of the game then re-
mained unchanged until the fifth,
when the visitors annexed another
score. Still another was added in
the sixth, but when the locals came

PENITENTIARY TERM AWAITS YOUNG FORGER

Disgraced and Dejected, Phao Met-
tie Lies in County Jail.

Swift and harsh is the fate that has
fallen to young Phao Mettie, the 15
year old check forger, Wednesday
he raised nearly \$300 by cashing forged
checks. He then bought a quantity
of clothing and headed for Detroit,
Mich. Today he is in the county
jail, disgraced and dejected; his
fine clothes taken from him and a
term in the penitentiary awaiting
him.

Mettie is but 15 years of age and
is of a good family in the south end
of the county. He is related to the
men whose names he forged yester-
day and this fact aided him greatly
in his fraudulent work, for it enabled
him to answer the questions asked of
him.

After cashing his \$171 check at the
First National bank yesterday he had
passed a \$25 check upon Jerry De-
Spain and one for \$115.25 on P.
Moses. At the latter's store he made
extensive purchases. However when
he learned that he had been defrauded,
Mr. Moses followed Mettie up and
succeeded in getting his money back.

Owing to his youthfulness it is pos-
sible that the boy may be sent to the
reform school, though his offence is
a heavy one for that class of punish-
ment.

WILL RENOVATE SCHOOLS.

Prepare for Next Year—Prof. Landers
Will Teach in Summer School.

Now that the public schools have
closed in this city the work of repair-
ing and renovating the school build-
ings for next year will commence at
once. During the month of June Su-
perintendent Landers will be here and
will devote much of his time to super-
vising that work.

After July 1 Mr. Landers will go to
Portland for five weeks work in the
Western Summer Institute for Teachers
in which he is associated with
three other prominent educators,
Frank Rigler, city superintendent at
Portland; D. A. Grout, assistant su-
perintendent, and R. F. Robinson,
county superintendent of Multnomah
county.

LITTLE DUCKS STOLEN.

St. Anthony's Hospital Mourning Loss
of Young Poultry.

At the St. Anthony's hospital there
is sorrow today over the loss of a band
of seven ducklings and young geese
that have been the source of much
delight to physicians, nurses and pa-
tients alike.

The ducks and geese belonged to the
hospital and last night they were stolen
from a coop in which they were
placed for the night. In order to se-
cure the return of the ducks and
goslings the sisters have offered a
cash reward of \$5 to anyone knowing
their whereabouts.

SISTER MARY DIES.

Was Teacher at Baker City for Num-
ber of Years.

Sister Mary Domna died at the hos-
pital at 12:20 last night after an ill-
ness of some time, the cause of death
not being made known. The deceased
was 30 years of age and was a native
of Philadelphia. She taught for a
number of years in the Catholic
school at Baker City.

At 8 o'clock tomorrow the funeral
service will be held from the St.
Mary's church and the service will be
conducted by Father Neate.

TWO DIVORCE SUITS.

Two More Unhappy Couples Would
Sever Tie That Binds.

John E. Niemi filed his complaint
for a divorce from Soffi Niemi. The
parties were married on the 6th day
of November, 1905, at Hoquiam,
Washington, and have no children.
Peter West is attorney for the plain-
tiff.

Martha E. Ennis filed her com-
plaint for a divorce from Robert B.
Ennis. The parties were married July
20, 1904, at Lewiston, Idaho, and
have no children. Peter West is at-
torney for plaintiff.

Will Lecture at Weston.

W. T. Mills, an author and lecturer
of wide reputation, will deliver an
address on economics on Saturday,
May 30, the last day of the pioneers'
picnic at Weston. Mr. Mills is a
graduate of the university of Kansas
and is author of several works on
economics, the most prominent being
"The Struggle for Existence." He
comes highly commended from the
east and is a pleasing and forceful
lecturer.

Will Leave for San Francisco.

Milton H. Davis, formerly city edi-
tor of the Walla Walla Union, came
in from the Garden city last evening
to accompany Lloyd Jones, who has
been employed on the Pendleton Tri-
bune for the past two months, to San
Francisco, where they will engage in
newspaper work.

Purchased Weston Property.

A. Fuhrman, formerly engaged in
the grocery business in this city, but
for the past two years engaged in
farming near Washtucna, Wash., has
just purchased the bar fixtures of the
Walter's saloon at Weston and will re-
open the business in a short time—
if the county is not voted "dry" at the
coming election.

Going Home to Vote.

Supreme Court Commissioner Will
R. King, who delivered an able ad-
dress at the exercises attending the
opening of the Umatilla irrigation
project at Hermiston yesterday, is in
the city today on his way home to On-
tario to vote. He will return to Sa-
lem immediately after the election.

SHOWING EXTENT OF PENDLETON

E. L. MCBROOM SAYS HE
LIVES JUST OUTSIDE CITY.

Ritter, 75 Miles Away, a Part of Trib-
utary Territory—Pendleton Is Chief
Business City for Country Extend-
ing Many Miles Into Interior—Good
Crops in John Day Country.

"I live just outside the city limits
of Pendleton, on the John Day river,
only 75 miles away," said E. L. Mc-
Broom, former lessee of the Golden
Rule hotel, and a well known citizen
of Grant county, to the East Oreg-
onian today. Mr. McBroom came in
last evening from his home at Ritter.

Mr. McBroom's kindly expression
gives a better view of the scope of
Pendleton's influence and tributary
territory than a volume of prosaic
statistics could show. While living 75
miles away on the John Day river Mr.
McBroom yet considers Pendleton his
trading and banking point and is in
the city this week after a load of sup-
plies.

For 75 miles in the interior the
farmers, stockmen, miners and saw-
mill men look upon this city as their
chief business point and every week in
the year they make their regular trips
to this city to transact business and
haul away Pendleton merchandise,
and the few words of McBroom, in
which he claims a residence in the
suburbs of the city only 75 miles dis-
tant, is worth all the boasting articles
ever written for the city.

Crops Good.

Mr. McBroom says that the crops
which were seeded early and taken
care of in the John Day country are in
excellent condition and that immense
quantities of all kinds of products will
be raised in that section this year.

Stock are in good condition and
several thousand head of beef cattle
will be marketed from the Grant
county ranges through Pendleton,
next fall. The John Day river dis-
tricts are now in their most beautiful
stage and all kinds of crops and or-
chards promise well.

HALE-HIATT NUPTIALS.

Two Members of Presbyterian Choir
Married Last Evening.

Claude Hale and Miss Clara Hiatt
were united in marriage last evening,
the ceremony occurring at the Pres-
byterian church immediately after the
regular Wednesday night prayer
meeting. Those present at the meet-
ing were invited to remain and with
a number of relatives of the two
young people they constituted the
wedding guests. The ceremony was
performed by Rev. W. L. Van Nuys,
pastor of the Presbyterian church.

Both of the young people are well
known here and they have many
friends, especially in church circles.
Mr. Hale has been one of the clerical
force in the Savings bank for some
time, while his bride is the daughter
of Mrs. L. E. Hiatt of Portland. She
is niece of Postmaster J. T. Brown.

Mr. and Mrs. Hale will have their
home in one of the Vert houses on
College street.

Returned From Redfield Funeral.

Rev. Charles Quinney, rector of the
Church of the Redeemer, Robin W.
Fletcher and Mrs. Frank Dunn re-
turned to the city last evening from
Heppner, where they attended the
funeral of the late C. E. Redfield,
who died there suddenly on Monday
afternoon. Mrs. Dunn is a sister of
Mr. Redfield and a former resident of
this city. She now resides in Tekoa.
Rev. Quinney conducted the funeral
service.

Willie Parkes Is Dead.

William E. Parkes, who was for a
time one of the Pendleton mail car-
riers, died at his home in Walla
Walla yesterday after an illness of
seven weeks. He was 20 years of age
and the son of Mr. and Mrs. E. R.
Parkes of Walla Walla. He was a
brother of Clyde Parkes, the popular
ball player and was also a nephew of
Judge Joe Parkes of this city.

Working for A. N. Hamilton.

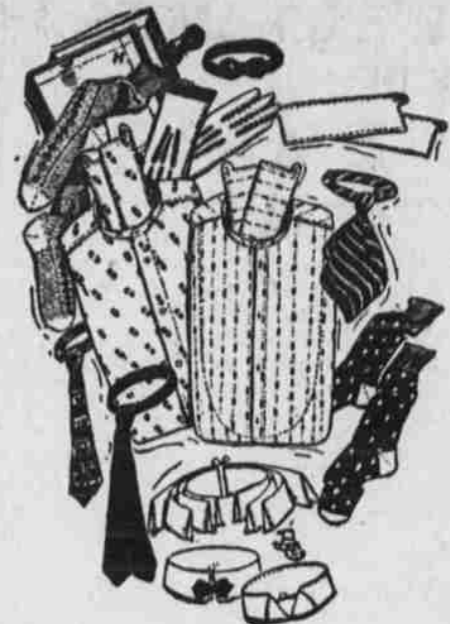

Claud Smith, formerly O. R. & N.
brakeman on the Pendleton-Portland
passenger run, but now a freight con-
ductor out of Portland on the O. R. &
N., is in the city today in the interest
of the candidacy of A. N. Hamilton,
who is running for railroad commis-
sioner. Mr. Smith is well known and
is a popular railroad man, and will
tour the eastern Oregon counties for
Mr. Hamilton.

Leg Broken at Hermiston.

Perry Rippey, son of E. E. Rippey
of Echo, had his thigh broken and
was otherwise injured during the
horse races at Hermiston last evening.
He was riding one of the race horses
when he collided with another horse
and was thrown to the ground, sus-
taining severe injuries.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.
Many women weep and wail and refuse
to be comforted because their once mag-
nificent tresses have become thin and
faded. Many men incline to profanity
because the flies bite through the thin
thatch on their craniums. It will be good
news to the miserable of both sexes, to
learn that Newbro's Herpicide has been
placed upon the market. This is the new
scalp germicide and antiseptic that acts
by destroying the germ or microbe that
is the underlying cause of all hair de-
struction. Herpicide is a new prepara-
tion, made after a new formula on an
entirely new principle. Anyone who has
tried it will testify as to its worth. Try
it yourself and be convinced. Sell by
leading druggists. Send 10c. in stamps
for sample to The Herpicide Co., De-
troit, Mich.
Two sizes—50 cents and \$1.00.

BOSTON STORE

Where You Trade to Save

SOME MORE SALOON LIES NAILED

The real character of the saloon
men who are in the campaign to save
their business is coming out.

They have just imported a poster
from Portland sent to the taxpayers
of Umatilla county in which there are
more lies to the square inch than any
other document ever issued.

The fact is that an attack upon a
man like Mayor Matlock of Eugene,
calling in question his honesty will
not go. The people know him as one
of the most honorable and honest
men in the land.

The fact is as given by H. D. Wy-
lie, from Eugene, who lives at 513
Elaine street, that the son of Mayor
Matlock has no drug store, nor has
he had one during the past year. His
store is like that of R. Alexander,
here in Pendleton.

This latest saloon document is
simply filled with lies and not a sa-
loon man in Pendleton will acknowl-
edge that he knows anything about it.

Two years ago they sent fake in-
terviews from over the land, contain-
ing about the same stuff as this pos-
ter, and these were sent in two or
three days before election so they
could not be contradicted, but the
central committee telephoned and
found them all lies and untrue.

The fact is that business men and
well-to-do farmers are supplying all
the money for the campaign on the
side of abolishing the saloon and they
do it because it is the worst propo-
sition known for increase of taxes for
the farmer and loss of business for
the business man.

Fred Drake Will Speak.

Fred Drake, the well known Pen-
dleton boy, who is now employed as
advertising manager for a large San
Francisco firm, and who is one of the
leading advertising solicitors, manag-
ers and directors of the Pacific coast,
will deliver an address before the ad-
vertising men's league in Portland
during the rose show, the first week
in June. Mr. Drake is a son of J. A.
Drake of this city, and a brother of
Lee D. Drake, advertising manager
of the East Oregonian, and has a host
of friends in this city, who are pleased
to note his progress in his chosen
profession.

A strawberry contest was held last
night in Kennewick under the aus-
pices of the Kennewick Commercial
club. Three cash prizes were offered
for the best exhibition of quart boxes
of berries.
