Five Passenger Trains Here.
The O. R. & N. depot resembled
the Chicago union depot last evening,
for about an hour while passengers
were transferring from the Spokane
to the main line train. There were
five passenger trains in at practically
the same time last evening and for
half an hour about 300 people
swarmed about the depot. Nos 2 and
8, the east bound trains, came in on
time, as did the Spokane train and at
the same time two heavily loaded
sections of No. 1 the west bound pas-
senger train arrived, having been go-
layed four hours on the Short Line.

Justice Guernant in the City.
Justice of the Peace W. L. Guernant
of Holdman precinct, is in the city
today on a trading trip. He is elated
over the fact that he received a
handsome vote in his precinct,
leaving Sheriff T. D. Taylor, the best
vote getter in the county in the shade
by one vote. Justice Guernant says
he received 92 votes in his precinct,
while Sheriff Taylor received but 91,
and the new justice feels that he has
set a pace which Sheriff Taylor can-
not follow unless he improves his
speed somewhat.

Surprise Birthday Party.
The relatives of Mrs. A. H. Smith
tendered her a pleasant surprise at
the home of her daughter, Mrs. Rose
Campbell on Jackson street Thurs-
day evening in honor of her birthday.
The evening proved a very enjoyable
one. Mrs. Smith has a number of
children and a number of
grand children in the city, among the
children being Mrs. Dean Tatom, Mrs.
Joe Parkes, Miss Jessie Smith and
Mrs. Rose Campbell.

Only Wet Precip in Union.
In the entire area of Union coun-
ty there was but one getting precipit
which went "wet" at the recent
election, that being the precinct con-
taining the nine saloons on Depot
street in La Grande. This saloon dis-
but every other precinct in the coun-
ty went "dry."

Will Visit in Missouri.
Mrs. Mary Epple and daughter,
Rose, will leave this evening over
the O. R. & N. for Holden, Mo.,
where they will visit during the sum-
mer. They expect to stop in Saff
Lake, and in Nebraska towns on the
way and will be absent at least three
months. This is Mrs. Epple's first
visit to Missouri since 1865.

Balloon This Afternoon.
Owing to the windy weather last
evening the balloon that was to have
gone up last evening on Webb street
did not go up. It will go up today,
however, and the leap for life will
be made from the clouds some time
late this afternoon, near the merry-
go-round.

Hermistonians in Town.
Several well-known Hermistonians
were here last evening, having come
up on the local train. Among those
in the party were C. J. Jackson, O.
R. & N. agent, Attorney Francis H.
Bartlett, C. K. Bland, the merchant,
and Glenn Williams, city recorder.

Current Literature Club.
A called meeting of the Current
Literature club by special request,
of the year book committee will be held
at the home of Mrs. Dean Tatom at
405 West Court street, on Tuesday af-
ternoon, June 9, at 3 o'clock. All
members are urged to be present.

Jackson Has Vacation.
C. J. Jackson, O. R. & N. agent at
Hermiston, has secured a 30 days
leave of absence and will leave this
evening for Chicago to visit at his old
home for a month. During his ab-
sence from Hermiston Mr. Jackson's
post there will be taken by W. A. Por-
ter of the Southern Pacific service.

DRY VOTE BRINGS NEW SETTLERS

WAITSBURG MAN WILL
SELL OUT AND COME HERE.

N. B. Atkinson Praises Action of Umatilla
County Voters, and Declares He
Is Coming Back Here to Live—First
Direct Result of Recent Vote on
Prohibition—Believed That Others
Will Flock In.

That there are people who will
flock into Umatilla county to take the
places of those who leave because of
prohibition, is shown by the case of
N. B. Atkinson formerly of this coun-
ty, but who is now located at Waits-
burg, Wash. He is a brother-in-law
of Louis Hodgens, the well known res-
ervation farmer and since the county
went dry he has written to his rela-
tive praising the action taken here
and saying that he will return to this
vicinity if he can sell out in Wash-
ington.

Mr. Atkinson was a farmer of this
section for many years and is well-to-
do. Consequently, his return would
aid in offsetting the exodus that has
been predicted since the county went
dry.

Pastime Pleases.
The pictures which are now on at
the Pastime have been attracting the
crowds the past few days, all new and
up to date. The management an-
nounces a new and clever change for
tomorrow, which promises to draw
the usual large Sunday crowds.

LA GRANDE WINS SECOND VICTORY

PITCHER AUBIN CANNOT
WIN WITHOUT SUPPORT

Twirler With Game Ankle Makes a
Magnificent Attempt to Win the
Game But Is Given Listless Support
Visitors Exhibit Ginger All the
Time—Contest Was Not Bad But
Pendleton Should Have Won.

	Played	Lost	Won	P. C.
La Grande	10	1	9	.900
Walla Walla	10	5	5	.500
Pendleton	10	6	4	.400
Baker City	10	8	2	.200

Yesterday afternoon the Pendleton
ball team again went down in defeat
at the hands of Jack O'Brien's ag-
gregation and the tune of five to two
was not pleasing to the bunch of fans
that had gathered in the bleachers in
hopes that Lorimer's men would
show more speed.

The game yesterday was won by La
Grande because the Pendleton play-
ers were not "in the game."
Throughout the game there was a
noticeable lack of spirit in the team
and but few of the players worked
with the vim that was shown by the
La Grande players.

In the box Aubin pitched a splen-
did game, clearly outclassing his op-
ponent. But he was handicapped by
a bad ankle which made it difficult
for him to field his position and to
run bases. Conrad was likewise good
behind the bat and was always in the
game. The same is true of Dean on
third, though the latter stays very
close to his base.

But the rest of the team was bum
yesterday. Molly Baker at short
stop, played far back regardless of
what the batter was doing and his
work showed up poorly compared
with that of the visiting short. Hous-
ton was likewise weak at second.
Tracy Baker, though a valuable man
on the team, has not done Conrad's
work at first and his batting average
has fallen down of late.

To the fans in the bleachers it ap-
pears that the local players are de-
voting too much attention to their
individual records instead of bending
all their energies to winning for the
team. This criticism is probably un-
just for Lorimer's players are all
good, clean fellows. But this is a
sentiment which their recent playing
has created and it is up to the team
to play it down if they want the loyal,
hearty support they have been get-
ting in the past.

The following is the summary of
yesterday's game:

	Score	by	Innings
Pend.	1	2	3 4 5 6 7 8 9 R H E

"The Good Fellowship of a Good Watch."

There is something in the good
fellowship of a good watch that
is always felt by the owner that
is, in words, hard to define. Ask
your friend, who has a good
watch—a watch that keeps per-
fect time—how much he will
take for it and he will laugh at
you. It is because there is that
attachment to it—that knowl-
edge of its faithfulness that
places it above its actual intrin-
sic value. These are the kind
of watches we sell, and only
these kind you become attached
to. In gold-filled cases warrant-
ed twenty years from \$15.00 up.
