

DRESS-MAKERS

The nervous strain through which dressmakers have to pass at certain seasons of the year seems almost beyond endurance, and frequently brings on nervous prostration, fainting spells, dizziness, sleeplessness and a general breaking down of the feminine system...

For all overworked women there is one tried and true remedy.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition.

Mrs. Ella Griffin, of Park St., Canton, N.Y., writes to Mrs. Pinkham:

"I was troubled for three years with female weakness, backache, pains in my side, and headaches. I was most miserable and discouraged, for doctors gave me no relief. Lydia E. Pinkham's Vegetable Compound brought back my health and made me feel better than ever before."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

NEWS OF WESTON NEWS OF MILTON

INTEREST TAKEN IN ELECTION YESTERDAY

Normal Seniors Make Hit With Play, "Uncle Rube"—Walla Walla Dentist Will Locate in Weston to Practice—Commencement at Normal Next Week.

Weston, June 2.—In the game of baseball played Saturday between the Shamrocks of Athena and the Normal team, it was closed as a tie at the ninth inning with a score of 6 to 6. Newton O'Harra, who pitched for Weston, fanned 14 men.

The election passed off quietly in Weston. The greatest interest seemed to be shown in the question of local option.

The local amateur club which played Borderland at the opera house Saturday drew a good crowd.

Louis Proebstel, son of Mr. and Mrs. G. W. Proebstel, was here from Haines for a short time during the pioneer picnic. He was married some months ago to Miss Francella Duncan who is well known in Umatilla county, and a former teacher in the Pendleton schools.

The Normal seniors who put on the play, "Uncle Rube," during the pioneer picnic were complimented on their food work in the production.

Great preparations are being made by the Normal students at this time for the commencement which will be held, beginning the first of next week.

Dr. C. N. Williams of Walla Walla, is preparing to locate at Weston for the practice of dentistry. He will occupy the office in the Brandt building vacated by Dr. F. D. Hasbrouck. Dr. Williams is a graduate of the North Pacific Dental college in Portland.

T. M. Bowman, retiring principal of the Weston public school, has gone to Portland in company with his wife where he will remain for the summer at least.

Rev. Charles Quinney of Pendleton conducted services at the Episcopal church here last Sunday.

QUIET ELECTION.

Great Horse Show and Strawberry Festival Thursday.

Milton, June 2.—Election passed off in the usual quiet manner at Milton yesterday. The greatest interest seemed to be in the question of a wet or dry county.

Milton's big strawberry festival and horse show combined, which will be held Thursday, promises to be the biggest event of the kind ever given here. Everybody will be supplied with strawberries at Nichols' grove, where a feast will be prepared. In the afternoon at 2 o'clock there will be a grand parade on the streets of Milton in which some of the finest horses in the country will be shown. This show will be given under the auspices of the Milton Horse Show association.

The Best Pills Ever Sold. "After doctoring 15 years for chronic indigestion and spending over two hundred dollars, nothing has done me as much good as Dr. King's New Life Pills. I consider them the best pills ever sold," writes B. F. Ayacu of Ingleside, N. C. Sold under guarantee at Tallman & Co.'s drug store, 25c.

STILL GROWING.

Project and All Other Things Going On Rapidly.

Hermiston, June 2.—Crops are looking fine, and the settlers are well pleased with the progress made considering that this is the first year for the water. Alfalfa, potatoes and other crops are looking excellent. More lands are being sold daily, and the government has been furnishing water in the most satisfactory manner for a few weeks. Work on the different parts of the project is progressing nicely, and it will only be a few weeks until most of the work will be complete.

Col. J. F. McNaught has returned from a trip to Seattle and other Sound points.

Clyde Bland, a brother of C. K. Bland, who came here a few days ago from Kalispel, Mont., to visit relatives, has been ill for a few days.

SPECULATION MUST CEASE.

There's a Sure Cure for Asthma, Bronchitis, Coughs, Colds and Croup, so Why Should People Speculate.

Remember, Hyemel will cure the above named disorders or Tallman & Co. will give you your money back. Go to them and ask for a Hyemel outfit, which consists of a bottle of Hyemel (a very liberal supply) and a pocket inhaler that will last a lifetime. The whole outfit only costs \$1, and if at any time afterward you need another bottle of Hyemel to use with your inhaler, it will cost you 50 cents. Ask them about it. They will recommend it.

"I think your Hyemel is a grand medicine; it has done for me what doctors could not do, and I've tried everything. I had such a bad cough, and nothing I took did me any good. I tried your inhaler, and I never had anything help me so much or so quick. Wishing you long and prosperous lives I remain, your true friend, Saba Shelton, Metz, Ind."

ATHENA HAD QUIET ELECTION THIS YEAR

Prohibition Meetings Held in the Churches Sunday—Wheat Looking Extra Good in This Section of the County—With Little More Moisture Good Crops Are Assured—Recovering from Serious Illness.

Athena, June 2.—Election passed off quietly at Athena yesterday. A heavier vote was cast here than two years ago, and the result is being watched with much interest.

Mrs. Frank Swaggart who was quite seriously ill at her home on Birch creek for a few days is reported as being considerably improved.

A number of the people of Athena were county seat visitors Saturday to attend the big Sells-Floto show.

Mr. and Mrs. Frank Coolidge spent Sunday with friends in Pendleton.

Prohibition meetings were held at the Athena churches Sunday evening and they were all well attended.

The wheat crop in the Athena country is looking good in most places so far this season. The same report comes from Weston, Holm, Adams and Cold Springs, and most of the wheat growing sections in the county.

Hot winds are about all that is feared now, and it is believed by most of the growers that winds will have ceased by that time as this has been an unusually windy spring. With a few more good rains a good crop is assured.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston street, New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be recommended too highly." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Tallman & Co.'s drug store, 50c.

Jesse H. Bond Wins in Tri-State Contest at Seattle.

Seattle, Wash., June 2.—In the eighth annual Tri-State oratorical contest, held at the University of Washington Saturday night, Jesse H. Bond, speaking for the University of Oregon on "The Elevation of Character," won over Herman Allen, of the University of Washington, and Willard K. Gwinn of the University of Idaho. A prize of \$75 given by the King county Bar association, was awarded the Oregon speaker, and \$25 went to the Washington orator.

There was but one point difference between the winners of first and second place. Mr. Allen being given first place by the judges on thought and composition and one first place and two third places by the judges on delivery. Mr. Bond got two second places and one third place on thought and composition and two firsts and one second on delivery.

The chairman of the evening was John P. Hartman of Seattle. The judges on thought and composition were President S. B. L. Penrose of Whitman college, Professor Norman Coleman of Whitman college, and professor L. E. Baldwin of Oregon Agricultural college. The judges on delivery were Judge W. H. Hanford, of the United States circuit court, F. G. Rorey and Dr. J. H. Powers, all of Seattle.

BIG BOAT RACE.

Washington and California Struggle for Supremacy.

Seattle, June 2.—All is in readiness for the big event of the year in Pacific coast rowing circles, the intercollegiate boat race between the crews of the universities of California and Washington. Trained to the minute and in the pink of condition, the rival oarsmen are awaiting the crack of the pistol that will send them away over the four mile course on Lake Washington, across the mouth of Union bay, where the University of Washington is located.

As the University of California eight has defeated Stanford, today's race will decide the intercollegiate rowing honors of the Pacific coast. Last year Stanford defeated California and rowed against Washington for the championship, the latter being victorious in the four mile race.

Yacht Race to Bermuda.

Boston, June 2.—All arrangements have been made for the start of the great Marblehead-Bermuda yacht race under the auspices of the Corinthian Yacht club of Marblehead and the Royal Bermuda Yacht club. Nearly all classes will be represented in the race starting tomorrow. The Corinthian club has had long experience in the management of races and the coming big event promises to be as successful as the previous undertakings of the club. Commodore Morris' schooner Dervish, which won the master cup, New York to Bermuda, last June, has been entered in class B.

Keep the Kitchen Cool
Why sweeter over a glowing range in a stuffy kitchen, when a new Perfection Wick Blue Flame Oil Cook-Stove will do the family cooking without raising the temperature enough to be noticeable?
By putting a "New Perfection" in and allowing the range fire to go out, you may make this summer's kitchen work not only bearable, but actually a pleasure. The
NEW PERFECTION Wick Blue Flame Oil Cook-Stove
produces an intense heat under the kettle or in the oven, but does not radiate heat in all directions as a coal range does—hence is used with comfort on the hottest summer day. Made in three sizes, and warranted. If not with your dealer, write our nearest agency.
The RAYO Lamp comes as near lamp perfection as it's possible to get. Gives a clear, bright light that reaches the farthest corner of a good sized living-room. Well made throughout of nicked brass; perfectly safe and very ornamental. Warranted in every particular. If not with your dealer, write our nearest agency.

FIFTEEN YEARS OF KEEN SUFFERING

Rheumatism Developed Burning, Painful Sores on Legs—Tortured Day and Night—Tried All Kinds of Remedies to No Avail—Wife Had Debility and Pains in Back.

BOTH USED CUTICURA AND ARE WELL AGAIN

"My husband had been a great sufferer with rheumatism for nearly fifteen years. At first it was in his bones, but after a while it was in the flesh and finally running sores broke out on his legs, from below the knees to the ankles. There are no words to tell all the discomfort and great suffering he had to endure night and day. He used every kind of remedy and three physicians treated him, one after the other, without any good results whatever. So one day I happened to read about Cuticura Remedies. I asked him if he would not try them. 'No,' said he, 'it's no use, I've spent enough money now.' The next day I ordered five dollars worth of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent. He began to use them without confidence but after three weeks all the sores were dried up. The burning fire stopped, and the pains became bearable. After three months he was quite well. Two years later the pains and sores came back after he had been working hard and had taken cold. But as soon as he used Cuticura again it cured him. Two years ago I used Cuticura Pills for general debility. They did me a great deal of good and made me well. Three months since I had pains in my back and Cuticura took them away, too. I can prove this testimonial at any time. Mrs. V. V. Albert, Upper Frenchville, Me., July 21, 1907."

A Single Treatment

Consisting of a warm bath with Cuticura Soap, a gentle application of Cuticura Ointment, and a mild dose of Cuticura Resolvent or Pills, is often sufficient to afford instant relief, permit rest and sleep, and point to a speedy cure of torturing, disfiguring eczema, rashes, itching, irritations, and inflammations of the skin and scalp, from infancy to age, when all else fails. Cuticura Soap (25c.), Ointment (50c.), Resolvent (50c.) and Pills (25c. per box) are sold throughout the world. Sufferers should write for free literature to THE EAST OREGONIAN CO., 137 Columbia Ave., Boston, Mass. Mail free, Cuticura Book on Skin Diseases.
