

This woman says that sick women should not fail to try Lydia E. Pinkham's Vegetable Compound as she did.

Mrs. A. Gregory, of 2355 Lawrence St., Denver, Col., writes to Mrs. Pinkham:

"I was practically an invalid for six years, on account of female troubles. I underwent an operation by the doctor's advice, but in a few months I was worse than before. A friend advised Lydia E. Pinkham's Vegetable Compound and it restored me to perfect health, such as I have not suffered in many years. Any woman suffering as I did with backache, bearing-down pains, and periodic pains, should not fail to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Bronco Buster Killed.

Charles Brady of Toppenish, died in North Yakima Saturday as a result of injuries sustained in riding a horse there Friday, says the Yakima Republic. Death is said to be due to a broken neck. Mr. Brady, who was about 35 years old, was thrown from a horse he was trying to break. His spur caught in the cinch and he was dragged. A number of Indians gave chase, caught the horse and rescued the man from his position of peril. It was found that he has sustained a severe cut on one jaw and that his spine was dislocated. The Toppenish physician who attended ordered that he be brought to St. Elizabeth's hospital in this city for treatment and he was accordingly brought here on the Sunnyside train Friday. He died Saturday afternoon.

Two brothers of the deceased live in this city and his father, who resides in North Dakota, is on his way here. The body was removed to the undertaking parlors of A. J. Shaw & Sons where it is now, awaiting the arrival of the father and the making of arrangements for the funeral, which will probably be held here.

Stites Ferry in Operation.

The new ferry was put in today and is now in operation, says a special to the Lewiston Tribune from Stites, Idaho. Tomorrow a crew will be put to work on the erection of a new bridge to replace the one carried out by the flood. Work will be pushed on this structure and it can be completed within four weeks.

All roads leading out of Stites are in fair condition. A few days of sunshine is all that is necessary to place them in good condition. Trains are again running here regularly. Early summer travel to the mines is now under way and Stites being the terminus to the mining region and the gateway to the mining region, expects heavy travel this season. For this reason the citizens are exerting every energy toward restoring the town to its normal condition and with this spirit prevailing it will be but a comparatively short time until practically all evidence of the damage caused by the freshet will have disappeared.

Big Sale of Cattle.

One of the largest cattle sales made in this section in several years was closed at Ontario Monday when 2600 head of cattle changed owners, were

loaded on the cars and started for home ranches of the purchasers. Parsons and Hanley of Harney valley were the sellers and J. M. Holt of Miles City, Mont., and E. G. Gould of Kearney, Neb., were the purchasers. Holt bought 700 head of yearling steers, paying \$17 per head.

Gould took 400 head of three year olds which he got for \$25 per head; 500 at \$32 per head; 2000 head of yearling heifers at \$13 per head.—Baker City Democrat.

Monster Land Deal.

The largest sale of real estate in the history of the northwest where the transfer is being made by one firm is now being negotiated at Wenatchee and involves the sale of the large stock ranch of which Letser Coffin of this city is the owner of a half interest, says the Lewiston Teller.

The ranch is located on the Columbia river below Wenatchee, and is several miles in length by several miles in width. It contains a complete independent telephone system, and is equipped with every facility for handling the ranch business.

The deal now being negotiated deals only with the ranch and its improvements, but involves approximately \$250,000.

Lewiston Election.

In the municipal election held at Lewiston, Idaho, Monday, Al Wisner and Fred Emery were elected councilmen over Fred King and G. T. Miller, who were up for reelection. Wm. Bollinger, who had no opposition, was also elected. It is claimed this election settles the matter of a closed town, the new councilmen being strongly in favor of carrying out the provisions of the law.
