N. P. TRAINS ON O. R. & N. TRACKS

FLOODS IN MONTANA CAUSE INCONVENIENCE

Five Northern Pacific Trains Pass
Through Pendleton Today—All
Heavily Loaded—Passengers Given
Ride of 500 Miles for Which They
Have Not Paid—Fruit Express
Train Is Among the Number.

Owing to the extensive washouts
on the Northern Pacific railroad in
western Montana, both freight and
passenger trains belonging to that
system are being run over the O. R. &
N. tracks from Portland to Hunting-
ton and over the Oregon Short Line
to Pocatello.

One eastbound passenger train of
12 cars in charge of Conductor James
Conners of La Grande, passed through
this city at 8 o'clock this morning
and an eastbound fruit express passed
here at 11:30. A west bound passen-
ger train passed here at 11:20 and
other trains are to follow tonight if
conditions on the Northern Pacific
do not improve today and this eve-
ning.

These trains were pulled by O. R.
& N. engines and were in charge of
O. R. & N. freight crews. Both of
the passenger trains were heavily
loaded and were made up of day
coaches, tourists and Pullmans. The
eastbound train left for Portland
Friday night and came as far east
as Echo when conditions on the
Northern Pacific improved and the
train was ordered back.

However, the journey over the
Northern Pacific was finally aban-
doned and the train was again start-
ed over the O. R. & N. and will now
go as far as Pocatello on the Harri-
man lines, where it will run north to
Butte and proceed eastward over the
Northern Pacific lines.

By coming over the Northern Pa-
cific passengers are taken about 500
miles out of their way.

WOODMEN HONOR MEMORY OF DEAD

APPROPRIATE CEREMONIES AT OLNEY CEMETERY.

No Monuments Are Unveiled—Not a
Single Local Woodman or Member
of Either Local Circle Has Died
Within the Past Year—Procession
to Cemetery Is Headed by Degree
Teams—J. P. Earl Master of Ceremonies.

With appropriate services the mem-
bers of the Pendleton camp, Wood-
men of the World and of the local
Woodcraft circles honored the memo-
ry of the 21 departed neighbors yester-
day. For the occasion a large num-
ber of members of the orders assem-
bled at Olney cemetery and the ser-
vice held was an interesting one.

At 9 o'clock Sunday morning the
procession to the cemetery was taken
up and in the line were the W. O.
degree team, the two Woodcraft de-
gree teams, members of the orders on
foot and in carriages.

At the cemetery the ritualistic cere-
mony of the order was given. In the
service J. P. Earl, counsel comman-
der, acted as master of ceremonies,
while other Woodmen officers partici-
pating were J. P. Walker, clerk; W. B.
Hale, advisor lieutenant and Judge
Thomas Fitz Gerald, banker.

Following the ritualistic service the
graves of the Woodmen dead were
strewn with flowers.

During the past year the local
lodges have lost none of their mem-
bers and as a result there were no
monuments to unveil this time.

SECOND EXAMINATIONS.

Eighth Grade Pupils Have One More
Chance to Make Good.

On Thursday and Friday of this
week examinations will be held in
various parts of this county for eighth
grade pupils. Among the places
where examinations will be held are
Milton, Weston and Athena.

Under the rules pupils failing to
make satisfactory grades at one ex-
amination are entitled to try again,
under certain restrictions, and many
of those who are to take the examina-
tion this week failed to pass at the
examination held a few weeks ago.

WILL RUN TWO STAGES.

Wenaha Springs Accommodations
Will Be Better This Year Than
Ever Before.

J. A. Borie, proprietor of the We-
naha springs summer resort, has just
made arrangements to run two four
horse stages between Bingham Springs
station on the O. R. & N. and Wenaha
springs, Berkeley Hailey and Jack
Hastings to be the drivers.

It is the intention of Mr. Borie to
meet every passenger train and the
stages will therefore be in service
much of the time.

The roads have been greatly im-
proved and an excellent stage service
will be maintained and travel to the
springs will be a comfort this season.
The springs are more popular than
ever before and under Mr. Borie's
management promise to be the chief
summer resort in eastern Oregon.

Indians Bring Damage Suit.

The Nez Perce Indian tribe repre-
sented by Edward Roboin and Wil-
son Davis, full bloods, have brought
suit through United States District
Attorney Ruick against Joseph Zizer
for \$1000 damages due the tribe for
the alleged appropriation and occu-
pation of a strip of land on the
Clearwater river known as "the
boom" which the tribe have used for
years to collect its fuel supply by
catching the drift wood which comes
down the river during the season
when it is running high, says the
Boise News. Three affidavits, includ-
ing those of Roboin, an interpreter
62 years of age, Davis, a young In-
dian 26 years old, and Oscar H.
Lipp, superintendent and special dis-
bursing agent of the tribe, are filed
with the papers showing the cause
of the suit. The order to show cause
is returnable June 22 and the com-
plaint is addressed to the judges of
the circuit court of United States,
ninth judicial circuit, for the district
of Idaho, northern division. The pe-
tition to the court asks that an in-
junction be served on the defendant
forcing him to allow the Indians to
have use of the boom so that they
can obtain their fuel supply and that
when the case is decided, the injunc-
tion be made permanent.

HOW U. OF O. FARED

DETAILED VOTE ON STATE UNIVERSITY

Umatilla County Gave the U. of O.
Appropriation a Majority of 429—
State Vote Shows Much Opposition
—Orange Made Strenuous Efforts
to Defeat the Measure—Willamette
County Shows Bitter Opposition.

Salem, June 8.—Complete official
returns from all counties but Harney,
Malheur and Wheeler have reduced
the majority in favor of the Univer-
sity of Oregon appropriation bill to
2631. Partial returns from Malheur
county indicate that the bill has been
defeated there, but it has carried in
Wheeler, while Harney is in doubt.
The complete returns from all three
of these counties will not change the
general result in any way, for their
vote is light and will break about
even on the university question.

The counties of the Willamette val-
ley have rolled up enormous majori-
ties against the bill, Marion county
heading the list with an adverse ma-
jority of 2213, and Linn following with
a majority of 1992. In Columbia coun-
ty the appropriation was defeated by
one vote, and in Crook by 15. Sev-
eral other counties returned small
majorities against the bill.

Among the counties that have sus-
tained the legislature and approved
the bill, Multnomah heads the list
with a majority of 8390. Lane coun-
ty comes second with a majority of
1778, Jackson third with 692 and
Clatsop fourth with 609. The coun-
ties of Baker, Umatilla, Coos, Sher-
man, Klamath and Lake have all
given big votes in favor of the bill.

The complete returns, with the ex-
ception of the three counties men-
tioned above, are as follows:

County.	Yes.	No.

MUFFED FLIES LOSE THE GAME

ERRORS OF OUTFIELDERS ALLOW LA GRANDE TO WIN

Last Contest of Series Witnessed by
Small Crowd—Score Close and the
Game Was Not Decided Until Fin-
ished—Aubin Was Better Pitcher—
Locals Credited With Eleven Errors
and Visitors With Five.

Slightly outclassed by the visiting
team, Lorimer's men went down in
defeat yesterday, but the score was
8 to 6 and the Mormons were forced
to work hard for their victory.

In the game yesterday the Pendle-
tonians played with some spirit and
at no time during the nine innings was
victory certain for O'Brien's crowd. As
a twirler, Aubin was more than a
match for Kotteman, the La Grande
pitcher, and the summary shows 14
hits for Pendleton to but 13 for La
Grande.

But in the error column Pendleton
is credited with 11 bad plays, while
La Grande has but 5. These figures
tell the tale of the game, for it was
poor work in the outfield that allowed
La Grande the runs that won the
game.

Though the game was close and in-
teresting yesterday there was nothing
spectacular at any time and there
was seldom anything for the crowd
to go wild about.

A bad feature of the game was the
ill feeling that plainly existed be-
tween the two teams. This year as
in the past La Grande has a team of
"beefers" and "roughnecks." In
every game that team has played this
year those things have been plainly
evident. Though there are some real
sportsmen on the team the bulk of
the players including Jack O'Brien,
are ready to beef, bulldoze and to in-
sult whenever the opportunity pre-
sents itself. As a result that team
has few admirers among the local
fans and there is a sigh of relief that
the team has departed. Pendleton
fans are willing to accept defeat any
time from a superior nine, but they
do not like the class of playing
O'Brien's men displayed here during
the past week.

The following was yesterday's
game in detail:

Fournier.

5; Furchelle, 4.

Grande, 4.

Like Wallowa County.

The Wallowa county papers in
speaking of the Streeter-Bryan com-
pany which is now in the Wallowa
country, give them some very flatter-
ing notices. They are camped on
the river near Enterprise at this time
and give performances at Enterprise
on Thursday evenings and at Joseph
Saturday evenings and they are draw-
ing large crowds. This week they
will go to the head of Wallowa lake
to camp the rest of the summer, and
give occasional entertainments at the
different towns. The company is de-
lighted with the country and expect
to spend a pleasant summer. In the
early fall Mr. Streeter will open the
Oregon in Pendleton and the Orphe-
um at Walla Walla and will have a
clever lot of additional performers
from the east.

"Camp Fire" Saturday.

On next Saturday afternoon the
members of Kit Carson post, G. A. R.,
will give a "camp fire" and the mem-
bers of company L. O. N. G., have
been invited to attend. The affair
will be held in the armory and the
veterans are planning to have an en-
joyable time.

Crabtree Funeral Today.

The funeral of Jack Crabtree, who
died in Spokane and has been brought
here for burial, will be held at 2
o'clock tomorrow afternoon from
the Rader undertaking parlor. The
service will be conducted by the Ea-
gles.

NEW PENMANSHIP PLEASES.

St. Joseph's Academy Graduated 15
Students from the Palmer System
This Year.

The Palmer system of penmanship
was adopted by St. Joseph's academy
at the beginning of the school year
now closing, has proved to be high-
ly successful, 15 students having
graduated in penmanship.

After eight months of practice a
number of tests were sent in to Prof.
A. N. Palmer, Cedar Rapids, Iowa,
and after a thorough examination of
the tests, all of the students were
given diplomas. Prof. Palmer is the
head of the Palmer system and con-
gratulated the academy on the excel-
lence of the work done by the stu-
dents.

Tomorrow afternoon after the
commencement exercises, a lawn so-
cial will be given on the lawn of St.
Joseph's academy to the graduates of
the Palmer system.

Commencement Tomorrow.

The commencement exercises of St.
Joseph's academy will be held at the
Oregon theater tomorrow afternoon
at 3 o'clock. The program will com-
prise musical and literary numbers
and a valedictory address by Miss
Gertrude Fitz Gerald, who graduates
from the academy at that time. Rev.
Thomas Neate will present the diplo-
mas and make a brief address. The
exercises are held in the afternoon in
accordance with a rule made by the
mother general of the order of St.
Francis, forbidding children in the
Franciscan schools from being out after
nightfall. The public is urged to
patronize the event.
