NORMAL COMMENCEMENT VERY PLEASANT AFFAIR

Many Visitors Here From Different Parts of Oregon and Washington—Many Attend Commencement at Whitman College—There Is Rapid Growth in Wheat Crop at This Time.

Weston, June 10.—The Weston Normal commencement was one of the most delightful events given in the history of the school. There were people here from different parts of the state of Oregon and Washington, who had relatives among the 22 young people who graduated, and who are now prepared to enter upon their life work. The program was carried out as published in the East Oregonian earlier in the week. One of the most successful terms in the history of the school is now at an end, and the students are rapidly leaving for their respective homes.

Quite a good rain fell in this vicinity Monday evening, which was a help to the growing wheat crop.

Several of the Westons leave today for Walla Walla to attend the twenty-sixth annual commencement of Whitman college at that place.

The city water committee is engaged in putting in meters in the Weston homes.

Rev. and Mrs. W. E. Achilles have returned from their honeymoon trip, and they will take up their residence here.

A number of the former students of the Weston Normal have been here for commencement.

The city has passed an ordinance levying the street tax at two mills.

The weather has been very warm the past few days, and it will make a rapid growth in the wheat. The crop will be but little if any short in this vicinity this season.

Thinks It Saved His Life.

Wester M. Nelson, of Naples, Me., says in a recent letter: "I have used Dr. King's New Discovery many years for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly 40 years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs, it has no equal. Sold under guarantee at Tallman & Co.'s drug store. 50c and \$1. Trial bottle free.

Murder Trial Is On.

Walla Walla, June 10.—After an effort of five hours and fifteen minutes, the jury in whose hands rests the fate of Hezekiah H. Barnes, familiarly known as "Bud," who is on trial for the brutal murder of Mrs. Anna M. Aldrich May 1, was secured yesterday afternoon at 2:14. Judge Brents having yesterday morning overruled the motion for a continuance asked by the defense Saturday afternoon. In all 43 talesmen were examined, during which examinations the defense exercises their right to eight of the 12 peremptory challenges allowed them. The prosecution took exception to none of the talesmen.

An unknown carpenter fell 50 feet in Portland yesterday striking on the basement steps on his head and was uninjured. His companion landed on his hip and was only slightly injured.

STRAWBERRIES RIPENING RAPIDLY AT FREEWATER

Two Young People in This Vicinity Win Gold Medals in Oratorical Contests—Cherries Are Ripening and There Will Be a Good Crop This Year—Many at Meador Park.

Freewater, June 10.—The warm weather of the past few days is ripening the strawberries very rapidly, and they are now being sent out in large quantities. The great trouble at this time is in securing pickers enough. Growers are offering 35 and 40 cents to have them picked. Owing to the scarcity of help a number of Indians from the Umatilla reservation have been employed to pick the crop.

Wins Gold Medal.

Miss Martha Baskett, one of the well known young ladies of this end of the county, won the gold medal in an oratorical contest held at Vincent chapel a few evenings ago. Dewey Crimmins won the medal awarded in the contest held in the Baptist church at this place the latter part of the week.

Born—To Mr. and Mrs. Alta Rogers Monday, June 8, a daughter. The child only lived a few hours after birth.

Cherries are coming in quite rapidly in the last few days. The weather has been so warm that they have been ripening rapidly. A heavy crop of cherries is expected in this vicinity.

At Meador Park.

A great many of the people from Milton and the surrounding country visit Meador Park these days, especially on Sundays. Friday evening there will be a wrestling match at the park, when Eddie Conners, one of the leading light weight wrestlers in the west, will meet James Casey, a Walla Walla lad, of more than ordinary ability. This park is one of the interurbans between here and Walla Walla, and is one of the chief places of amusement for the people of Walla Walla in the summer time, as well as for the people of this section.

There was a rainfall here Monday evening. Crops and fruits are looking very good, considering that there has not been the usual amount of rain.

Fine Fruit House.

The new fruit house, which is being built by the Fruit Growers' union, is well under way, and will be ready for occupancy by the time the later fruits come in. It will be one of the best and most up to date warehouses in the Pacific northwest. H. D. Lamb is the manager of the union at this time.

MAY CELEBRATE.

"Merry Widow" Will Be Put On By Maccabee Lodge.

Helix, June 10.—The people of Helix are now debating whether or not they will celebrate the Fourth of July. It will be decided in the next few days and if it is decided to celebrate it will be the most rousing affair in the history of the town.

The Lady Maccabees of this place are arranging to put on a play, "The Merry Widow," Saturday evening of this week. A number of the people of the community will take part in the affair.

Wheat is looking good about here, and there will be a very little if any shortage this year in the crops in this vicinity.

New York Church Choirs.

"Singing in a New York choir has several advantages, one of which is the long contract," said a soprano. "I sang in churches in four different cities before coming here, and everywhere I was hired from month to month. That is the custom in most churches in other towns. The trustees are afraid to sign a year's contract on account of the hot water they will get into if the choir proves unsatisfactory. Congregations in other cities are very finicky and stubborn in the matter of music. They don't take things as easy as the people do here. The average New York congregation is the most obliging body on earth. Unless a choir is hopelessly bad nobody interferes, so the trustees feel safe in hiring the singers by the year."—New York Sun.

Scientific Sammy.

"Sammy," said Mrs. Tucker, who was showing him through the geological department of the museum, "these are called aerolites. They are supposed to be fragments of some planet that has been broken up. They come within the attraction of our planet and fall to the earth." "Oh, I know what they are!" said Sammy. "They're the ballast the man in the moon has to throw out to keep himself up in the sky."

Works Both Ways.

"They bore one, these society calls, don't you know," declared the young lady. "They bore one." "Sometimes they bore two," responded the young man, taking the hint and likewise his departure.—Louisville Courier-Journal.

That's the Answer.

"Why is your husband so irritable at home?" inquired the amazed visitor. "Because he knows it's safe to be," answered the long suffering wife.—St. Louis Republic.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Pendleton People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Pendleton.

Mrs. D. Coffman, living at 221 Stonewall Jackson street, Pendleton, Ore., says: "About a year ago I was having considerable trouble from severe pains through my back and finally came to the conclusion that they arose from a disordered condition of my kidneys, as a cold was sure to settle in these organs and greatly aggravate my suffering. I had known of the merits of Doan's Kidney Pills for a long time and at last decided to try them, procuring a box at the Pendleton Drug Co. They helped me from the first, and after I had used the contents of one box, not a pain or ache remained and the kidneys were again restored to their natural condition. I know of others who have used Doan's Kidney Pills with excellent results and feel that I cannot speak too highly in favor of them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
