 tem Pipe Ordered Let.**

By the report of the city treasurer submitted to the council last evening, it is shown that there is now a total of \$88,252.79 in the treasury. Of this sum but a small amount is in the general fund, while the bulk of the money is in the city hall, levee and street intersection funds. Consequently the greater portion will be spent during the year on improvements now under way or to be taken up shortly.

No Special Tax.
 Up to this time no steps have been taken to raise money by a special tax, and apparently no such action will be taken. Instead the council will seek to pull through the coming year in the best manner possible and

COLDS

The very hour a cold starts is the time to check it. Don't wait—it may become deep-seated and the cure will be harder then. Every hour lost at the start may add days to your suffering. Take

BRIDGE IS WANTED.

People on the South Hill Feel That They Need Bridge Across High Street Gulch.
 Since the destruction of the Reiman home by fire last week the people on the south hill have been agitating the matter of securing a bridge across the High street gulch and it is probable that some definite action will be taken on the subject.

It is contended by residents of the south hill that if there had been a bridge across the gulch by which teams with fire apparatus might have reached the hill more quickly than the Reiman house could have been saved and the residents all feel that they are left practically without fire protection because of the absence of a bridge over this deep gulch.

The matter was agitated some time ago and steps were taken to secure the help of the city council in building a bridge and it is probable that it will be taken up again at once.

WILL VISIT ALASKA.

Pendleton People Will Go As Far North as Skagway.
 A party of well known Pendletonians will make the inland passage to Alaska on a steamer that is scheduled to sail from Seattle next Tuesday.

Among those who will be in the party are Mr. and Mrs. George Hartman, Jr., Mrs. Lina Sturgis, Cress Sturgis, Mrs. T. C. Taylor, Miss Bertha Alexander, Miss Elizabeth Milne of Hillsboro and Roy Rittner.

The trip to the north will occupy two weeks and the steamer will go as far north as Skagway.

New Pumping Plant Installed.

The new electrically operated pump at the city pump house was put in operation yesterday, says the La Grande Observer. It is considered to be a great success. A pressure of 125 pounds to the square inch was maintained and the pump throws a stream which is equivalent to 1400 gallons of water per minute. The old pump could not stand a pressure above 100 pounds. The electric power will now be used regularly and for the present will be operated eight hours a day. This is the minimum time under the contract with the Grand Ronde Electric company. In case of necessity the machinery can be run on longer time, but the cost per day is higher.

In a Prohibition County.

Newt Canahan and family, who recently arrived from Walla Walla with the intention of buying a farm in Grand Ronde, are in La Grande for a few days, having been on a general tour of the valley, says the La Grande Star. Mr. Canahan yesterday offered E. A. Willis, Alceel, \$20,000 spot cash for the farm of the latter, but Mr. Willis decided not to sell.

Injured in Runaway.

Thrown from his seat during a runaway this afternoon, J. C. McConnell, the transfer man, was painfully injured though not seriously. About 3 o'clock he was on one of his drays on Main street when the team took fright and ran away. As the horses started the seat tipped and threw McConnell out upon the pavement. He was considerably bruised by his fall, but no bones were broken.

Mail Carrier Wanted.

A civil service examination will be held in this city on July 2, to examine applicants for the position of mail carrier for the Pendleton postoffice force. The age limits are from 18 to 45 years and applicant must be physically sound and of good moral character.

Bank Sues on Note.

A suit to collect \$90 alleged to be due upon a note has been brought by the Hermiton bank and trust company against Archie Brad and wife. The complaint was filed by Roscoe R. Johnson, attorney for the plaintiff.

Fine Berries from Milton.

Fred McGrath is in the city today with a load of fine strawberries from the Milton district. The Milton crop is now ripening rapidly and soon more than 1000 pickers will be employed in the fields.

Difficulties of River Travel.

Sidney Noble returned to North Yakima Saturday from a trip across the Columbia river at Priest Rapids, says the Yakima Republic. He went away two weeks ago intending to remain a week, but he put in an extra week on the banks of the river waiting for the wind to go down so that he could cross over. Saturday morning he got a clear day but when almost across the wind hit the scow and the shorter end of the journey was by far the longer. A big scow broke loose from the Milwaukee bridge and with several hundred dollars worth of cable on deck went down over the rapids. It was salvaged by a rancher and tied up in an eddy. The railroad people will attempt to warp it back up the river and over the falls. There are rings in the rocks where the government took a steamer up several years ago and as the scow cost about \$700 it is figured to be economy to haul it back.

The doctor is a very clear and strong lecturer. The pastor of the church has announced that there will be no admission charged. All are invited to come free but a silver free will offering will be

Fans Meet Tonight.

At the Commercial association rooms a baseball meeting will be held this evening and all fans are asked to be out in force with their enthusiasm. The meeting will be to devise further methods of raising the money needed to finance the team. Up to this time the soliciting committee has done well, but a considerable amount is yet to be raised. So all who want to see the team continued and made into a winning aggregation, are asked to come forth tonight. The meeting will be held at 8 o'clock.

La Grande Game Postponed.

La Grande, June 11.—The ball game which was scheduled to take place this afternoon between La Grande and Walla Walla, has been postponed until Friday afternoon. There will be a series of four games. Houston, the new player, arrived yesterday and made a grand showing. William Kooser, formerly with the La Grande team, will be appointed the official umpire by President Thompson. The club is practicing every afternoon and Manager O'Brien says the team is right on its metal and ready for the fray.

Prohibition Won't Hurt.

Although Umatilla is a railroad town and its population is largely made up of railroad men, yet no bad effects from prohibition are expected when the four saloons there are closed. A prominent business man of Umatilla said to the East Oregonian today that he believed that the closing of the saloons there would actually help business, since many of the men employed there now spend money in the saloons which they would gladly spend for necessities were the saloons not there to invite them.

Ed Kiddle for Grand Master.

It is expected that Edward Kiddle of Island, City, one of the most prominent Masons in eastern Oregon, will be elected grand master of the Oregon grand lodge which is now in session in Portland. Over 300 delegates are present at the grand lodge sessions and a most successful meeting is being held.

Dave Hill Is Now Conductor.

David Hill, the well known former high school student and son of Mr. and Mrs. John F. Hill, of this city, is now employed as conductor with the Brooklyn Rapid Transit company. He writes to the East Oregonian that he likes New York city and will probably remain there permanently.

Fine Hereford Bull Through.

A fine young Hereford bull was shipped by express through the city today from J. K. Spawm, the well known breeder at North Yakima to O. H. Barnum of Moro, Ore. The bull weighed 1000 pounds crated and is a fine specimen.

Habitual Constipation

May be permanently overcome by proper personal efforts with the assistance of the one truly beneficial laxative remedy, Syrup of Figs and Elixir of Senna, which enables one to form regular habits daily so that assistance to nature may be gradually dispensed with when no longer needed as the best of remedies, when required, are to assist nature and not to supplant the natural functions, which must depend ultimately upon proper nourishment, proper efforts, and right living generally. To get its beneficial effects, always buy the genuine Syrup of Figs and Elixir of Senna manufactured by the CALIFORNIA FIG SYRUP CO. ONLY SOLD BY ALL LEADING DRUGGISTS one size only, regular price 50¢ per bottle.
